FORMOSA STRAIT TRUCE NEW U.S. PLAN

District Crown Is Won by Good Hope Drill Team

State Championship Is Now Objective of Fayette County Group

The Good Hope Grange drill team today was looking forward to May 7 with high hopes of taking the state championship in competition at West Jefferson then.

The team, now representing Fayette County Granges, won its first big victory when it emerged from the sectional competition at Olive Branch, near Springfield, about two months ago.

Then, Wednesday night, the Fayette Countians went on to win the district title in competition with the Pickaway County team in the high school gymnasium at Yellow Springs.

Next comes the state competition in which the Good Hope team will go up against probably four of the best Grange drill teams in the state at West Jefferson.

J. Herbert Perrill, the Fayette County Grange deputy, said of the performance at Yellow Springs that the Fayette County team members may be getting a little nervous and tense, but that they have confidence and determination as they look ahead to their big chance.

"They have worked hard," he

No Disloyalty Seen At Yalta

WASHINGTON (AP) — Sen. Fulbright (D-Ark) quoted Secretary of State Dulles today as having testified he has found no evidence of disloyalty by any U. S. representative at the Yalta conference.

Some Republicans have made much of Alger Hiss' presence at the World War II Roosevelt-Churchill-Stalin meeting. Hiss has served a prison term for perjury in connection with his denial that he ever passed State Department secrets to a Communist courier.

Ohio Betting Law Faces Court Test

COLUMBUS (AP) — The Ohio Supreme court today gave the state racing commission until May 21 to show why parimutuel betting should not be banned in Ohio.

The court acted on the request yesterday of Charles P. Masterson and other Clevelanders for a writ of prohibition against state sanctioned horse-race betting.

Masterson claimed the wagering violated a state constitutional ban against lotteries.

Meanderings

By Wash Fayette

The "Spotlight on Automobiles" that put the spotlight on all of those sleek and colorful new models in the parade here Saturday focused attention belatedly on one of the oldest cars in these parts still in use.

It is a 1916 Ford coupe. . .one of those old model T jobs that had three pedals instead of a gear shift lever.

It is owned by Jess Banion of South Solon and he drives it regularly into Jeffersonville where he still does a good bit of trading and visiting among his old friends. Occasionally, he drives on down to Washington C. H.

Warren Williams, headman of the Jeffersonville Auto Co. for many years, sold it to Banion when he had the agency for the Ford until 1927. Williams took on the Chrysler agency then, but gave it up in 1939 when he went to the state Legislature as the representative from Fayette County.

The venerable old Ford still runs right along and Banion's not interested in trading it for a new car because he says "I couldn't learn to drive one with all those levers and gadgets."

Incidentally, Banion considers his old model T as a good useable automobile and not as an antique museum piece without utility value.

A post script to this story has just occurr to me:

I stopped for a few minutes down in Leesburg a few weeks ago and a man drove up with a car I feel certain was older than Banion's Ford. He has some youngsters in it giving them a ride. I'm going to ask Mack Sauer, Leesburg's editor and public speaker, to try to get a picture of this one and the background story.

Asian Parley OKs 2 New Proposals

BANDUNG, Indonesia (AP) — The Asian-African conference's political committee drove to quick decisions on the Palestine and Dutch New Guinea questions today. But storms loomed over proposals for peaceful coexistence between communism and other social systems.

The No. 1 conference committee made relatively smooth progress on the Arab-sponsored, Red Chinese - backed resolution supporting the Palestine Arabs. It then approved a watered-down motion asking a quick solution of Indonesia's claims to Dutch-held Western New Guinea.

The New Guinea resolution backed the Indonesia stand in the dispute and urged the Netherlands government to reopen negotiations with the Jakarta government. The committee also approved an Egyptian resolution urging France to grant independence to Tunisia, Morocco and Algeria.

The watered-down motion on West New Guinea was threshed out after some delegations balked at an original Indonesian resolution. The critics charged it constituted a condemnation of the U. N.

* * *

INDONESIA'S resolution called on the conference to express "regrets" that the last U. N. General Assembly "failed to assist the participants (Indonesia and the Netherlands) in a peaceful solution of their dispute." The Assembly refused to support Indonesia's claim for independence of West New Guinea from the Netherlands.

The Indonesian proposal finally was referred to a nine-nation subcommittee to seek an agreed resolution after Pakistan's Prime Minister Mohammed Ali asserted, "we should not condemn the U. N."

Indian Prime Minister Nehru charged that Ali was "trying to shield some big powers," but the Pakistani was supported in his defense of the U. N. by the delegates from Turkey, Lebanon, Ceylon, Jordan and Iraq.

Red China's Premier Chou Enlai launched the debate on coexistence with a statement that the "peaceful coexistence of countries with different social systems can be realized." He and Nehru both brought up the issue.

Several delegates were reported prepared to fighting against any resolution that did not contain guarantees against aggression by international communism.

Among these was Ceylon's Prime Minister Sir John Kotelawala. Conference sources said he would call on Chou to repudiate the Cominform (communism's international arm) to show "if he really believes in peaceful coexistence."

* * *

ARAB LEADERS considered the Palestine stand a victory for their cause. They charged that Israel, which was not invited to the conference, has refused to comply with resolutions which would require her to repatriate Arab refugees, provide compensation for those who lost their lands, internationalize Jerusalem and cede some territory to the Arabs under a partition plan.

Chou, who has been courting Arab friendship at the conference, aided in drafting the resolution.

Bloodmobile Coming Here Next Thursday

Thursday, April 28, will be a rewarding day in the lives of many blood donors here. That's when people here will have the opportunity to get a good deal of self-satisfaction by giving their blood to help save others.

The Lioness club, which has demonstrated by past performance that enough donors can be rounded up to meet the 150-pint quota for Fayette County, has assumed the responsibility of recruiting volunteers for this visit of the Bloodmobile.

Mrs. Charles Buxton who heads the Lioness committee announced the Bloodmobile will be at First Presbyterian Church between 10 A. M. and 4 P. M. on April 28.

She pointed out that Fayette County has not been keeping up with the rest of the state in blood donations. But yet the Memorial Hospital here last year used more blood than was given locally. Which means tht part of the blood used here must come from elsewhere.

Mrs. Buxton cited two recent cases when outside blood was needed here. One involved a farmer who was injured in a tractor accident. The hospital didn't have his correct type blood on hand, but the Red Cross, through Mrs. Fred Cahall, had four donors at the hospital in 20 minutes.

Blood was rushed from the Columbus center in one hour early one morning recently for a girl who has been in an auto accident near here. The hospital did not have her type nor was there a donor available.

Mrs. Emma Griffiths, president of the Lioness Club reminded all Lioness members to either give their donor pledge cards to Tom Mark or call Mrs. Fred Cahall no later than Saturday, April 23.

Anyone wishing to donate can have a specific appointment, which will save time, she said.

Eighteen members of the high school organization, the Future Nurses of America, plan to observe the donation procedure Thursday afternoon. Miss Suzanne Willis is sponsor of the group.

Midwest Getting More Showers

CHICAGO (AP) — Thunderstorms continued in parts of the midcontinent and rain fell in sections of the East and Far West but other parts of the country had fair weather today.

The dust storms that swept across Southwest areas appeared to have ended as winds diminished.

A narrow belt of heavy thunderstorms extended from extreme southern Indiana southwestward across western Tennessee and to eastern Oklahoma. More than two inches of rain fell in Memphis and more than one inch in parts of Arkansas and Kentucky.

Postmaster OKd

WASHINGTON (AP)—The nomination of Adolph F. Raab as Lancaster, Ohio, postmaster was confirmed yesterday by the President.

Contract Is Let For New Bridge

Improvement Set For Leesburg Road

Contract for the new bridge over Sugar Creek, and the approaches, on the Leesburg Road three miles southwest of Washington C. H. has been let by the State Highway Department. The bridge is to be completed by Nov. 30 of this year.

Nelson Bahan of Urbana was the successful bidder. He said he plans to start work on the structure within a short time.

The estimated cost of the bridge and approaches, 2-3 of a mile overall, was $138,900. Bahan's bid was $119,477.14.

Traffic will be maintained during most of the time the work is under way, it was indicated, as the new bridge will cross Sugar Creek at a pronounced angle in order to eliminate the two bad curves which exist on the approaches at the present time.

The bridge proper will be of steel and concrete, 40 feet wide. The approaches will be 20 feet wide for the traveled surface.

Th structure will consist of two spans each 48 feet in length and a center span 60 feet long or a total length of 156 feet.

At the present time pronounced curves exist both north and south of the bridge, but when the new strucutre is erected, both curves will be reduced until the present dangerous condition is eliminated.

The project in one of the major state highway jobs in the county this year.

At the present time work on a new bridge over Paint Creek, on Route 753, two miles south of Greenfield, is under way, and the structure will be ready for use within the next two or three months.

Rocket Kills 5

PUSAN, Korea (AP)—A rocket exploded accidentally at a U. S. Army depot 40 miles northeast of Pusan yesterday, swooshed 700 yards into a group of Korean villagers, killed five.

Senate Panel OKs Turnpike Change Bill

Surprise Move Comes As House Kills Quail Shooting Measure

COLUMBUS (AP)—The Ohio Senate had before it today a bill to recapture legislative control over future turnpikes.

The Senate Highways Committee, in a 12-minute meeting which was not announced in advance, recommended passage of the bill, 4-2.

Opponents have expressed belief the turnpike bill, sponsored by Senate Highways Chairman David McK. Ferguson (R - Guernsey), would spike attempts to build more Ohio turnpikes.

The action came only minutes after the House had killed 46-77 a proposal to permit a quail-shooting season in Ohio for the first time in 40 years and the Senate had passed and sent to the House a bill to outlaw the "gypsy" truck unloading racket.

Another controversial measure cleared the House yesterday, a bill to permit fire insurance companies to write casualty insurance, and vice versa. The bill now goes to the Senate where its fate is uncertain.

The Legislature ends its 16th work week today with a Senate vote on a House-approved bill to set $25 to $200 fines for persons who abandon refrigerators of more than 1½ cubic feet capacity where children might have access to them, become trapped and suffocate.

The turnpike bill action was taken on a 4-2 vote with Sens. William Tyrrell (R-Preble) and Stephen Olenick (D-Mahoning) dissenting. Voting with Ferguson were Sens. Fred Danner (R-Summit), Lowell Fess (R-Greene) and Arthur Bakke (D-Belmont).

The bill turns over the decision of future turnpike routes, now resting with the governor, to a turnpike committee made up of three senators, three members of the House and one member appointed by the governor.

The bill further provides that after the project is approved by the legislative committee, responsibility for issuing turnpike bonds shall rest with the commission.

Olenick protested the hasty call of the meeting to report the bill out to the Senate floor. Said he: "I believe it is unethical to vote the bill out in this manner."

Fess earlier had said he would vote against recommending the bill for passage. He explained yesterday his favorable vote was "in the spirit of cooperation."

Tyrrell, who had said earlier he would vote to recommend the bill out of committee, said he didn't want his "no" vote interpreted as an endorsement of the turnpike commission's operations.

GIs In Germany Given Warning

MUNICH, Germany (AP) — Gen. Anthony C. McAuliffe has warned American servicemen in Germany that their living conditions would become "more austere" after West German sovereignty.

The U.S. Army's European commander said that there would be many cuts in services for Army families when Allied forces switch from occupation status to being "guests of the German federal republic."

Ohio Senate OKs Land Annex Bill

COLUMBUS (AP)—The Ohio Senate yesterday approved, 28-0, and sent to the House a bill which would leave the transfer of school district territory in connection with a municipal annexation of land in the hands of the new state board of education.

The board's decision whether to leave an old school district intact or to transfer part of it to the municipality would be final.

Girl Pencils Suicide Message In Sand

RIPLEY (AP)—A 14-year-old girl pencilled her message of love in the sand and then shot herself to death yesterday along the banks of the Ohio River.

Authorities said Carolyn Riddle, an eighth grade pupil, wrote:

"Can't live without you. Jerry, I love you so, I can't live."

Company M Is Given Praise For Mobilization at 'Alert' Here

Nine Out of 10 Men Respond To Emergency Call

Thursday evening was "it" for the men of Company M, along with members of other National Guard units from coast to coast.

The national alert was announced early this month, but the date and time were kept secret until the last moment. The alert was finally flashed through police and sheriffs' radios and over commercial networks at 6:30 P. M. Thursday.

Termed a "big success" by Capt. Homer Davis, commander of Company M, the surprise call brought out nearly nine men out of every ten signed up with the unit.

First man to reach the Armory here was Capt. Davis. He was in his car near here when the alert was flashed and was flagged down by Cpl. Bruce Fry of the Wilmington Highway Patrol barracks.

Next to reach the Armory was Lt. Charles Wimer, who was bound for a training school in carburetor repair. He had just left home when he heard the alarm on his car radio.

By 6:36, Sheriff Orland Hays had arranged to have the "riot call" sounded on the Court House bell. From then on, men poured into the Armory.

The final count revealed an 87 percent turnout, as compared with a nationwide average of about 80 percent.

* * *

SPECIFIC ASSIGNMENTS for each unit was left to company commanders. Capt. Davis assigned men to prepare their combat packs and bedrolls, so they would be prepared to move wherever the imaginary "enemy" might threaten water supplies, power distributing lines and the like.

The unit stood by awaiting any emergency call until 11:15 P. M. The packs and bedrolls were left set up, since the guardsmen will need them in three forthcoming maneuvers.

The first of the three will be a field training problem to be carried out in the county on the weekend of June 18 to 19. On July 9 and 10, the men will take part in a range firing program at Camp Sherman in Chillicothe, and from August 15-30, they will attend the summer field trip at Camp Breckenridge, Ky. They'll need their packs and rolls for all three operations.

* * *

AMONG THE men who rushed to the Armory when they heard the call were some who had to drive from points as far as Dayton and Springfield, Capt. Davis said. Others came from South Charleston,

(Please Turn to Page Two)

WHIPPING THEIR COMBAT PACKS TOGETHER are eight of the men of Company M called out by Wednesday night's practice alert (top photo.) Drivers of the company's jeeps and trucks fill out trip tickets (bottom photo) so they will be able to carry out their assignments at a moments notice. Their jobs are to carry the units troops to any point that might be threatened by the imaginary "enemy". Like the troops, the vehicles stood ready to go from the time the alert was first sounded at 6:30 P. M. until the "all-clear" at 11:15. (Record-Herald photos)

Nationwide Guard Alert Given 'Excellent' Label

By The Associated Press

Ohio National Guardsmen took their posts in a hurry last night in a practice mobilization, part of the first nationwide Guard alert in history.

More than 10,000 of the state's homes, jobs and recreation to join the ranks in armories and airfields. The turnout was termed "excellent" by state officials.

First call in the surprise alert went out at 6:30 p.m. via the state highway patrol communications network and radio and television stations.

Unit commanders in turn started pre - arranged operation plans, gathering their units' strength and launching scheduled exercises.

Maj. Gen. Leo M. Kreber, state adjutant general, said there were "a few minor hitches, as was to be expected the first time an alert of this nature is attempted."

A headquarters spokesman said these difficulties were mainly inability at first to reach a few unit commanders. Date and time for the alert had been kept secret.

Alert exercises were left to the discretion of unit commanders, who in some cities sent their men out to guard newspapers, broadcasting stations, power plants, water supply units and other strategic areas.

The Pentagon announced early this month there would be an alert, but details of day and time were kept secret until yesterday morning when adjutants general of states and territories were notified.

Gen. Kreber said Ohio's mobilization was carried out with mal activities in the state. The alert was ended after three hours.

Gov. Frank J. Lausche visited Fort Hayes in Columbus during the alert and inspected units there.

Guard headquarters reported 34 jets with crews aboard ready to go aloft within an hour after the alert.

Today, the Guard's new role in this era of possible atomic war, a minute-man's defense of the homeland, drew praise from defense planners.

Guardsmen in more than 2,000 communities from Florida to Alaska sprang to arms or took to the air in response to the surprise alert flashed from the Pentagon.

Maj. Gen. Edgar C. Erickson, chief of the National Guard Bureau, said preliminary reports gave "conclusive proof" that the Army and Air Guard can be assembled by the state governors in a "rapid and efficient manner for service in any state or national emergency."

It may be days before reports are in from the 5,600 guard units listed to take part in the big test. But the National Guard Bureau estimated early this morning that 280,000 men were at their battle stations or assembly points within two hours of the zero hour which was known in advance to only a few officers.

This turnout represented 8 out of every 10 citizen soldiers who were on the "alarm" lists prepared by the state guard organizations for this first continent-wide mobilization test in peacetime history. Officials stressed that it was a test only, with no cause for alarm.

Some 50,000 of the Guard's current total strength of about 400,000 men were excluded from the alert because their units are undergoing reorganization.

There were some interesting sidelights to the surprise alert.

In Salt Lake City, Roland R. Wright knew he had to hurry to the air field when the alert sounded.

He's a lieutenant colonel in the Air National Guard and Commanding officer of the 191st Fighter-bomber squadron.

But when the practice alarm

Death Ends Belated College Entrance

DELAWARE (AP)—A woman who waited 15 years before she could go to college has died here of cancer, ending her academic life in the freshman year.

Funeral services are planned today for Miss Kyio Ito, 33-year-old New Yorker who started last fall as a freshman at Ohio Wesleyan University.

Financial problems and her ailing father prevented her going to college after graduation in 1939 from high school in New York City.

Abandonment Of Off-Shore Isles Hinted

Special Mission Sent To Talk With Chiang; British Influence Seen

WASHINGTON (AP) — The United States was reported today to have sent a hurry-up mission to Formosa to test Nationalist sentiment for drawing a cease-fire line down the middle of the embattled Formosa Strait.

The cease-fire line brought speculation that this would mean abandonment by the U. S. of intentions to defend the off-mainland islands of Quemoy and Matsu. The Eisenhower administration never has specifically stated what it plans to do in regard to these two tiny islands in case the Chinese Reds start invasions there.

A major factor credited in top congressional circles with influencing the mission was a reported stepup in Russia's deliveries of late type jet planes to Red China.

Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, and Asst. Secretary of State Walter S. Robertson left yesterday on a 10-day trip to the Nationalist Chinese capital of Taipei. Their plane took off within two hours of the announcement they would go. A scheduled Radford visit to Europe was called off.

* *

IT WAS UNDERSTOOD intelligence reports indicate the Soviets recently have increased shipments of jets to the Chinese Reds. Some of these were said to be of the latest types comparable to the best U. S. planes.

It is the understanding in Congress that none of these planes yet has shown up at a series of air bases being rushed to completion by the Communist along the coast opposite Formosa and near Quemoy and Matsu.

"No crisis is involved," Secretary of State Dulles said as he left for a weekend vacation.

He said the Radford-Robertson trip to see Nationalist leader Chiang Kai-shek involved "normal maintenance of contact in a situation that is admittedly serious."

Assignment of Robertson and Radford to the Formosa mission was considered to be significant. It gave rise immediately to speculation that the United States had a bitter pill it wanted Chiang to swallow.

Both Robertson and Radford are tough-minded anti-Communist bat-

(Please turn to page two)

Pair Nabbed In Lima For Bank Holdup

LIMA (AP)—The Federal Bureau of Investigation today announced the arrest here of a man and woman in connection with the $2,100 robbery of the Bendena, Kan., State Bank yesterday.

W. G. Simon, special agent, identified the couple as Herbert C. Griffith, 25, who was discharged from the Air Force at Lincoln, Neb., Monday, and Mrs. Alice Evelyn Green, 23, of Lincoln.

The FBI said an undetermined amount of money was found in Mrs. Green's possession when the couple was picked up today.

Simon said Mrs. Green formerly was employed by a finance company in Lincoln. Griffith was identified as a native of Vaughnsville, Ohio, who claims residence at Fredericktown, Ohio.

Simon said complaints charging Griffith and Mrs. Green with the robbery were filed late yesterday before the U. S. commissioner in Kansas City, Kas.

Bond of $10,000 each has been recommended by the U. S. attorney in Topeka, he added.

The Bendena bank was robbed by an unmasked man who carried a sawed-off shotgun. The bandit escaped in a motorcar.

Nelsonville TB Hospital Gets OK

COLUMBUS (AP)—The House, by a vote of 109-2, today passed and sent to the Senate a bill providing for operation of a new tuberculosis hospital near Nelsonville.

The action followed defeat of a proposal to limit use of the hospital to treatment of recalcitrant patients.

PTAs Boost Little League

Fund-Raising Effort Joined By Council

Members of the city PTA Council offered a boost to the Little League here when they voted at a special meeting Wednesday evening to take over the sale of 500 sustaining memberships.

Present at the meeting were the heads of the Parent-Teacher Associations at four of the city schools Rose Avenue, Eastside, Sunnyside and Central.

Mrs. Warner Penrod, Council president, called the meeting to allow Walter Patton to explain the financing plans for the new League. Patton is chairman of the League finance committee.

Patton explained that the cost of uniforms and equipment for each team will be borne by the sponsors, the Sunshine Laundry, the Coca-Cola Bottling Co., Med-O-Pure Dairy and the Record-Herald. But there are a number of other expenses, including preparing the field and erecting a fence and backstop, which sponsors are not asked to meet.

To pay for these other necessities, the League commissioners are going to sell sustaining memberships at $1 each. For this dollar, Patton said, the purchaser of the membership ticket can feel that he has made a personal contribution to the kids of the community.

* * *

"THE COUNCIL was very enthusiastic," Mrs. Penrod said later. "We voted to take responsibi..y for 500 tickets."

The PTA of each school will be asked to sell 100 of the tickets The children in grades three through six will be given soliciting letters to take home to their parents.

The mothers and fathers of children in those age groups should be most willing to support the Little League program, Mrs. Penrod explained, since the League is open to boys between eight and 12 years old.

Other sustaining memberships are to be sold by members of the Rotary Club, which is acting as a sort of overseer and sponsor of the whole Little League program until it has weathered the initial storms.

Adventist Church Plans For Big Day

April 23 will be "One Hundred Million Dollar Day" at the Broadway Seventh Day Adventist Church, Mrs. Delle C. Ford, the Sabbath school superintendent, announced.

On that day offerings from Sunday School members throughout the world will probably total $100,000,000 since children and adults began giving in this division of the Adventist Church in 1886.

She said that all of this sum has been used through the years for foreign missions. Last year the members of 19,262 Sabbath Schools gave nearly $6,000,000. The $98,000,000 mark was reached Dec. 17, 1954.

"This offering," said Mrs. Ford, "will help meet the needs of the 24,374 foreign missionaries and workers who minister to the needs in countries outside North America."

RAINFALL HEAVY

GREENFIELD—Tuesday's rainfall here was nearly one inch.

Mainly About People

Mrs. Daisy Jones was taken from the home of Mr. and Mrs. William Malone, 910 Lakeview Avenue, to Memorial Hospital, Wednesday evening in the Kirkpatrick ambulance. She is a patient for observation and treatment.

After undergoing surgery in Memorial Hospital, Harlen Gordon, was returned to his home, Route 1, Jeffersonville, Wednesday afternoon.

Toni Lynn Ward, daughter of Mr. and Mrs. Dale Ward, 436 Broadway, was admitted to Memorial Hospital, Wednesday evening. She is being treated for a brain concussion suffered in a fall from her bicycle.

Gerald Paul, a medical patient in Memorial Hospital, was released to his home, 754 High Street, Wednesday afternoon.

Mrs. Clifford Warner, 402 Mace Street, was admitted to Memorial Hospital, Wednesday evening as a patient for observation and treatment.

Mrs. Theodore Wilson, 531 Third Street, was released from Memorial Hospital, Wednesday afternoon. She is recovering following surgery.

Mrs. Gilbert Hooks was returned from Memorial Hospital to her home, 746 Washington Avenue, Thursday afternoon in the Kirkpatrick ambulance. She had been a surgical patient.

Mrs. Arthur W. Haines, the former Beverly Coil, daughter of Mr and Mrs. Darrell Coil of Jeffersonville, a student at Guilford College, in North Carolina, has been elected day student president, treasurer of Student Christian Association and member of Women's Student Government Council. She is a second semester junior and just returned to her classes after a nine day concert tour with the Guilford College, a cappella Choir, through North and South Carolina, Georgia, Florida and Alabama.

Blessed Events

Mr. and Mrs. William Graham, 736 East Temple Street, are the parents of an eight pound, ten and three fourths ounce son, born Wednesday at 11:21 P. M., in Memorial Hospital.

Grange Drill Team

(Continued from Page One)

said of the Good Hope team, and he expressed confidence that it would give a good account of itself in the state contest even if it should lose out.

* * *

HE ESTIMATED that more than 50 Grangers from Fayette County were at Yellow Springs Wednesday night to cheer on their representative in the drill competition. There also were a number of Grangers from nearby communities there to add their support.

Judges who placed the Fayette County team first in the district were Deputy and Mrs. Howard Wilson of Greene County and Deputy and Mrs. W. F. Archer of Mercer County.

Illustrating the thoroughness of the preparation and training of the Good Hope team, Perrill pointed out that Loren C. Johnson, the master, substituted on short notice for Mrs. John W. Burr, who had undergone an operation, and that Mrs. Perrill had taken over as the pianist after the regular accompanist, Mrs. Loren C. Johnson, underwent surgery.

Other members of the Good Hope team were John W. Burr, Mr. and Mrs. Neil Rowland, Mr. and Mrs. Glen Whittington, Ronald Johnson, Eddie Braden, Tommy Souther, Harlan Baird, David Overly, Laura Lou Hoppes, Mr. and Mrs. Charles Cox and Mr. and Mrs. Dale Eakins.

The coaches, to whom much of the credit for the team's successes is given, are Mr. and Mrs. Jack Hoppes.

The men of the team wore white shirts and dark blue trousers and the women white blouses and dark blue skirts. All wear the gold sash of the Grange colors.

Experts who once believed that heredity was important in the development of excess weight in human beings have, in many cases, now concluded that heredity is not an important factor.

Final Tribute Paid William Robison

Final services were held for William Robison Wednesday afternoon at the First Christian Church.

Rev. Don McMillin offered prayer, delivered a sermon, paid personal tribute to Mr. Robison, read his obituary and closed with a prayer. Mrs. Marjorie Belles sang "The Old Rugged Cross," and "Brighten The Corner Where You Are." Mrs. Calvin Johnson was at the organ.

The many beautiful flowers were handled by the four flower girls and the pallbearers, Lawrence Belles, D. F. Strong, Ursa Thornhill, Edward J. Johnson, Calvin Johnson and Leo Cox. Burial was in the family lot in Washington C. H. Cemetery.

Company M Alert

(Continued from Page One)

Sabina, Greenfield, Mt. Sterling, Bloomingburg and Jeffersonville.

Probably the best speed record was set by Lt. Louis Poole, who roared into the city from Sabina in time to appear at the Armory in full uniform by 6:55. That gave him just 25 minutes to don his uniform and drive the 11 miles of highway from Sabina to Washington C. H.

"Guardsmen aren't bound by the speed laws when they're on an emergency call," commented Capt Davis. "And if a state patrolman had stopped Lt. Poole on the way here, he'd have offered to escort him into town. That's the kind of co-operation we got from everybody—highway patrol, sheriff, police and all" he added.

Commendation for the speed and size of Company M's turnout came from the unit's battalion commander, Col. F. B. Folk of Columbus.

"He told us that we had done one of the best jobs in the battalion," Capt Davis said. "The men certainly did do themselves proud."

Case Continued Until Later Date

Disbarment Hearing Resumes May 9

After hearing the testimony of one witness for the prosecution, the three-judge court hearing disbarment charges against Harvey Crow adjourned until May 9.

The hearing, in the Champaign County common pleas court, had been under way since Monday.

Reason for continuing the case was due to the fact that the judges had received assignment which it was expected would be completed in two days, and all have cases assigned which require their attention in their home courts.

In the meantime, the judges are clearing their dockets for the entire week beginning May 9. Judge John P. Case of Fayette County, Judge Charles R. Kirk of Clinton County, and Judge Paul P. Dulls of Mercer County, are the three assigned to hear the case.

In the meantime no action has been taken by the Court of Appeals on a petition filed by Crow asking that the hearing now under way be enjoined on grounds of lack of jurisdiction.

The three judges authorized the complaints committee to represent them in the court of appeals.

Four of the original 11 specifications against Crow were dismissed upon application of Crow.

Formosa Strait

(Continued from Page One)

tlers. They also are friendly with Chiang. Any proposition they might present would get a more significant hearing from Chiang than if it came from some others.

The Robertson-Radford mission appeared to diplomats as an inherent concession to British calls for a less rigid U. S. policy toward Formosa, although the British were reportedly not notified of its precise purposes.

* * *

THE BRITISH are understood to be reluctantly ready to join with the United States in a guarantee that Formosa will be protected against any Communist attempt to take it by force. However, the British are said to want in return evacuation of the coastal islands of Quemoy and Matsu by Chiang's forces and an agreement to let the U. N. decide the future of Formosa.

With tension over the coastal islands thus eased and the U. N. studying Formosa's fate, the Chinese Reds would thus be faced with a cease-fire line between Formosa and the mainland.

The British obviously will move slowly in any proposed joint action until after May 26. That is the date of the British election.

April A Month of Exhilarating Promise

Most of us enjoy the month of April. Of course, it has its ups and downs but the promise of this month is alluring to most people.

Any one in this community who travels about this city or along country roads right now cannot help some feeling of exhil ration as the evidence is seen that the plant world is showing us an accurate index of the advance of spring.

Have you noticed the hyacinths blooming on window sills; there are the pussy-willows brought in from creek banks to give us a floral shot in the arm as winter backs off

Outdoors, in tempestuous early weeks of the new season it was not at all unusual to see jonquils and daffodils leaning against a quickie storm, or early tulips thrusting upward. These are the indestructibles.

As the sun gets a more head-on shot at the yards and gardens, the blooms and greenery react like robots to seasonal stimuli. The grass takes on color and the willows send out pale vegetation.

Although they are probably behaving according to the book, the fruit trees seem sometimes after an unusual warm spell to get their signals mixed and break out in a rash of blossoms just in time to meet a killing freeze head-on. The deep south has good reason to realize it this spring. Our trees up here have so far managed to clear this hurdle.

Warmer rains are bringing along the wild flowers — the violets, sheep's-noses, bleedng-hearts and such—and the lilies-of-the-valleys. Mushroom hunters are starting out to scour the back acres.

Along the residential streets here the maples and elms, the oaks and ash, the poplars and tulip trees are beginning to show some green stuff.

Who could want any more of a satisfactory place to live than in Fayette County right now?

Roller Coaster Still Popular

By Hal Boyle

NEW YORK (AP)—So far the Russians haven't claimed they invented the roller coaster.

If they ever do, they're going to have to fight Joe McKee, who at 67 is the acknowledged dean of the roller coaster industry.

"The first roller coaster in history was built in Pittsburgh in 1904," Joe recalled. "And I got started in the business as a carpenter the following year."

In 51 years some 600 roller coasters have been built throughout the world. Joe figures he has had a hand in designing or building about 300 himself—more than any other man.

"Only 18 men, all carpenters, have ever had anything to do with designing roller coasters," Joe said, "and there are only four now left alive. I'm the oldest.

"The roller coaster grew out of the old scenic railway. We had nothing to go by, so we operated by rule of thumb.

"The four of us have kept a few things about the business to ourselves. The Lord knows we struggled hard enough learning them. There never has been a graduate engineer connected with the roller coaster field."

McKee, now general superintendent of the Palisades N. J. amusement park, estimates he has ridden some 5,000 miles on roller coasters.

"The roller coaster has been my whole life," said Joe, who has shrewd twinklin g eyes beneath a thatch of thick white hair. "I even met my wife Maggie on a roller coaster. That was back in 1909, in Cincinnati."

The older roller coasters were built on a simple figure eight pattern and cost only about $30,000. Because of the rising value of land the newer coasters now loop about like a pretzel. They average about a half mile in length and cost from $100,000 up. The cars on some coasters reach a peak speed of 56 miles an hour.

McKee, who often acts as a consultant on thrill rides, gets a bit steamed up whenever the safety of roller coasters is questioned.

"If you just sit down in the seat and stay there," he said, "you're far safer than if you were in an automobile. You can't get off the track, and you can't get hit from behind by another driver."

There are two roller coasters at the park McKee supervises—one regular size, the other a smaller one for kiddies. To Joes great sorrow more and more teen-age boys and their girl friends are showing a preference for riding on the kiddie coaster.

"I can't understand why this younger generation growing up now," sighed Joe. "Why in my day no young fellow would think of taking his best girl on a kiddie ride. He'd be looking for more thrills. I guess after 50 years in this business I still haven't learned what people want."

The old tunnel of love boat trips have died out in most amusement parks and been replaced by faster rides geared to the tempo of an age that dreams of rocket and space travel.

But McKee sees no immediate demise for the roller coaster, although fewer are now being built each decade.

"As long as there are amusement parks," he said stoutly "the roller coaster will last. You can't have a park without a merry-go-round and a roller coaster."

Spring Fever Hits Democrats

By George Sokolsky

Republicans believe that President Eisenhower's popularity is greater than ever. They have various polls to establish their claim. The group immediately about the President holds that no other Republican can be elected in 1956—an untenable propaganda because it is unprovable at this point. However, it is accepted that if the President wants the Republican nomination, he will receive if by acclamation.

Now it is different. The Demothe Eisenhower administration, the Democrats acted like a defeated party, which they were not quite in Congress. It was during that period that a Republic an wag said: "I have a bi-partisan President, a bi-partisan Secretary of State, a bi-partisan foreign policy — I think I'll go be bi-partisan and make the most of it."

Now it is different. The Democrats are developing into an opposition party. It must be said that there are important Democrats who prefer Eisenhower's brand of bi-partisanship to Wayne Morse's brand of Democracy. Nevertheless, the Democratic party is making ready for the 1956 campaign.

This has its peculiarities on the Republican side, too. For instance, Senator William Langer of North Dakota is a nominal Republican. Possibly he is actually a man without a party. Senator Robert A. Taft used, somehow, to get along with Langer, although the Eisenhower general staff has managed to alienate him.

Langer is using the Corsi affair to embarrass the Republican party, as well he might do and has done before. This comes at a time when the Democrats are planning to run the ghost of Franklin D Roosevelt for Presidnet as the Republicans ran the ghost of Abraham Lincoln until Mark Hanna projected William McKinley and the gold standard, the full dinner pail and similar accessories

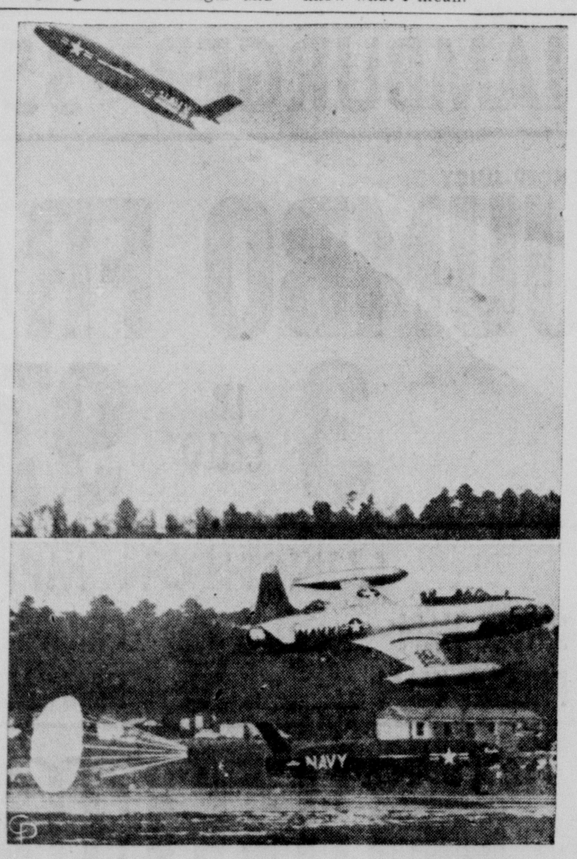
Whether another election can be won by the name, Roosevelt, is to be seen in 1956. But what this Democratic revival of the ancient maestro means is that the Republicans will be forced to publish all the documents they can find in the files to prove that Roosevelt was not what his adulators believe him to be. One difficulty the Republicans face is that some of them hopped on the Roosevelt bandwagon or were there by accident of occupation and they would not like, politically, to hide behind the Fifth Amendment. It is a very awkward situation.

Here in New York, Governor Averell Harriman is running for President. He is not running against Adlai Stevenson which would, at this stage, be very bad manners. He is running for the Democratic nomination as, if, and when Stevenson decides that running against Eisenhower is a dangerous risk, not too readily to be taken by one who had already suffered the darts and shafts of an ungrateful country. Stevenson won the intellectuals and lost the Presidency. If he decides the effort is not worth while, Harriman will surely make the try, as Carmine Desapio will control the New York delegation and could give that huge number to Harriman as to anyone else.

Harriman is a New Dealer, an adherent to the memory and habits of Franklin D. Roosevelt. As such, he stands wholly unabashed. Desapio has no Roosevelt ties. Both are anti-A. D. A., a fact which gained considerable unexpected respect for Harriman. Desapio grows in strength and power daily because he is a curiosity among tammany leaders in that he avoids becoming involved in cash-box operations. Also he is public spirited. A curious combination of practical politician and second-generation idealist, he has taken over the Democratic party of New York State without a flutter. Desapio will support Harriman for the Presidency, whereas, by his nature, such a man as Governor Frank J. Lausche of Ohio might be preferable to him.

Harriman has taken a strictly partisan stand. He is a Democrat in opposition, and from the platform of the Governorship of New York, he can do much to embarrass Eisenhower, which he will do with the gentility of the carefully reared, but without much mercy. He will aid and abet Adlai Stevenson and, for that matter, Harry Truman, in their fight on by-partisancy.

There is this further to say concerning bi-partisan politics: Those stag dinners of Eisenhower's highlighted the fact that he never asked Harry Truman to break bread with him in the White House. Harry Truman comes from the state that pro duced Jesse James — if you know what I mean.



THE U. S. NAVY'S radio-controlled jet target drone Regulus, or KDU-1, is shown (upper) whooshing into space with aid of twin booster rockets in tests at Chincoteague, Va., and (lower) rolling to a smooth landing with aid of a parachute brake. A TV-2 (two-place trainer) which controls the Regulus flies over it as it lands. Defense photos. (International Soundphotos)

Diet and Health

Sore Throat, Cough Bronchitis Symptoms

By HERMAN N. BUNDESEN

Few of us go through the year without a case of bronchitis. In fact, this is one to the most common diseases of the respiratoy tract.

Usually, acute bronchitis follows a cold. Your windpipe and the large and medium-sized bronchi become inflamed. The bronchi are branches which spread from the windpipe like the branches of a tree and distribute air to your lungs.

Various Irritants

While various irritants, such as sand or household dust, may cause this inflammation, infection is usually to blame. A sore throat and a barking cough generally are the first symptoms. At the beginning, your cough will be painful because there is little expectoration at this stage.

After a day or two, your sputum will become more plentiful and your cough will become much easier. Acute bronchitis is seldom a serious disease, except for the very young or the very old when there is more chance of the smaller tubes becoming blocked with secretions. This could result in bronchopneumonia.

Take to Hour Bed

The best thing to do is to go to bed and keep warm. Keep all the windows in the room closed. Remain in bed at least until two days after your temperature has returned to normal. A steam vaporizer will relieve the feeling of rawness in your chest. Hot saline gargles will help your throat.

Drink plenty of hot fruit drinks, as much as five pints a day. Your doctor probably will advise a cough mixture to relieve your cough. An alkaline expectorant may help you cough up more sputum.

Penicillin Prescription

If your case is severe, your doctor might prescribe penicillin which may be sprayed from an atomizer. Injections of penicillin also might help.

If your child is stricken with bronchitis, keep him isolated from from rest of the family. And wash your hands and face every time you leave the patient. Symptoms usually subside after a week and he'll probably be fully recovered within two weeks.

Chronic bronchitis is something else again, and I may have more to say about that later.

QUESTION AND ANSWER

What can I do for pinworms, and are they dangerous?

Answer: Pinworms are brought into the body probably by water or food. Treatment consists in the use of such drugs as methylene blue or similar substances given by mouth under the direction of a physician.

The fingernails should be cut short, underpants worn at night if there is itching about the opening of the rectum, and the hands washed before eating and after going to the toilet.

Grab Bag

The Answer, Quick

1. To whom is the authorship of the Odyssey generally attributed?
2. Who said, "Rich gifts wax poor when givers prove unkind?"
3. What was the name of the love-sick swain in one of Dickens' novels who used the expression, "sink into the silent tomb"?
4. Who was the author of The Emperor Jones, The Hairy Ape, All God's Children Got Wings?
5. Who, in the Bible, was Rehoboam?

* * *

Your Future

A busy and successful year is likely to lie ahead of your, with profit coming to you from various sources. Today's child may be impetuous and somewhat impatient of restraint. Early discipline will be helpful.

* * *

Watch Your Language

FILLIAL — (FIL-i-al or yal)—adjective; of or relating to a son or daughter; as, filial obedience. Origin: Late Latin—Filialis from Filius, son, Filia, daughter.

* * *

How'd You Make Out

1. Homer.
2. Ophelia in Shakespeare's Hamlet.
3. Mr. Toots, in Dombey and Son.
4. The late Eugene Gladstone O'Neill.
5. The son of Solomon and king of Judah.

Municipal Judge Chides Policemen

CINCINNATI (AP)— Municipal Judge John W. Keefe advises police not to "stick your heads in the sand" over the possible development of organized youth gangs.

His remarks came yesterday after a mother told of being threatened with switch-blade knives by teenage hoodlums. "I note that a police official took issue with me in a recent headline in which it was asserted that there are no organized teenage gangs here," Keefe said. "But I have seen evidence of it here this month."

Dallas Battles Salt In Water

DALLAS, Tex. (AP)—City officials and Army engineers have worked out a plan, they said today, to keep as low as possible the salt content in Dallas' water supply.

The salt reached undesirable proportions this week when the city turned Red River water into its supply after agreeing to supply nearby Garland, Tex., with a half million gallons daily.

City Manager Elgin Crull said Army engineers had agreed to release water from two reservoirs into Lake Dallas to dilute the salty water coming from the river.

Business Now Very Optimistic

Ray Tucker

WASHINGTON — The Pollyanna spirit and atmosphere generated by the Eisenhower Administration's friendly attitude toward private business and industry was highlighted dramatically here a few days ago. F.D.R.'s "economic royalists" have become Ike's "economic captives," and they revel in their changed status.

Dr. Emerson P. Schmidt, veteran director of economic research for the Chamber of Commerce of the United States, predicted a period of enduring and unparalleled prosperity. More significantly, his audience of 250 conservative bankers agreed with him. And so do the economic soothsayers at Treasury, the Federal Reserve Board and Department of Commerce.

"The recession is dead," they said, in effect. "Hail the new prosperity."

* * *

STATISTICS — These experts supply factual statistics to support their prophesies. But Dr. Schmidt's attitude emphasizes that Eisenhower psychology shares an equal role with fundamental economic evidence as a factor in underlying business confidence. Here is why:

The Chamber of Commerce, which occupies a palatial structure across Lafayette Park from the White House, was a hated "citadel of capitalism" to F.D.R., along with the National Association of Manufacturers. The two organizations could see nothing good in Roosevelt or Harry S. Truman.

They condemned New Deal economic and social reforms, sometimes extravagantly, indiscreetly, unthinkably. They denounced especially those features which fell heaviest on business—heavy spending, high taxes, a swollen public debt, an unbalanced budget, excessive foreign aid and the New Dealer's general indifference to prudent housekeeping!

Roosevelt used to say that they yearned for a return to "Mark Hanna-William McKinley days." Truman called them "greedy capitalists" and 'wolves of Wall Street.' Both maintained a magnificent doghouse and long leashes for businessmen and industrialists and bankers.

* * *

IKE'S ATTITUDE—The ironic aspect of Dr. Schmidt's present-day praise is that virtually these same conditions prevail under Eisenhower, with the exception of his more understanding attitude toward and encouragement of private enterprise.

As conservative Republicans growl, Eisenhower has not scrapped a single major New Deal reform — Social Security, the National Labor Relations Board, benefit payments to farmers, expenditures for conservation, foreign aid, federal financing of health, educatiion, highways, etc. In certain respects he has expanded them.

Nor has he improved the national finances to any great extent. Allowing for increased income, people are paying as heavy taxes now as they did before Eisenhower, despite a $7 billion reduction. The public debt has gone up, not down. The budget is far from balanced, and even the need for equalizing income and outgo has been questioned in high places.

* * *

HIGH HOPES —And yet, Dr. Schmidt anticipates that 1955 will turn out to be "the best year in our history." He cites such basic barometers as record highs in automobile production and sales, construction, steel and electric power output, strong consumer demand, purchasing power and savings. He notes that billions will be spent for constructive purposes by the government (federal, state and local) and by private industry.

His long-range outlook is even rosier. He believes that stock market prices in five years will be 100 points higher than they are now. Based on earnings, the market is not too high, in his opinion. He anticipates a work-week of only four days, due to productive efficiency of "auto mation." He argues that "semi-human" machines will create more jobs than they displace.

* * *

CONFIDENCE — Eisenhower alone, of course, is not responsible for Dr. Schmidt's current opinion or for the new role of F. D. R.'s "economic royalists" and Truman's "greedy capitalists." But the President is given credit by these erstwhile Cassandras for breathing new confidence and hope in the creative forces and figures of American finance, business and industry.

Inventor, 76, Dies

DETROIT (AP)—Cameron Beach Waterman, 76, who claimed he invented the outboard motor and founder of the Waterman Marine Motor Co. in Detroit in 1906, died yesterday.

Senate OKs Plan For Use In Emergency

WASHINGTON (AP)—A Senate Judiciary subcommittee has approved a constitutional amendment to permit the House of Representatives to resume functioning quickly in case a sudden attack or disaster wiped out one half or more of its members.

The amendment, inspired by the atomic age, would empower governors to appoint new members if an emergency arose in which one-half or more of the 435 seats were vacant. The appointees would serve until special elections.

At present governors can name senators to fill vacancies, but there is no provision in the constitution for appointment of House members in cases of death, retirement or resignation.

The amendment, sponsored by Sen. Kefauver (D-Tenn), the subcommittee chairman, now goes to the full judiciary committee.

A similar proposal, sponsored by Sen. Knowland (R - Calif), was passed by the Senate overwhelmingly last year, but the House did not act. Knowland's amendment would have given the appointive power to governors in the event one-third of the House seats, 145, or more, suddenly became vacant.

VFW Auxiliary Elects Officers At Meeting

Election of officers highlighted the regular meeting of the VFW Auxiliary held Wednesday evening in Memorial Hall.

The president, Mrs. Ed Hidy, presided over a short business session, which was opened with prayer by Mrs. Leo Cox.

Officers chosen were Mrs. Ed Hidy, president; Mrs. Charles Osborne, senior vice president; Mrs. Walter Wilson, junior vice president; Mrs. Allen Sells, treasurer; chaplain, Mrs. Leo Cox; Miss Barbara Sells, conductress; Mrs. Jack Orr, guard; Mrs. Jess Whitmer, Mrs. Raymond Bishop, trustees, and Mrs. Richard Steen, historian.

The meeting was closed according to the ritual.

* * *

Mrs. Spengler Is Hostess To Garden Club

Members of the Posy Garden Club assembled at the home of Mrs. O. E. Spengler, Wednesday afternoon for the April meeting.

Mrs. Bess Seaman, president, presided over the business meeting and opened with a poem entitled "Violets."

A report of the Buckeye Garden Club open meeting was given by members who attended and final plans to meet Thursday evening at the home of Mrs. Seaman to complete entries for the Spring Flower Show on Friday.

A contribution on the subject "Annuals" was in charge of Mrs. Walter Butcher.

Mrs. Butcher explained what she liked most about annuals, was the economical standpoint and named sweet peas, gillardi, among others.

Mrs. Ralph Hays read an article "Discovery In A Seed Store," and roll call was responded to by sixteen members who named a favorite spring bulb.

The next meeting was planned and will be held at the home of Mrs. Arthur Schlichter.

During the social hour, Mrs. Spengler served a tempting dessert course.

Mrs. Harvey Andrews was included as a guest.

* * *

Church Society Meets With Mrs. Fichthorn

The April meeting of the Missionary Society of McNair Memorial Presbyterian Church was held at the home of Mrs. Harry Fichthorn, Wednesday evening.

Mrs. Clifford Foster, president, opened the meeting with devotions reading the 91st Psalm, a meditation period and closed with prayer.

The usual reports were followed with roll call which was responded to by ten members and reports from the Spring Presbyterial were given by Mrs. Foster and Mrs. Todd Ward, which were most interesting.

Final plans were also made for May 18 meeting at the church, which will be an open meeting with Mrs. Ormond Dewey, president of the Columbus Presbyterial, as a special guest, and committees were appointed to be in charge of this meeting.

The program consisted of the final study in the four chapters of Hebrews, which was in charge of Mrs. Hazel Hidy and Mrs. Florence Peters, which was followed with a lengthy discussion.

During the social hour, Mrs. Fichthorn was assisted by her mother, Mrs. E. O. Ferneau, in the serving of a salad and sandwich course.

Kensington Club Meets With Mrs. E. C. Kelly

Mrs. Emmett Kelly entertained members of the Bloomingburg Kensington Club, Wednesday afternoon at her home in Bloomingburg, and her assisting hostess was Mrs. John T. Dick of New Holland.

The home was beautifully decorated throughout with potted plants and flowers from the gardens of the hostesses.

In the absence of the president, Mrs. W. P. Noble, Mrs. Don Thornton conducted the brief business session, which included the regular reports and discussions on coming events.

The remainder of the afternoon was spent in congenial visiting over needlework and later the hostesses served delicious seasonal refreshments.

Members present were Mrs. Clarence D. Creath, Mrs. Raymond Scott, Miss Catherine Gossard, Mrs. John Groff, Mrs. Zoe Garringer, Mrs. Frank Andrews, Mrs. Ogan Riley, Miss Olive Swope, Mrs. Vere C. Foster, Mrs. Thane McCoy, Mrs. Dale Wilson, Mrs. Homer Mrs. Fred Oswald and Mrs. Don Thornton.

Out-of-town guests were Mrs. Harvey Morrison and Mrs. Wendell Morrison of Clarksburg.

Sprinkle sliced fresh pears with lemon juice and arrange them with alternate layers of sliced oranges in a pretty glass bowl. Sprinkle each layer lightly with sugar. Top with moist shredded coconut. It's a delicious dessert patterned after the famous Southern concoction called Ambrosia.

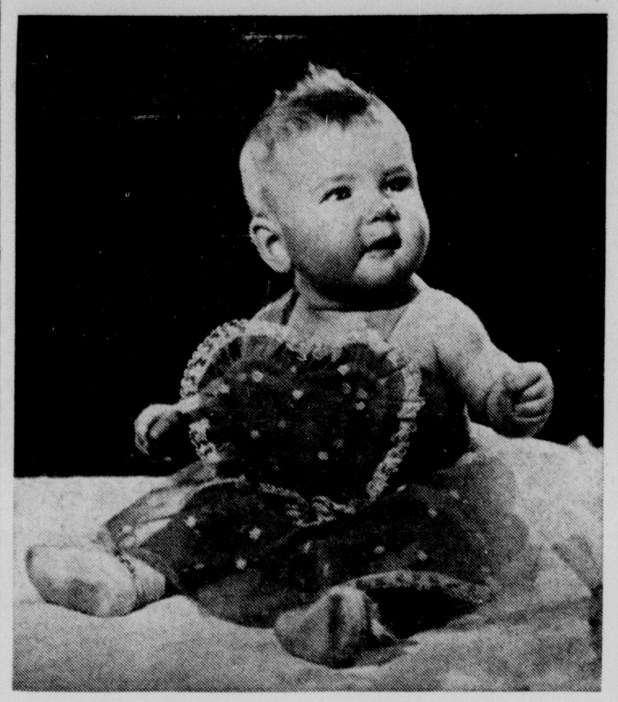
Truman Enjoys Trip To Capital

INDEPENDENCE, Mo. (AP)—Former President Truman was back at home today after appearing before a Senate Foreign Relations subcommittee considering possible revisions in the U. N. charter.

Truman said he enjoyed the trip to Washington because "it gave me a chance to do a little exploding."

He said he thought he made history "in being the first president to allow himself to be questioned by a legislative committee."

Little Girl Is Six Months Old



Melanie Anne Smith

This adorable little girl is Melanie Anne Smith, daughter of Mr. and Mrs. Marion W. Smith, (nee Martha Straley) of Tempe, Arizona.

She was six months old March 6, and she is the only grandchild of Mr. and Mrs. Warner M. Straley of near Jeffersonville and Mr. and Mrs. Carl Smith of Spring Valley.

Personals

Mrs. John F. Otis and daughter Victoria, of Evanston, Illinois, are guests for a few days visit of Mrs. Otis' father, Mr. William M. Campbell. They will return home Sunday.

* * *

Mr. and Mrs. Richard Dolphin are spending a few days in New York City as guests of the Electrolux Corporation, at the Waldorf Astoria Hotel. Their sons, Kenneth and Robert, are at the home of Mr. and Mrs. Fred Slavens, during their absence.

Associates of Craig Brothers Are Entertained

Forty associates of Craig Brothers Store were indebted to the store management for the annual spring dinner party, entertained at the Washington Country Club, Wednesday evening.

Potted plants were used at intervals to decorate the tables for the serving of a delicious fried chicken dinner and following a delightful dinner hour, new associates were initiated which provided a period of amusement galore.

Colored pictures of previous store parties were shown by Mrs. Howard Graham.

Mr. Robert Craig acted as toastmaster and other members of the "Store Family," assisted in the various arrangements.

This party is a prelude to the 81st anniversary of the store and is a happy annual event, which is sponsored by the store management.

Fill individual sponge-cake shells from the bakery with drained canned apricots; top with a fluff of whipped cream and garnish each dessert with a whole sweet strawberry. Nice for company, and quick, too.

Sorority Holds Social Meeting Honoring Pledge

A social meeting of Alpha Theta Chapter of Epsilon, Sigma Alpha Sorority honored a pledge, Mrs. John Craig, at the home of Mrs. Howard Burnett, Jr.

A "Mad Hatters" theme was carried out during the evening following a brief business session conducted by Mrs. Dwight Martin, president, during which it was decided to include the state president and corresponding secretary, at the annual Mother-Daughter banquet scheduled for May.

At the close of the meeting, members modeled original hats which were judged by Mrs. Howard Burnett, Jr., and Mrs. Dwight Martin and the awards went to Mrs. Tom Murray and Mrs. Frank Junk.

Later a round of games were enjoyed and awards in these were presented to Mrs. Tom Murray, and Mrs. Charles Gibeaut.

Light refreshments were served at the close of the games by Mrs. Burnett and her co-hostess, Mrs. Dwight Martin.

* * *

Mrs. Pieratt Is Honored At Bridge Party

Mrs. James T. Perrill entertained at a small afternoon bridge party at her home on the Devalon Road, and the occasion honored Mrs. Paul Pieratt of Winter Park, Florida.

The guests all close friends of the honor guest, enjoyed the progressive game during the afternoon and at the close of play, awards were presented to Mrs. David Ogan, who was the holder of high score and Mrs. Gene Mark, who received second.

Later arrangements of spring flowers centered the small tables for the serving of a tempting dessert course.

In addition to Mrs. Pieratt, those included were Mrs. David Ogan, Mrs. Gene Mark, Mrs. John Sagar, Mrs. Lawrence Dumford, Mrs. Gene Sagar, Mrs. Robert C. Willis, Mrs. William Campbell and Mrs. Richard Willis, Jr.

Mrs. Hankins Is Hostess To Church Society

The regular April meeting of the Woman's Auxiliary of St. Andrew's Episcopal Church, was held at the spacious home of Mrs. Harford H. Hankins, Sr., with forty members present; Wednesday evening.

Mrs. Felix Halliday, president, presided over the business session which opened with impressive devotions led by Miss Lois Robinson which included Scripture from John and led the group in the reading of a Litany of the Disciples way.

Plans were made for a coffee hour following the worship service, for the new church.

The president named as the calling committee for the month of April and May, Mrs. John P. Case, Mrs. Otis B. Core, Mrs. Mary Jane Coffman and Mrs. Robert Brubaker.

Election of officers was held and resulted in the following members being chosen to serve for the coming year, Mrs. Richard Willis Sr., president; Mrs. Frank Baker, vice president; Mrs. George Trimmer, secretary and Mrs. Winston Hill, treasurer.

It was decided that these officers are to attend the annual dioscesan meeting at St. Stephen's Episcopal Church, in Columbus, May 17 and 18.

Mrs. Halliday presented Rev. Sanford Lindsey, as the guest speaker on the subject "Discipleship of the church."

The meeting was adjourned and during the social hour Mrs. Hankins was assisted by Mrs. Weldon Kaufman, Mrs. Charles McLean, Miss Dorothy Anne Jones, and Mrs. Roger Hoffman in the serving of a tempting dessert course.

* * *

WSCS Circle Includes Guests At Meeting

Members of WSCS Circle 9 had as guests eight members of Circle 6 for a luncheon meeting on Wednesday in Fellowship Hall at Grace Methodist Church, which was combined with the final meeting of the calendar year.

Long tables, decorated with arrangements of spring flowers seated the members and guests for a most pleasant luncheon hour.

The afternoon meeting was presided over by the leader, Mrs. John F. Dial, who announced that the quota of the circle had been met.

Impressive devotions were led by Mrs. Ellis Bishop, who included Scripture reading, a poem, and closed with prayer.

The lovely musical program was in charge of Mrs. Jess Feagans, and was preceded with a religious film shown by Mrs. Ethel Caldwell, religious director of the church.

Mrs. Feagans also presented the Girls Ensemble of Washington C. H. High School who sang two numbers, "I Heard A Forest Praying," and "Silver and Gold," under the direction of Mr. James Lochary, music director of the high school, who also sang beautifully "The Holy City."

Mrs. Jerry Dray was next presented in two vocal selections, "In The Garden," and "An Easter Hymn," Miss Sally Reiff was the accompanist for each of the vocal selections.

Rev. and Mrs. Clinton W. Swengel closed the program, with the singing of a hymn with Rev. Swengel accompanying.

Hostesses for the meeting were Mrs. Earl Barnett, Mrs. Willis McCoy, Mrs. Wash Lough, Mrs. John Leland and Mrs. Mark Girton.

Guests included were Mrs. Walter McCoy, Rev. and Mrs. Clinton W. Swengel, Mrs. Ethel Caldwell and Mrs. Ray Griffith.

May Breakfast Plans Nearing Completion

Members of the Fayette County Professional Nurses Association will assemble at the home of Mrs. O. M. Montgomery, Thursday evening and they will be busily engaged in making favors for the annual May Breakfast, which is being planned for Saturday, April 30, in the American Legion Hall, with serving to begin at 6 A. M. and continue until 10 A. M.

The co-chairman, Mrs. Marvin H. Roszmann and Mrs. Donald Swaim report that splendid progress is being made in the plans, with last minute details, such as the making of the favors, and as usual contributions are coming in from business firms.

The serving of the breakfast will be prompt, as usual and patrons will be assured of a morning meal adequate for the heartiest appetites which will consist of fruit juice with ham and eggs, toast or hot rolls, wheat cakes and sausage with plenty of coffee, tea or milk.

The members of the American Legion Auxiliary will also be on hand again this year to assist in the preparing of the food.

DOUBLE-BREASTED EFFECT gives distinction to a princesse dress of navy crepe from the collection designed by Beni Claire. Tabbed collar and cuffs are of pink and white striped Italian cotton. The dress has its own taffeta petticoat. Mr. John hat.

Mrs. Woodruff Is Hostess To Club Members

Mrs. Elza Woodruff entertained seven members of the Washington Homemakers Demonstration Club at the regular monthly meeting Tuesday evening.

Mrs. T. N. Willis, newly elected president, conducted the business session during which Mrs. Woodruff read the secretary-treasurer's report in the absence of Mrs. Raymond Bishop, who holds that office.

Roll call was responded to by members naming a spring garden flower and Mrs. Carey Daugherty was welcomed as a new member.

Mrs. Howard Bryant retiring president, gave a summary of projects completed during the past year and a vote of thanks was given for the showing of pictures shown by Mrs. Elmer Reed and Mrs. Charles Griffiths on Cancer Research.

New crafts were discussed and May was named as "Idea Month" with each member bringing a completed project to this meeting, May 17.

The remainder of the evening was spent in the etching of aluminum trays and at the close of work many beautiful trays were proudly displayed.

During social hour Mrs. Woodruff served tempting refreshments.

A workshop meeting was planned in the near future when upholstering will be taken up with Mrs. Herschel Hulett as the instructor.

Church Society Meeting Preceded By Dinner

The monthly meeting of the Ladies Aid of First Christian Church was held at the church and was preceded by a covered dish dinner.

Later Mrs. Ottice Stookey, president, called the business session to order and Mrs. Roy Greer led in the devotions using scripture from Corinthians, a poem Spring and closed with prayer.

The usual reports and those from standing committees were heard and sisteen members responded to roll call. Rev. Don McMillin reported on Fellowship Day and announced the Evangelistic services which will be held from April 24 through May 8. With Mr. Porter Wynn as spng leader.

The missionary project for the month will be to purchase films titled "The Life of Christ Visitized" to be used in the church programs.

Seven new members were welcomd into the society and the meeting was adjourned.

Hostesses for the meeting were Mrs. O. L. Allen, Mrs. Maggie Masters, Mrs. Hazel Wright and daughter Georgiabel.

Doctors Urged To Donate Aid

KANSAS CITY (AP) — A family doctors' organization is urging its members to donate their services in giving the first two-shot Salk polo vaccine series.

The executive committee of the American Academy of General Practice adopted a resolution yesterday asking the academy's 20,000 members to charge only for the vaccine itself when it is requested for pre-school children and those in the third grade through eighth grades.

Children in first and second grades will be given vaccine donated by the National Foundation for Infantile Paralysis.

Girl Scouts Elect Officers At Meeting

Nineteen members of Girl Scout Troop 1, met in GAR Hall Tuesday evening with their leader, Mrs. Betty Rhoads in charge of supervision.

The meeting was called to order by the president, Shelby Tubbs, who led the girls in the repeating of the Promise and Laws.

The usual reports were given and election of officers resulted in Nola Addy being chosen as president; Mary Kay Shipley, vice president; Ann Killinder, secretary; Sally Hamilton, treasurer; Carol Row, news reporter; Jean Hamilton, song leader; Barbara Shoop and Oleta Hilliard, games and Mary Seymour, Carol Hyer, Donna Mitchem and Karen Hyer, color guards.

Plans were made to assist in the Cancer Fund Tag Day Sale on Saturday April 23.

The forming of the Friendship circle and prayer closed the meeting and refreshments were served by Barbara Shoop and Oleta Hilliard.

Guests at the meeting were Miss Wilma Lee and Miss Esther Walton who are organizing a new Girl Scout Troop.

"IT'S SO EASY TO PLACE A WANT AD."

Salk Refuses To Use Gifts For Himself

PITTSBURGH (AP)—Dr. Jonas E. Salk, developer of the anti-polio vaccine that bears his name, said today that contributions being sent him would be depositied in a trust fund and that none of the money would "be used by me personally."

The University of Pittsburgh scientist said he thought the funds probably would be used in the field of preventive medicine.

His statement came after announcement of the fund last night on the "See It Now" television program of Edward R. Murrow.

Although not revealing how much money he has received, Dr. Salk issued this statement:

"I have had numerous inquiries as to the disposition of money being sent to me spontaneously and without solicitation as an expression of the sincere feeling of many people.

"The funds received have been deposited in a trust, the disposition of which will be made when there has been time for consideration and consultation.

"We want to emphasize that we are not soliciting funds. Nor have we authorized anyone else to do so. We have no right to ask people not to express their feelings in any way they see fit. The funds received will not be used by me personally."

Since Dr. Salk's vaccine was revealed to be 80 to 90 per cent effective a week ago, an estimated 10,000 letters, telegrams and telephone calls have been sent him

Definance Firm Sold

NEW YORK (AP) — Officials of American Brake Shoe yesterday said their firm has bought the rights to the Par Air compressors manufactured in the Defiance, Ohio, plant of the Lynch Corp.

Crow Tries To Stop Hearing

Asks Appeals Court For Injunction

J. Harvey Crow, who is facing disbarment proceedings in the Common Pleas Court of Champaign County, where Judge John P. Case is one of the three judges hearing the case, has filed his petition in the Court of Appeals of Champaign County asking for a writ of prohibition to prevent the common pleas court judges, assigned by Chief Justice Carl V. Weigandt, from hearing the case on the grounds that Crow had not been properly notified of the proceedings against him in the Champaign County Common Pleas Court.

The lengthy petition filed Tuesday by Reed M. Winegardner, member of defense counsel, denies authority of the Champaign County Common Pleas Court to hear the charges against Crow, and asks for an injunction of the court of appeals to stop the hearing.

However reports Wednesday indicated the hearing was proceeding in Champaign County as scheduled.

Crow, formerly of Urbana, wa disbarred in Stark County in 1934, and faces 11 specifications submitted by the bar association investigating group from Champaign County. Crow was reinstated to the Ohio bar in 1949.

In the current case he is charged with "misconduct in office involving moral turpitude, misrepresentation, coercion of witnesses and clients and accepting advance fees without representing his clients." The prosecuting committee is represented by D. Harlan Jackson, who told the court that Crow would become more elusive if proceedings are delayed too long."

Next Songfest On Friday, April 29

The next songfest at the home of Mr. and Mrs. Roy Wipert, of the Wilmington Road, will be held Friday, April 29, at 8 P. M. and an interesting program is being prepared that will insure everyone enjoying the events.

It is the 58th songfest of the series held at the Wipert home and a good attendance is anticipated.

Mrs. Stanley Case of Sabina, will be a 25 timer and there will be three ten-timers present—Mrs. O. E. Bonnell and Mr. and Mrs. Ralph Nisley.

As usual, finger food will be taken by all who attend as an additional enjoyable feature of the occasion.

Memory Expert Shows Weakness

PRATT, Kan. (AP)—A memory expert was introduced to 100 members of the Knife and Fork Club at a dinner recently. After the dinner he delighted the audience by recalling first and last names of all he had met.

But yesterday Herman Unruh, club secretary, received a letter from George Bailey, the expert, who had forgotten his hat.

AN ADVENTURE thriller, "The Looters", and a full length musical fantasy, "Hansel and Gretel," make up the twin bill to be shown Friday and Saturday at the Fayette Theater. "The Looters" (top picture) is the story of what takes place after a plane crashes on top of Pike's Peak. Roary Calhoun and Julia Adams take the leading roles. "Hansel and Gretel," an old Fairy tale, is done in color.

Your School Report Card

By W. A. SMITH
(City School Superintendent)

We interrupt the sequence of articles on School Board Policies to bring this report of the trip taken by the Thespians to Washington, D. C. and New York.

The trip was taken during Easter weekend and was conducted under the supervision of Thomas Mansell. His report of the trip follows:

"The stop over in Washington D. C. was of particular value in that all my students were seniors and had studied the functions of United States government in their senior American Government course. Thus, when our chartered bus took us to Embassy row, my group knew the difference between an embassy and a legation, for example. Their visit to the United States Supreme Court was more meaningful as was their hour-guided-tour through the Capitol Building itself. The students were impressed with Lincoln's memorial, the Jefferson memorial, the Pentagon, the Washington monument, the White House, the State Department, the Zoo, Smithsonian Institute, plus numerous other sights in that great city. Here, in this white marble city the students saw their government, felt a part of it, and swelled with pride as they saw the center of the free world.

Incidentally, many students were having their first train ride on this trip.

New York City offered many experiences to the group. The breath-taking view of the world's largest city at night from the 70th floor of the RCA building was an outstanding thrill. A blanket of lights stretched for thirty miles in either direction as they stood high above a city with its man made splendor competing with the lights of the heavens that night.

The wonder of the electric signs on Broadway and Times Square, the crowds moving along the bright streets, all were things they had read about and were now seeing.

The sightseeing of the city was on a conducted tour in a chartered bus, and this gave the group a survey of the city. Famous Fifth Avenue, the Cathedral of St. John the Divine, Grant's Tomb, Riverside Church, Harlem, Columbia University, Greenwich Village, Chinatown, the Bowery, the Statue of Liberty, the harbor where they saw the new liner United States debarking for Europe, the top of the Empire State Building, and numerous other landmarks of interest.

The guided tour through the United Nations was made interesting by having a guide dressed in her colorful garments of India. Easter services in the great churches of the city, the Easter parade on Fifth Avenue, the Museum of Natural history, Radio City Music Hall, shopping in Macy's, and the fashionable shops of Fifth Avenue were additional points of interest.

In addition to the enjoyment of the trip, you can see that it was one of far reaching educational values.

However, I should like to stress the social values as well. These students graduate in a number of weeks. This trip gave them assurance and poise as they conducted themselves as ladies and gentlemen. In Washington D. C., my group was the most dignified and well-mannered group of young people I observed. While other groups were noisy, or ran in the halls of our public buildings, these students conducted themselves with dignity and were a credit to our high school.

Additional values that will last them all through life were learning when, how, and how much to tip bell boys, waiters, etc., how to order meals from complicated menues in swank restaurants, how to feel at home in a hotel, how to order in a dining car of a train. Many other social values will remain with these students as they go on to larger areas of life in the years to come.

"I wish to express by appreciation to Mr. Trace for help, and to Miss Isabelle Reid for assisting as the girl's chaperone. I believe that this trip, and the mock election we held early this year, were two examples of practical education that will have lasting effect upon the lives of the students involved."

Longview Annex To Be Replaced

CINCINNATI (AP)—Dr. John Porterfield, director of the state division of mental hygiene, has promised the Longview Hospital Citizens Committee that the 82-year-old annex at the Longview State Hospital would be replaced.

The annex was built in 1873 for use as a Hamilton County home. It was condemned in 1929 as "unfit for human habitation." Now 450 Longview patients occupy it.

The hospital is operating with double its capacity of 1,800 patients and is the most overcrowded in the state. It also still has 21 wards not fireproofed.

WINDSHIELDS DAMAGED

GREENFIELD — Windshields of at least 24 cars in used car lots have been found damaged by pellets from air guns. Police are seeking the offenders.

The Nation Today

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—The United States got in on an act where it wasn't supposed to be playing. It used propaganda on Red China when the Red Chinese were supposed to be making some of their best propaganda.

Secretary of State Dulles suddenly warned about a Chinese airpower buildup opposite Formosa just as the Chinese were anxious to appear as peace-lovers to the 28 other Asian - African nations meeting with them at Bandung, Indonesia.

And President Eisenhower asked Congress for $3½ billion in foreign aid, most of it for Asia, just when the Red Chinese were most eager to win over to their side the other Afro-Asians, or as many as they could influence.

The United States, the Europeans and Russia were not invited to Bandung. The great mass of people represented there are colored and impoverished. All have reason to be concerned about war over Formosa.

And, because of their poverty and their desire to get on their economic feet, the help they had received, or hoped to get, from the United States would be a factor in keeping them from too close alliance with Red China.

On Sunday, just before the Bandung meeting opened, Dulles reported the Red Chinese had greatly intensified their airpower opposite Formosa. Eisenhower followed this quickly with a statement aimed at Bandung.

He said "peace was in grave jeopardy" and that the leaders at Bandung had an "opportunity, at a critical hour, to voice the peaceful aspirations of the peoples of the world and exert a practical influence for peace."

Later in the week Dulles minimized a bit the danger of war over Formosa now. But the statements by him and Eisenhower didn't make it easier for the Chinese at Bandung to look too persuasively peaceful.

And at Bandung two American friends, Iraq and the Philippines, hit Red China with a one-two punch. It seems reasonable to think they discussed with the United States, before they went to Bandung, the role they would play there.

Iraq called communism a new kind of colonialism. The Philippines warned the other Afro-Asians, without mentioning communism, about a new "super-barbarism." The week's events must have had an effect on Chou En-lai, China's foreign minister.

He tore up the speech he had planned to make and delivered another. He took swipes at the United States as a warmonger but protested China's peaceful intentions and said he didn't want to talk about the sore subject of Formosa.

Bay Village Loses City Solicitor

CLEVELAND (AP)—Bay Village's solicitor, Richard S. Weygandt, who advised that a murder charge be filed against Dr. Samuel H. Sheppard last summer, will quit his municipal job April 30.

Weygandt, 37, said the solicitor post he has held for three years had taken so much time he was unable to fulfill his increasing duties as an attorney for the New York Central Railroad.

Mayor J. Spencer Houk and the council accepted Weygandt's resignation last night with regret. The mayor described Weygandt, son of Ohio Chief Justice Carl V. Weygandt, as "a remarkable talented man who has given us everything he has."

Millionth Car Due

COLUMBUS (AP)—The Ohio Turnpike Commission expects the millionth vehicle to pass over the 22-mile Eastgate Section of the turnpike sometime tomorrow.

Meat Specials Are Numerous

Many Good Buys Among Vegetables

By The Associated Press

Housewives will find plenty of variety in the specials being offered in the meat departments of food stores this weekend.

Prime ribs of beef will be a feature in many markets. Another favorite will be pot roast. Round steak or roast also will be on sale in some areas.

Pork loins and pork chops will be the advertised specials of a good number of stores. Here and there, lower prices will be available on pork butts and smoked picnics. A few markets plan price cuts on legs of lamb and lamb shoulder roasts.

Frying chickens generally will be cheaper than a week ago. One chain is dropping prices two cents a pound in New York, Chicago and Philadelphia, four cents in Los Angeles, six cents in Boston and Pittsburgh and 10 cents in Detroit. In some cases, roasting chickens will be lower, too.

Veal chops will show little price change from last weekend. A few markets will have veal shoulder on their list of specials.

The U. S. Department of Agriculture notes that onions are a good buy. It offers this advice:

"Flavor and quality of onions are not affected by size and color. Avoid onions with wet necks. The Bermuda and Spanish types are milder than the very hard, long-keeping onions."

Onions are only one of many vegetables on the good buy list this weekend, and you can thank warmer weather in growing areas for that. Produce specialists describe escarole, endive, new crop cabbage, spinach and summer squash as particularly good buys. They also recommend beets, pascal and golden heart celery, potatoes, medium and small peppers, iceberg, romaine and big Boston lettuce, cucumbers, carrots, asparagus and broccoli. Cucumbers have come down sharply in price recently.

Corn supplies are rather light and it's hard to find good beans.

Strawberries are higher in eastern markets, but California is beginning to ship them and produce buyers expect a considerable decline in price. Better buys in fruit continue to be oranges, grapefruit and apples.

Portrait of A Wizard

Einstein Conscience Forced Expression Of His Opinion

Editor's Note: Following is the second in a series of three articles on the late Dr. Albert Einstein, world-honored scientist.

By FRANCES LEWINE

PRINCETON, N. J. (AP)—Albert Einstein said he was compelled by "a passionate sense of social justice and social responsibility" to take stands on issues far removed from the problem of theoretical physics and mathematics.

Einstein, who died Monday, made political statements that were widely disputed, many were misunderstood. But they all provided further clues to the human side of this great man.

It took courage at times for Einstein to continue his comments in the face of personal attacks by those who opposed him.

He spoke out against Nazis and Fascists, espoused the cause of Zionism and world government, rebelled against attacks on civil liberties and urged commutation of the death sentence for atomic spies Ethel and Julius Rosenberg.

Einstein, born in Germany, had been a citizen of three countries. In his youth, he let his German citizenship lapse while he lived in Italy with his family. As a university student, he acqured Swiss citizenship and later, he became a naturalized citizen of the U. S.

Germany conferred honorary citizenship on its famous son when Einstein was appointed a professor at the Prussian Academy of Science in Berlin in 1914. But, with his usual concern over politics, Einstein waited until Germany became a republic in 1919 before he accepted this honor.

When the Nazis came to power, Einstein stood up against the persecution of his fellow Jews and later renounced his German citizenship. He said he would not set foot in Germany while Hitlerism prevailed.

For his outspoken attacks on the Nazis, Einstein was declared "an enemy of the estate." He became a voluntary exile from Germany, which only a few years earlier had declared a national holiday to celebrate his 50th birthday in 1929.

On Oct. 9, 1933, Einstein sailed in secrecy from London because of threats on his life by the Nazis. Einstein said he found "ideal working and living conditions" in America. When he became a naturalized citizen in 1940, he said he felt in America "the most valuable thing in life is possible—the development of the individual and his creative powers."

In the United States, he added, "human dignity has been developed to such a point that it would be impossible for people to endure life under a system in which the individual is only a slave of the state."

Einstein cast his first ballot at Princeton's Borough Hall Nov. 6, 1940. He joined the New Jersey League of Independent Voters for Roosevelt in 1944 and endorsed FDR for a fourth term, saying "it would be very dangerous to change leadership now."

Until the rise of the Nazis, Einstein had been an ardent pacifist.

But in 1939, he issued a statement declaring that as an "active pacifist" he now believed war justifiable against "war - making brigands."

Einstein was wholeheartedly behind this country's war effort. In 1944 he donated the prized manuscript of his theory of relativity and an unpublished work to spur the sale of bonds for the fourth war bond drive.

Einstein was one of those instrumental in getting President Roosevelt to go ahead with the Manhattan District Project for the development of the atom bomb.

Although it was Einstein's theories that paved the way for the release of atomic energy, Einstein did not work on the actual development of the A-bomb.

Wildlife Aide Resigns Position

TOLEDO (AP) — Maurice Kocher resigned yesterday as a northwestern Ohio member of the Ohio Wildlife Council.

The Toledo sportsman and oil company executive was given a $500 fine and a suspended six-month jail sentence and was placed on probation for two years Friday by U. S. District Judge Ralph M. Freeman in Detroit. Kocher pleaded guilty to trying to hunt over a baited marsh near Erie, Mich.

Gov. Frank J. Lausche had wired the Toledoan: "Your resignation as a member of the OWC is hereby requested."

2 Cops Arrested For Burglary

MANSFIELD (AP)—Two city patrolmen are in City Jail today charged with a $9,000 burglary.

Police Chief Paul L. Martin filed charges yesterday, involving a break-in last Saturday night at a motor car agency.

Charged were Lewis Butts and Raymond Frazier, each 28.

The safe was found in a wooded area about seven miles north of here. The loot was $1,800 in cash and the rest in checks.

Butts and Frazier pleaded innocent upon arraignment and their bonds were set at $25,000 each pending a preliminary hearing in their case next Wednesday.

The first railroad locomotive to reach America came from England in 1829, but there is no record that it was ever operated in this country.

Jaywalkers Taunt Police In Utah

SALT LAKE CITY (AP)—A group of 75 West High School students deliberately jaywalked under the eyes of Salt Lake City policemen yesterday.

They crossed the street in the middle of the block after accusing one of the cops of being "curt" when he wrote out 11 tickets for jaywalking. Police took no action.

Two of the 11 who received tickets were teachers at West.

U. S. Chiefs Hint Early June As Time For Big 4 Parley

WASHINGTON (AP)—American officials looked to early June today the soonest the Western Big Three could meet with Russia at Vienna to restore Austria's independence.

The meeting of foreign ministers for that purpose seemed assured yesterday after Russia suggested it and the United States responded that the idea was under "sympathetic consideration."

In London, Prime Minister Anthony Eden told the House of Commons Russia had removed "one of the main obstacles" to an Austrian treaty, and the Western powers were ready to examine the Soviet proposals.

But a date and other details remain to be agreed on. Some predictions in Moscow spoke of a meeting in mid-May, but Western sources there said that date would be too early. Secretary of State Dulles' own well-filled schedule for May tended to confirm that impression here.

• • •

THERE WERE strong indications both the United States and Great Britain will want further information from the Russians before agreeing to the projected meeting.

Aides to the British prime minister said Eden may insist on clarification in advance on two ponts: (a) the manner in which Austria's independence and territorial integrity should be preserved; and (b) the plan for keeping Austria neutral.

American officials are determined to confine the proposed foreign ministers' meeting strictly to a state treaty for Austria.

After nine years of Soviet stalling they were chary of providing the Soviets any more excuses for delay.

After settlement of the Austrian question, perhaps another foreign ministers session could be arranged to consider knotty problems like reunifying Germany and easing East-West tension in general. Considering such issues as these at the projected Vienna meeting might set up stumbling blocks to settlements on Austria or anything else.

Youth Replaces Dad In Hospital

MOUNT VERNON (AP) — Mrs. Mary Holtz, 40, of near Newark, went to pick up her husband, a patient in a hospital here, and wound up leaving her son there in his place.

Mrs. Holtz' car crashed into the rear of a school bus. Her son, David, 17, was admitted to the hospital with injuries. His father, Lester, went home.

CLOSING OUT SALE
OF FARM EQUIPMENT AND LIVESTOCK

As I have sold my farm will hold a closing out sale at the farm 16 miles east of Chillicothe, O., 2 miles off Route 35 on the Limerick Road. Turn south 2 miles east of Richmond Dale. Farm known as the A. A. French farm.

U. S. Economy Heading For A New High

American Consumers Buying At All-Time Record Rate

By SAM DAWSON

NEW YORK (AP)—Our economy is heading for a new high today. And this time it's because Americans are buying in record volume for their own personal use and are building for civilian peacetime uses.

The record was set in the April, May and June period of 1953. But then the federal government was spending cash at around an 80 billion-dollar-a - year clip. Military spendingand industrial construction aimed at building up our defense potental accounted for much of it.

Now federal cash outlay has dropped to around 66 billion dollars a year. Much of that 14 billion dollar drop is in defense spending. Civilians have caught up now and are closing the gap.

When the government was pumping all that money into the economy in 1953, the gross national product hit its all-time peak of 371½ billion dollars a year during the second quarter. The gross national product is the dollar value of the total output of the nation's goods and services.

Now the Council of Economic Advisers has just told the President that the gross national product rose to an annual rate of 369 billion in the first three months of this year. This was a 13-billion-a-year jump over the annual rate of last year, and the best first quarter ever.

With this year's April May and June quarter giving every sign of topping the mark set in the first three months, a new record may be in the making.

Most significant is the fact that the gains are being made in consumer purchasing and in construction. Every day Americans, bettering their standards of living, have made up for the drop in defense spending which had pushed the economy to its record high during and immediately after the Korean War.

The same trend is shown also in the industrial production index of Federal Reserve Board. It reacits peak in March 1953. Then it slumped during the business slowdown which ended six months ago. Now, without much fresh stimulus from defense ordering, industrial production has climbed back almost to that peak. It could reach or top it this month.

Consumers have returned to buying durable goods — autos, appliances. They have kept up their buying of soft goods — clothing, good, gasoline. They steadily increase their buying of services—transportation, recreation, medical care. In the first three months of this year they were spending at an annual rate of 242 billion dollars a year, an all-time record.

Businessmen building new factories, new office buildings, new stores, and home owners buying new houses pushed total construction spending to an annual rate of 31 billion dollars.

The President's economic advisers note that much of this gain in consumer buying is traceable to an increase of 4¼ billion dollars a year in the amount of money consumers have left over after paying taxes.

Much of the purchasing, however, is also of the on-the-cuff variety. Consumer credit and mortage debt, too, are setting new records, as well as the gross national product.

The conservative economists ask: How long can the present record pace of auto buying, of home buying continue?

Few, however, think a turndown will come during the April, May and June quarter. The economy seems all but sure of setting a new peak of peacetime production and prosperity.

Companies, Labor Both Under Ban

COLUMBUS (AP)—The Ohio House Elections Committee last night received a subcommittee report to put corporations and labor unions in the same class groups prohibited from contributing to election campaigns.

Corporations now are banned under Ohio law from campaign contributions. A bill sponsored by Rep. Elton Kile (R-Masison) was aimed directly at labor union attempts to influence elections. His bill was sent to a subcommittee. The subcommittee decided to make the political contribution prohibition a joint one between management and labor.

It adds a ban against acceptance of political contributions by either candidates or their committees.

Bids On Building Jobs Are Detailed

COLUMBUS (AP)—Knowlton Construction Co. of Bellefontaine was apparent low bidder yesterday with $437,600 for general construction of a music building at Bowling Green State University.

The Gesling Co. of Lancaster was apparent low bidder with $25,750 to install plumbing in the building. The Lancaster firm also offered to low bid of $21,650 for work on a Division of Forestry headquarters building for District 4, to be constructed in Athens. Apparent low bidder on the general construction contract for the building was another Lancaster firm, Alley-Davis Co., which offered $115,793. Geiger Bros. of Logan was apparent low bidder for plumbing work with a $6,380 bid.

READ THE CLASSIFIED ADS

GETTING YOUNG HORSES FAMILIAR with the starting gate is an important part of their training. Eddie Cobb's truck with a make shift steel barrier on it which serves well enough to school the youngsters in the proper behavior when they come up against the real thing later in the season is shown here. Horses are rounding into the shape for the Lions Club-sponsored races to be held next Sunday afternoon at the Fairgrounds track here. Post time is 1:30 P. M. and all proceeds will go to the club's sight-saving fund.

4-H Club Activities

THIMBLE SISTERS

The girls of the Thimble Sisters club discussed ways to strengthen their treasury at the last meeting. One way suggested and adopted was saving tax stamps. Each girl was instructed to hatch as many money-making plans as she could for discussion at the next meeting.

The meeting was held at the home of the advisor, Mrs. Elsie Lucas, who served refreshments at the close of the meeting.

Mary Agnes Helfrich will be the hostess at the next meeting on May 2.

* * *

MERRY STITCHERS

The Merry Stitchers met at the home of Carolyn Williams recently. President Betty Whiting conducted the meeting which was opened with the singing of "Tell Me Why."

Cara Shaw called the role and each member answered by naming his favorite month. Seven members responded. Dues were collected by Barbara Cutlip.

The cancer drive was discussed and the girls were asked to help out Saturday.

They plan to bring their patterns and material to the next meeting at Betty Whiting's home. The meeting was closed with the singing of "Do Lord." Refreshments were served by Carolyn Williams. The club advisors are Mrs. Caryl Williams and Mrs. T. D. Chaney.

Alleged 'Theft' Of Son Ignored

Man Arrested Here Not Indicted

Mellan Seck, the California aircraft worker who twice "stole" his nine-year-old son, and once was arrested in Washington C. H., and turned over to the Columbus police, was not indicted on either of the two kidnaping charges by the Franklin County grand jury.

Instead, he was indicted on a change of disturbing the peace, as result of removing his son by force from the South Franklin School in Franklin County where the boy was attending school.

The charges against Seck were filed by his estranged wife, Peachie, who claims temporary custody of the child was given to her by a California court.

The grand jury took the stand that custody of the child must be settled by the California court.

Seck claimed that the California court gave cutody of the child to Mrs. Seck within the jurisdiction of the court in California.

Red Cross Need for Money Cited As Appeal for Funds Is Repeated

Mrs. Fred Cahall, executive secretary of the Fayette County Chapter of the American Red Cross, today made another urgent appeal for funds.

The quota of $9240 for the current drive has not been reached. She said $6403 has so far been received which leaves the campaign $2837 from its goal. Donations can be made any time, she said. Just send or bring them to the Fayette County Chapter of the American Red Cross.

"She asked everyone" to think of our boys in service. Whenever an emergency arises at home, the Red Cross is committed to furnish the military with a factual report that will enable them to make a decision as the whether the serviceman should have emergency leave or discharge.

"This is the only contact the military has with a serviceman's home and family. It makes the telephone and telegraph costs quite high."

Mrs. Cahall said she wondered if the average person knows that by an act of Congress it is mandatory that the Red Cross come to the assistance — financial or otherwise— of a serviceman on emergency leave. The same applies to the dependents of a man in an emergency, she added.

* * *

HOWEVER, in this county it has been necessary to refuse financial assistance to servicemen and their dependents in an emergency because of lack of funds — because Fayette Countians haven't supported their Red Cross.

People who contribute a dollar, she went on, are important to the Red Cross because they compose most of its members. But if a family needs a serviceman at home in a hurry, could it be done for a dollar? Would anyone in Fayette County want his friend or relative refused financial assistance in an emergency because he didn't contribute this year?

Mrs. Cahall explained some Red Cross basic policy: If there is a Red Cross chapter in the county, it must be able to give service to active servicemen and their dependents whenever called upon In event of a disaster, Red Cross must give aid immediately.

If there was a disaster in this county, she said, national headquarters would have to rush both workers and funds, because there is no organized disaster program here.

The blood program in which Fayette County participates, is part of the overall Red Cross Service.

Mrs. Cahall said: "In other words, we could have Red Cross in the county and only give the first two mentioned services, but we couldn't have Red Cross in the county and participate only in the blood program because the first two services are made mandatory by Congress."

Mrs. Cahall asked those in Fayette County who feel too large a portion of the goal leaves the county, to remember that "the Red Cross is big — it is national in scope. The members of the board of directors who decide how to apportion this money are businessmen and they do it wisely and well."

"Our sons are all over the world and often need Red Cross aid and the Red Cross is always there. Disasters occur often all over the country and Americans always help people in trouble no matter where they are, she said."

4-H Club Activities

PROGRESSIVE FARMERS

Wayne Progressive Farmers met at Wayne Hall as President John McFadden presided. Secretary Barbara Kneisley gave her report and called the roll and 36 of the 38 members responded.

Plans were laid for the fish fry at Wayne Hall Friday at 6:30 P. M. Billy Herman, Barbara Kneisley, June Overly and Butch Geesling will go to the fair as health representatives The club decided to open up the membership again.

Refreshments were served by Donna and Beverly Stanforth, Loy and June Overly and Butch Geesley. Recreation was led by Billy Herman and Jerry Hoppes. Lowell Woods, Alan Wilt and Roger Bonham are advisors to the group.

* * *

EBER BUSY FINGERS

The girls of the Eber Busy Fingers heard a talk by a visitor, "Mrs. Sloppy," at their last meeting. Mrs. Sloppy appeared in ragged clothes, stockings askew and hair unkempt, to tell the members how the 4-H program could help the girls learn to dress properly.

When the thickly-caked makepup was scraped off Mrs. Sloppy's face, she turned out to be the club president, Sally Howard.

Sally had opened the meeting and then disappeared, with her duties being taken over by the vice-president, Jane Kuebler. After the regular business meeting, Sharon Cline and Joyce Warnecke served refreshments.

The next meeting is slated for May 2 at Eber School. Refreshments will be served by Beverly Grace and Jane Kuebler.

* * *

HOIN' and SEWIN'

Miss Joyce Rummans, one of the advisors of the Hoein' and Sewin' Club, was hostess to the members at their last meeting.

The main business of the meeting was planning a hayride to be held near Miss Rummans' home. The members will meet at 6:30 P. M. at Karen Sue Haines' home. The evening will begin with a wiener roast.

Associated County Agent Albert Cobb was a guest at the meeting. Cobb heard the boys and girls discuss their gardens, the 4-H Camp near Yellow Springs, and "What 4-H Work Means to Me."

The girls were told to bring their sewing and project books to their next meeting, to be held at Jackie Sanderson's home April 26. The boys will meet May 3 at the home of the president, Kent Self, Mackey McDonald is the boys' advisor.

Stock Car Races To Start April 29

The Washington C. H. Speedway will hold its first stock car race of the 1955 season April 29. Time trials are set for 7 P. M. and the first race at 8 P. M.

Since the races will be run under open competition, there is no organization to join and no entry fees to pay.

One of the regular Friday night events will be a trophy race, composed of the six fastest qualifiers. Any driver will be elegible to win this event only once during the season; therefore, should any winner qualify the second time, he will be by-passed and the next fastest driver will be entered.

It's Magnetized?

HILLSBORO (AP) — The parked automobile of Ed Harris has been hit by other vehicles 13 times, police records show.

Asian Chiefs Hold Parley In Secret

BANDUNG, Indonesia (AP) — The Asian-African conference's 29 delegations took their differences behind closed doors today as committees turned to the meeting's seven-point agenda.

Within a few hours Communist China deadlocked the No. 1 conference group, the political committee made up of the chief delegates.

Reliable sources said Chinese Premier Chou En-lai refused a suggestion from other delegates that a conference declaration on human rights be based on the U. N. charter.

"How can I discuss anything under the U N. charter when we are not members of the United Nations?" Chou asked.

Iraq, Lebanon, Pakistan, the Philippines and Thailand all were reported pushing the move to adhere to the U.N. charter, with Ceylon and Japan, nonmembers of the U.N., backing them.

The conference economic and cultural committees also met this morning. There was no immediate word of their deliberations. Items of the seven-point agenda coming within their province include cultural and economic cooperation.

Work, Sleep, Play In Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Big Changes Now in Prospect In Camp Pine by Scouts Here

"You'll never recognize this place before long," said Paul Handel Wednesday afternoon.

That was the prophesy of the scout executive of the Central Ohio Council who had come here from Columbus Wednesday as he stood on the hillside overlooking Camp Pine, the 17-acre tract five miles south of town soon to undergo some major changes.

The tract was left to the Boy Scouts here several years ago by the late Glenn Pine, Washington C. H., realtor and insurance man. The go-ahead was given by Mrs. Pine about a year ago for its development.

Handel was visualizing where the various camp fixtures would be located. The camp will be used primarily for weekend camping and camporees. Bob Terhune, public relations director of the Fayette district, pointed out that the distance of the land from town is just right for the required five-mile hikes.

The camp contains two buildings: a tumbledown house and an ancient log barn. The barn is in good condition for its age. Terhune has been trying to find someone to live in the house but without any luck. It may be torn down later.

Other scouters there making plans for the development were Bob Poppen, Fayette and Highland field executive; Paul Mohr, county scout health and safety committee chairman; and Joe Pacot of Columbus, council director of camping.

* * *

ABOUT 10 of the 17 acres are bottomland along Sugar Creek. It is here that most of the later activity will occur. Due to be put up in the bottoms are two well-separated campsites, each containing two "Adirondack" lean-tos. These are three-sided log shelters about 8 by 12 feet in area. A man six feet tall can just barely walk into one without bumping his head. The base is made of concrete.

"Plenty of trees will be planted," said Terhune. "We hope to plant thousands of red and white pines on the hillside along Flake's Ford Road. We will probably scatter a lot of Chinese elms around too. They grow fast."

Handel pointed out that multiflora rose bushes would nearly surround the camp. "Nothing larger than a rabbit can get through those bushes. It will make our camp hog-proof, dog-proof and boy-proof," he said with a wink.

Other projects will include an en- along the road, a flag pole and a well. The well wil probably be located near the creek so that it will drain in that direction. There is already a well near the house but it is not known whether the water is pure yet and besides, it is not as centrally located as it should be.

Work on the camp will begin about June 1.

Solon Demands Explanation Of 3 Slayings

WASHINGTON (AP) — Rep. Dodd (D-Conn) called yesterday for an explanation of why U.S. authorities have not prosecuted a Lima, Ohio, man accused of the ax slayings of three U.S. Army officers at Passau, Germany, on Jan. 7, 1946.

Dodd called the attention of the House to the slaying of Maj. Everett S. Cofran of Washington, D.C., Capt. Adrian L. Wessler of New Rochelle, N Y., and 1st Lt. Stanley Mac. A. Rosewater of Omaha, Neb. Dodd said James M. Leach, now of Lima, a former Army captain, was accused of the murders and a warrant for his arrest was issued, but he never was brought to trial

Dodd said his help in the case was asked by Charles D. Hanlon of Riverside, Conn., brother-in-law of one of the slain officers.

The facts in the case, Dodd said, had been given by William D. Canfield, a Springfield, Mass., lawyer, formerly a trial attorney with the U.S. High Commissioner's Office in Germany.

Dodd said each of the three officers was hacked in the head with an ax in a Bavarian villa and the slayer then set fire to the villa.

Dodd said: "Any prosecutor worth his salt in the United States would have presented this case promptly to the courts." He asked explanations from the State Department, the high commissioner to Germany and Army authorities.

Air densities at 79,000 feet are only 4 per cent of those found at sea level.

Kidnapping Pair Given Sentences

CLEVELAND (AP)—Two men who pleaded guilty to the kidnaping of a 70-year - old Harrisburg, Pa., salesman were sentenced to prison here yesterday.

Federal Judge James C. Connell sentenced Sherman Callaway, 49, of Baltimore, Md., to a 20-year term and Carlis Stenders, 40, of Newark, N. J., to 10 years.

Police said the pair abducted Jesse Bishop in Harrisburg and drove him over the Ohio state line to North Jackson, Ohio, plying him with liquor during the ride last Dec. 9. Assuming Bishop had passed out, the men left him in the car while they went to a restaurant. But Bishop fled and called police.

Ohio Cleric Honored

WASHINGTON (AP) — The Rev Harry Griffiths, pastor of the First Presbyterian Church in Van Wert, Ohio, gave the prayer at the opening of the U. S. Senate yesterday.

About 15 million people live in the West Indies.

Farm Mission Profits

ORANGEVILLE, Mich. (AP) — People in Orangeville have gone back to the land for means to support the St. Frances Episcopal Mission.

The congregation owns a 40-acre tract. Last year there was a crop of beans and corn for a net profit of about $1,000.

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

Times Square Is Rated Fifth Among Country's Best Pacers

Times Square, owned and trained by Eddie Kirk of Washington C. H. at the Fairground here, is rated fifth among the top flight pacers in the country.

He was given that rating by a panel of prominent owners and trainers who selected Kimberly Kid and Adios Boy as the "horses to beat" in the free-for-all trotting and pacing ranks this year, the United States Trotting Association announced.

Times Square, who last year joined that select group of harness race horses that have gone a mile in better than two minutes, has been worked in 2:23:4 this spring and is coming along in fine shape in his training.

Panel members, who also named Scott Frost and Quick Chief as the leading contenders in the 3-year-old classes, submitted their pre-season ratings for the May issue of Hoof Beats, official USTA publication, which came out today.

The owners and trainers were asked to name the "Horse To Beat" in each class, five horses comprising a first flight, ten in a second flight and, in the free for all classes only, the five "most promising newcomers."

Kimberly Kid drew the top vote with 495 out of a possible 525 points to lead the free-for-all trotting class. The Allwood Stable star from Far Hills N. J. was followed in order by Katie Key 407), Jamie (370), Scotch Victor (352), Sharp Note (294) and Lord Steward (281).

* * *

ADIOS BOY, who electrified the harness racing world by taking on and beating the free-for-allers when he was only a 3-year-old last year, polled 477 points against 416 for the veteran Philip Scott. Trailing in order were Hillsota (356), Torrid (315), Chuck Volo (312) and Times Square (276).

The 3-year-old trotting class proved a walkover for Sol Camp's Scott Frost. The winter book Hambletonian Stake choice drew 474 of a possible 500 points. His Shafter, Cal. stablemate, Butch Hanover, was next with 411. In order behind them came Galophone (377), Child's Hanover (343), Satinwood (273) and Egyptian Boy (268).

Closest contest was in the 3-year-old pacing ranks with Farmstead Acres' Quick Chief (435 points) edging Newport Stock Farm's Meadow Ace (406). They were followed by American Way (402), Captain Adios (368), Meadow Leo (368) and Libby's Boy (299). All except Libby's Boy are Little Brown Jug candidates.

Most promising newcomer among the pacers was Adios Harry, last year's Jug winner, with 153 points. Stenographer, Harness Horse of The Year in 1954, was the top trotter in that category with 111 points.

Polio Vaccine Shots Assured For Ohio Kids

AKRON (AP)—First and second graders in Ohio and throughout the country will receive two shots of Salk polio vaccine before the school summer vacation starts, Dr. Herbert T. Wagner, medical consultant with the National Polio Foundation, reports.

Dr. Wagner, here to meet with local foundation officers, declared that "enough Salk polio vaccine will be available here and throughout the country to give every first and second grader two shots before school lets out."

A booster shot would be given next fall, seven months after completion of the two-shot series, according to foundation plans.

Dr. Wagner said vaccine shipments are going out from the manufacturers as fast as each batch is tested, with most of the early shipments earmarked for the South, which has an early season. Tests on the vaccine take up to 30 days after manufacture.

The physician said there was absolutely no truth to rumors about black and grey markets for the vaccine cropping up around the country. He said:

"I am sure no doctor would think of profiteering or showing favoritism in the administration of the vaccine."

Robinett Hurls 1-Hitter

Lions Nose Out Tigers For Baseball Victory

The WHS Lions won their second game of the season Wednesday afternoon at the park here when they edged Circleville's Tigers, 3 to 2, behind the spectacular 1-hitpitching of Robinett.

It was the second outstanding pitching performance for Robinett. Only a week ago, he turned in a no-hitter against Hillsboro's Indians which the Lions won 4 to 0.

They lost the second half of that doubleheader to the Indians; their other defeat was at the hands of Wilmington's Hurricane.

The Lions scored first in their game with Circleville when, in the second inning, Mickle got the first of three singles, stole second, and came home on the first of Grooms two hits.

The Tigers moved ahead in the next inning when they tallied twice on a base on balls, a stolen base, a hit batter and a couple of errors.

* * *

BUT THE LIONS recaptured the lead in the fourth frame when they scored two runs. Mickle got his second single off the leg of the Tiger hurler and went to third on two overthrows and scored again on Grooms' single. Grooms came home with the winning run on an infield out.

Robinett was in difficulty a couple of times, but not through any great fault of his own. He fanned 12 Tigers and gave only two bases on balls.

McConnell, pitching for Circleville, set down seven Lions on strikes and gave five of them free tickets to first.

Some fancy fielding snubbed a couple of Lions scoring opportunities. The Tigers crushed a WHS threat in the second when, with the bases full and none out, the Tigers pulled the first of two double plays. The other twin killing came in the sixth when the Lions appeared to be opening up again.

Mickle, with three for three, paced the Lions attack and Grooms got two of the other three WHS hits. Horney's double was the only base hit in the game.

The Lions were booked for a game agaist the Tigers at Greenfield Thursday after school.

Dodgers Near Major Loop Win Record

Only Robin Roberts In Way Of 10th Win For Brooklyn Crew

By The Associated Press

So now the Brooklyns have won themselves nine straight games.

And all they have to do to take No. 10 (the one that would set a modern major league record for consecutive victories at season's start) is beat a gent named Robin Roberts today.

The streak has been getting tougher and tougher for the Dodgers and this afternoon's game at Ebbets Field may be the toughest yet. Roberts, the best righthander in baseball, hasn't had too much success against the Brooks in the past, but this time the Philadelphia ace is off to his best start in four years.

Robin is 2-0 thus far, beating the world champion New York Giants twice. Both decisions were by 4-2 counts, and only two of the Giants' runs were earned.

That sort of a push off in his bid for a sixth straight season of 20 or more victories may turn the tide for Roberts against the Brooks. Robin is only 17-21 lifetime vs the Dodgers.

For a time last night, it looked like the Brooks wouldn't have any streak for Roberts to challenge. They were shut out on one hit by Steve Ridzik for 7 2-3 innings. But then he tired and walked in a run that sent the Dodgers off on a three-run inning and a 3-2 victory over the Phillies.

It was pitching weakness by the opposition, too, that snapped a string yesterday. The Baltimore Orioles made the best of Bob Grim's wildness and a two-run homer by Hal Smith to beat the New York Yankees 6-3 and win their first decision of the American League season. They had lost six.

In the only other AL game, league-leading Boston beat Washington 1-0 on Willard Nixon's five-hitter. The Chicago at Detroit game was rained out.

In the National, St. Louis defeated Cincinnati 3-0 and Milwaukee clipped Chicago 9-5. Winless Pittsburgh was leading the Giants 3-0 when rain halted play after three innings.

"IT'S SO EASY TO PLACE A WANT AD."

Tribe Braced For 16-Game Home Stand

CLEVELAND (AP)—The Cleveland Indians are resting before starting a 16-game home stand against Detroit tomorrow night. They finished their first road trip a game-and-a-half out of first place.

Cleveland's pitching, supposed to be the best in the league, hasn't hit its stride yet. On the road, the Indians won four and lost three league games, then dropped an exhibition against their Indianapolis farm club last night, 12-10.

Early Wynn and Hal Newhouser made their first appearances on the mound for Cleveland since the season started. Wynn, sidelined for two weeks by the flu, gave up 10 runs in five innings.

Indianapolis, defending champions of the American Association, scored six runs against the big righthander in the second inning, all unearned because of an error by Sam Dente. The rally included a three-run homer by Rocky Colavito, rookie outfielder the Indians had optioned to Indianapolis.

In the fourth, the farmhands scored four more runs against Wynn, three of them on a homer over the scoreboard by rookie catcher Earl Averill.

Newhouser, who had been having trouble getting his arm in shape, gave up only three hits in three innings. But Indianapolis got two unearned runs against him, the margin of victory, in the eight.

Trotters Release 'Goose' Tatum

CHICAGO (AP) — Abe Saperstein, owner-coach of the Harlem Globetrotters basketball team, has given Reece (Goose) Tatum, the team's veteran clowning center, his unconditional release.

"Tatum was suspended last month because of repeated violations of team rules and regulations," Saperstein said.

Saperstein's decision ends 14 years of association between him and the loose, long-armed Tatum, who reportedly, was being paid $53,000 annually for his services.

Bobby Thomson Romps For Braves

MILWAUKEE (AP)—Bobby Thomson, off to the fastest start of his career, is hammering out the "other" side of the argument in the 1954 trade that brought him to the Milwaukee Braves.

He belted a bases loaded home run in Chicago yesterday to write the biggest rebuttal chapter, as the Braves took their third straight from the Cubs, 9-5.

The prize homer, in the second inning, came off Cub starter Sam Jones and sailed high over the center field wall. It was his second grand slam of his career.

Otterbein Signs New Grid Coach

COLUMBUS (AP)—Otterbein College yesterday named as new head football coach yesterday Robert (Moe) Agler of Mifflin, assistant football coach since 1953.

Agler replaces Harry Ewing, head coach since 1934, who will remain at the school as athletic director and track coach.

WHS Is Third In Track Meet

Upper Arlington Wins Event on Own Field

The Washington C. H. track team coached by Ed Dean, came out third best Wednesday in a triangular meet at Upper Arlington.

The host team was the winner with 78½ points, Delaware second with 37 and the Lions garnered 24½. Following is a rundown of each event with the winning times.

120-yard dash—Markwood (UA) 16.4 seconds, Nitschke (UA), Schooley (UA), Stevens (Del).

100-yard dash—Dulin (UA) 10.5 seconds, Collins (UA), Hunter (WHS) 10.8 seconds Self (WHS).

Mile Run—Nibert (Del) 5:05.6, Summers (WHS) 5:13.3 seconds, Haskins (UA), Breece (Del).

880-yard relay—Upper Arlington 1:39.7, Washington C. H., 1:40.9, Delaware. (Washington C. H. team: Ed Jones, Lyle Self, Larry Riley and Bob Hunter.)

440-yard dash—Duncan (UA) 55.5 seconds, Griffith (WHS) 55.8 seconds, Marburger (Del), Carter (UA).

180-yard low hurdles—Markwood (UA) 21.6 seconds, Nitschke (UA), Robinson (Del), Schaeffer (UA).

880-yard run—Nebert (Del) 2:13.5, Burns (Del), Kelly (WHS), Glander (UA).

220-yard dash—Hunter (WHS) 24.-1, Uhl (UA), Nelson (UA), Riley (WHS) 24.8 seconds.

Mile Relay—Upper Arlington 3:-49.8, Washington C. H., 4:04, Delaware.

Washington C. H. team: David Lee, Terry Dray, Jim Wilson and Elton Griffith). Shot Put—Clapham (Del) 45 feet, 1½ inches, Sebastian (UA), Setterlin (UA), Schlichter (WHS) 42 feet, 9 inches.

Pole Vault—Masters (UA) 10 feet, Edwards and Robinson (UA), Joseph (UA).

Discus—Clapham (Del) 117 feet, Ross (UA), Setterlin (UA).

High Jump—Lee (WHS) 5 feet, 7 inches, Robinson (Del), Burke (WHS) 5 feet, 2 inches.

Broad Jump—Markwood (UA) 20 feet, 3 inches, Dulin (UA), Griffith (WHS) 18 feet, 11 inchees, Self (WHS) 18 feet, 6 inches.

Big 10 Baseball Title Race Near

CHICAGO (AP)—The Big Ten baseball pennant chase will get a fast start tomorrow with a key game involving two prime title contenders, Wisconsin and Michigan State.

Michigan State won the championship last year, taking a doubleheader from Ohio State on the final day to edge out Wisconsin.

Northwestern, another likely first division club, opens at Michigan, Purdue at Iowa, Ohio State at Indiana and Illinois at Minnesota.

Michigan and Ohio State are expected to press the favorites for the pennant. They shared third place last year.

Ohioan Is Fifth In ABC Singles

FORT WAYNE, Ind. (AP) — Joe Voros of Canton, Ohio, today holds fifth place in singles competition and seventh in all-events at the American Bowling Congress.

His 701 singles total is 37 pins behind leader Eddie Gerzine of Milwaukee. All - events leader Frank Bujack of Detroit with 1,993 points is 72 pins ahead of Voros. Ed Markulis of Cuyahoga Falls, Ohio, is second in all-event competition with 1,960.

Japanese Prince Now A Lecturer

TOKYO (AP) — Prince Mikasa, younger brother of Emperor Hirohito, today began a parttime lecturer in ancient Oriental history at Tokyo Women's University.

University officials said his salary would be $6.40 a month.

Wood Memorial Due Saturday

NEW YORK (AP) — Battle lines were drawn and arguments between supporters of Summer Tan and Nashua waxed hotter today as the time approached for their momentous duel in the $100,000 added Wood Memorial Saturday.

Almost forgotten is the fact that only three other 3-year-olds are expected to start in the mile and one eighth event that has sent blood pressures scurrying especially with the Kentucky Derby only two weeks off.

Some oddsmakers are making Summer Tan the 7-10 choice with Nashua second choice at 4-5.

Bloomingburg Boys Win from New Holland

Bloomingburg's Bulldogs, sharpened up for their championship duel with Jeffersonville's Tigers Friday by pasting New Holland High School's baseball squad, 13-2, Wednesday after school.

Catcher Lee was the batting star. He hit four for four, including a home run and a double. McPherson poked the loser's longest hit, a sharp triple.

Pitcher J. Welsh of Bloomingburg pitched five innings and struck out nine while walking only one. Kimball came on in the sixth and finished the game. He walked one and struck out three.

For New Holland, Montieth started and finished the game. He struck out three, walked seven and hit one batter. He gave up 11 hits. New Holland committed six errors to the winner's three.

Friday is the day of decision for Jeff and Bloomingburg. That's when they square off for the county title at the 'Burg. The Tigers are undefeated in county tournament play while the Bulldogs have lost only one. Therefore, if Bloomingburg wins Friday, another game will have to be played to decide things.

Columbus Among Winners In IL

COLUMBUS (AP)—The Columbus Jets, Toronto Maple Leafs, Montreal Royals and Havana Sugar Kings are off to flying starts in the infant 1955 International League season.

Toronto turned in a heavy-hitting performance in defeating the Syracuse Chiefs, 7-5.

Columbus, which made its debut in the league after 52 years in the American Association by replacing the Ottawa Athletics, nipped the Rochester Red Wings, 6-5.

The Royals and Sugar Kings made it two straight over the Richmond Virginians and Buffalo Bisons, respectively. Montreal had to go 12 innings to edge Richmond, 3-2, and Havana tallied two runs in the ninth inning to win 4-3.

The 53rd annual Intercollegiate Rowing Regatta will be held on Onodaga Lake, near Syracuse, N. Y. on June 18.

SPORTS

WHS Baseball Team Has .295 Hit Average

John Grooms, who is hitting at a .500 clip with 6 safeties in 12 times at bat, today is the leading batter of the Washington C. H. High School Lion Baseball squad.

The team, with an average of .295, has outhit its opponents in all of its four games this season, although it has won only two of them. A no-hitter and a 1-hitter by Robinett, the No. 1 WHS hurler, has been big help in giving the Lions the batting edge over their opponents.

Two other Lions are hitting at a better than .300 clip—Molloy with 3 hits in 9 trips, and Mickle, with 4 safeties in 12 times at bat.

Here is the way they stand after four games—times at bat, number of hits and percentage:

Horney 13 — 5 — .385; Kingery 9 — 1— .111; Dunton 11 — 1 — .099; Robinett 11 — 3 — .273; Mickle 12 — 4 — .333; Grooms 12 — 6 — .500; Anders 8 — 2 — .250; Molloy 9 — 3 — .333; Graves 2 — 0 — .000; Campbell 1 — 0 — .000; and Martin 7 — 2 — .286.

As a team the Lions have collected 27 hits in 95 times at bat in four games.

Coach Jim Lipinski had some very complimentary things to say about the squad's two managers, Dick Butcher, a sophomore, and Ray Loudner, a seventh grader. He said they not only take good care of the equipment and keep it in order in the field house, but also spend many hours working on the playing field on Circle Avenue.

Chilly Beauty Due In Contest

ATLANTIC CITY, N. J. (AP)—There's sure to be a cold beauty in this year's Miss America contest.

Girls from Alaska will be admitted for the first time, the pageant committee has announced.

Santee Primed For Miracle Mile

LAWRENCE, Kan. (AP) — Wes Santee, America's greatest distance star, says he feels the 4-minute mile will be within his grasp Saturday if weather conditions are good.

The long-legged lad from the plains of western Kansas hopes to beat the world record of 3:58, set by Australia's John Landy last year, in the 30th Kansas Relays.

The only other man to run the mile in less than 4 minutes is Dr. Roger Bannister of London who had a 3:59.4.

"I think I'm ready to unwrap a good one if the weather is right," Santee said today.

Card Rookies Find Redlegs Soft Touch

CINCINNATI (AP) — Two rookie pitchers from St. Louis had no trouble last night solving the riddle of Cincinnati hitting. The Cardinals blanked the Redlegs, 3-0.

Luis Arroyo, a 27-year-old lefthander from Penuelas, Puerto Rico, was making his first start as a major league pitcher. But he hurled fast balls and curves like a veteran. Arroyo permitted only five hits, all in the first four innings.

He was a bit wobbly in the first frame when he gave up a single to Johnny Temple, a wild pitch, and a walk to Wally Post. But the lefty settled down and from the fourth to the seventh he retired 11 Redlegs in a row. Then his pitches started to miss the corner of the plate. With two out in the seventh, he walked two straight pinchhitters before getting Temple out.

In the eighth, Arroyo walked two more men and Manager Eddie Stanky brought in Herb Moford, Brooksville, Ky., righthander. Moford had no trouble in making Ray Jablonski fly out to finish the eighth. In the ninth, the Reds went down one-two-three.

Art Fowler, charged with his third loss, allowed seven hits, including a homer by Joe Frazier in the fourth inning with Rip Repulski aboard.

Percy Beard, track coach at the University of Florida competed for the New York Athletic Club in indoor meets for five years and lost only one race.

W. C. Rylander of Lubbock, Tex., took up bowling at the age of 68. Now at 83 he has a 150 average in league play.

Zulueta Elated, Defeats Carter

WASHINGTON (AP) — "For the championship, I take him easy," Cuba's Orlando Zulueta says after winning a 10-round split decision from lightweight champ Jim Carter.

Carter, whose title wasn't at stake in last night's bout over a national television hookup, didn't have a word to say. But his manager, Willie Ketchum, made up for it: "What a lousy decision."

Here's how the first was scored: Referee Harry Volkman, 96-93 for Zulueta; Judge Joe Bunsa, 97-94 for Zulueta; Judge Benny Alperstein, 97-93 for Carter.

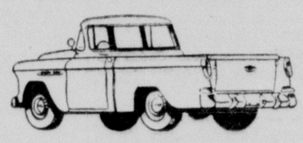
NEW CHEVROLET Task-Force TRUCKS
with a whole truckload of new advantages for you!

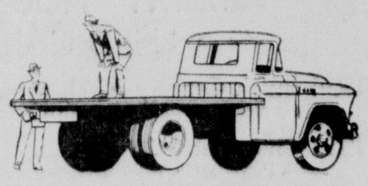
Here's what happens when America's No. 1 truck builder pulls out all the stops! Here are some of the new advances ready to work for you right now.

New Chevrolet Task-Force Trucks do *more* jobs faster, better and with new economy. If you've got a job for a truck, we've got the *modern* truck for your job! Look over the new features and advances highlighted here—no other line of trucks offers so much that's new. Then come in and look over these Task-Force Trucks in person.

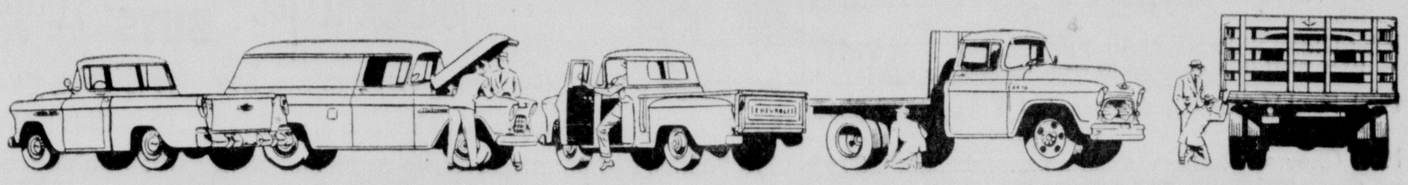
CHEVROLET



1 *New styling in trucks* It's Work-Styling—an exclusive development in truck design with two distinctively different styling treatments to match the job.



2 *New 18,000 lb. G.V.W. capacity* New Task-Force Trucks are built to handle loads of all sizes. Capacities now go all the way up to 18,000 pounds G.V.W.

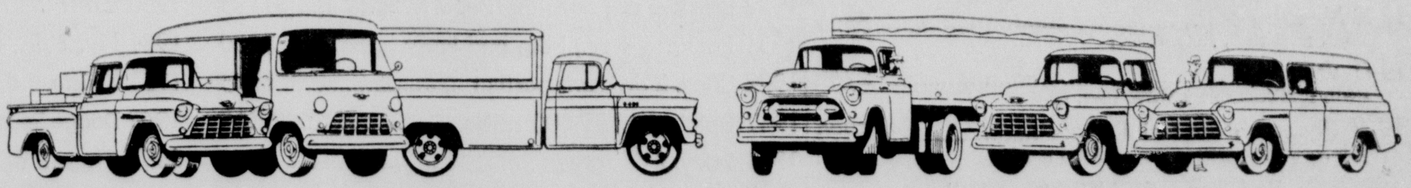


3 *Six new "high-voltage" engines* All new engines feature a 12-volt electrical system for faster, surer starts; increased generator capacity—plus many exclusive advances.

4 *The cab is as new as the view* New Sweep-Sight windshield—plus more glass all around. New High-Level ventilation. New softer seats—new cab construction.

5 *A smoother, load-steady ride* New suspensions front and rear provide a smoother ride. New concealed Safety Steps guard against mud, snow, or ice.

6 *New standard-width frames* All models now have new standard-width frames, with larger full-length parallel side members. They're more rigid and durable.



7 *New Overdrive or Hydra-Matic* New Overdrive is now available as an extra-cost option on ½-ton models and truck Hydra-Matic on ½-, ¾-, and 1-ton jobs.

8 *New Power Brakes and Tubeless Tires* Power Brakes are standard on 2-ton models, optional at extra cost on all others. Tubeless tires standard on ½-ton models!

9 *New handling ease with Power Steering* Chevrolet Power Steering now available on all Chevrolet Task-Force Trucks, optional at extra cost.

10 *New colors! New two-tone combinations* Take your choice of a longer-than-ever list of attractive new colors and handsome two-tone combinations.

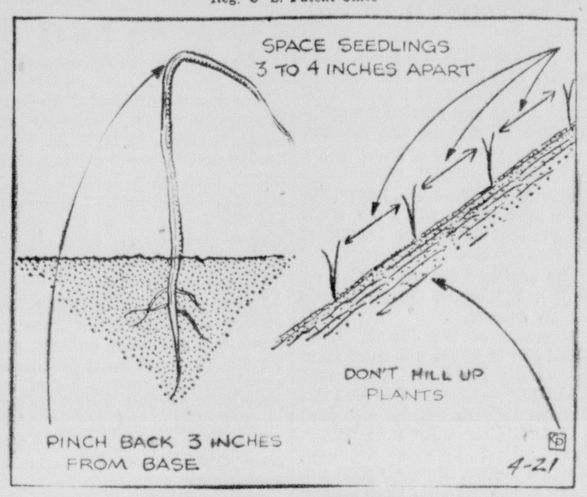
TODAY'S GARDEN-GRAPH

Reg. U. S. Patent Office



Know Your Onions

By DEAN HALLIDAY
Distributed by Central Press Association

THERE are white, red and yellow varieties of onions, and there are early, medium and late crops, so it pays to "know your onions" before planting them.

Onions are grown from seeds, sets and transplants, also called seedlings. Unless onion seeds are planted early in northern zones it is best to set out "sets" or transplants.

Seeds should be planted as early as the soil can be worked. For best results with onions the soil should be fine, fertile and well drained. The young plants must be kept free from weeds by frequent and shallow cultivation. Weeds between the plants must be pulled by hand, so don't make your onion planting too large.

The onion seedlings which are pulled out at thinning time should be saved. The sturdiest of them can be replanted three to four inches apart in rows, as shown in the accompanying Garden-Graph.

Such onions as are transplanted should have the tops pinched back to within three inches of the base of the plant, as illustrated. Don't hill up the soil around the young plants.

It is only a waste of time and labor to grow onions from seed planted in poor soil, or in sod-soil, which has just been turned.

Man Is Pinned Under Tractor

Robert Williams Has Close Call

Robert Williams, 47, employed on the Robert Armstrong farm near Parrott's Station, had a narrow escape from serious injury and death early Thursday, when a farm tractor he was operating struck a stump and overturned, pinning him beneath it.

For sometime Williams, who was drenched with fuel oil from the tractor, called for help but no one heard him.

However, Jack Armstrong, not hearing the noise of the tractor looked across the field, and seeing the tractor with wheels in the air, hurried to the scene and found Williams pinned beneath the tractor.

Robert Armstrong, father of Jack was called and the two men used a jack to raise the tractor sufficiently to permit Williams to be dragged from beneath it.

He was placed in the Armstrong car and brought to the office of Drs. A. D. and Robert Woodmansee, where X-ray pictures were taken and the injuries were found to consist of bruises and a badly sprained knee and ankle.

He was taken back to his home and is expected to recover rapidly from his injuries and shock.

Mrs. A. L. Osborn Dies Near Sabina

Mrs. A. L. Osborn, 81, died at 5:15 A. M. Friday at the home of her daughter, Mrs. Leonard Yockum of near Sabina. Mrs. Osborn had been in failing health for a year, and her illness had been serious for the past five months.

A native of Mowreystown, she had moved to her daughter's home a year and a half ago. She was a member of the EUB Church in Mowreystown.

In addition to Mrs. Yockum, she leaves another daughter, Miss Beulah Osborn of Hamilton and a brother, William Lauth, and a sister, Mrs. J. A. Freeh, both of Sardinia.

Funeral services will be held at 2:30 P. M. Sunday at the EUB Church in Mowreystown, with Rev. L. W. Tuttle of Chillicothe in charge. Burial will be in the Mowreystown Cemetery, under the direction of the Littleton Funeral Home in Sabina.

Friends may call at Mrs. Leonard Yockum's residence near Sabina between 4 P. M. Saturday and noon Sunday.

Tuition Going Up

YELLOW SPRINGS (AP)—Antioch College announced today it will increase its tuition from $730 to $800 yearly next fall.

Courts

An affidavit filed in lieu of a schedule of claims in the Claude Allen Stark estate, has been approved by the probate court.

NO TAX LEVIED

The Josephine Davis estate has been found to be exempt from inheritance taxes.

ASKS GUARDIANSHIP

Allan E. White has made application to the probate court to be appointed guardian of Jane Ann McCoy Campbell, a minor. Hearing on the application was set for April 22.

APPROVAL GIVEN

An inventory and appraisement filed in the Chester L. Cook estate has been approved.

HEARING DATE SET

Judge R. L. Brubaker has fixed May 23 for hearing claims filed against the Will DeLaRue estate by Hazel DeLaRue, administratrix of the estate.

SALE CONFIRMED

Sale of personal property in the Charles Lininger estate, at private sale, has been approved by the probate court.

NAMED ADMINISTRATOR

Colin C. Campbell has been named administrator of the Kate C. Campbell estate, and furnished $6,000 bond.

Nationwide Alert

(Continues from Page One)

went off, he was pouring concrete in the driveway that leads to his garage. And in the garage was his car.

After some fast shoveling, he scooped away enough of the wet concrete so he could get out his car and drive to the air field.

Anthony J. Saponaro, a Massachusetts National Guard staff sergeant, didn't let a baby-sitting problem interfere with "Operation Minuteman."

His wife was out and he was baby-sitting with his year-old son Jan when the alert was sounded. So he took the baby with him.

Maj. A. Kenneth Palmer found himself in the role of a Revolutionary War minuteman.

When the test alert came, Palmer was behind a plow on his farm near Boston.

His wife shouted across the field and, like a minuteman of the Revolution, Palmer left his plow and hurried off to join his unit.

Motorist Honored

YOUNGSTOWN (AP) — The one-millionth vehicle passed through the Eastgate section of the Northern Ohio Turnpike at 8:15 a. m. today. William W. Brueckman, 31, of Pittsburgh, Pa., a sales engineer, gained the distinction.

Cancer Crusade Tag Day All Set

Four Groups of Girls To Carry Out Project

The Cancer Crusade, which started in Fayette County last Sunday, will come to a close Saturday with a tag day conducted by four groups of girls—two 4-clubs, a Camp Fire Group and a Girl Scout troop.

Taking turns for short periods of time, the girls will give the little red plastic "Sword of Hope," the symbol of the American Cancer Society, to those who drop a contribution in the coin cans each girl will carry.

Each of the girls will wear an arm band designating her as a Cancer Crusader.

Adult leaders, Mrs. Kenneth Horney, chairman, Mrs. Betty Rhoads, Mrs. Wayne Boyer and Mrs. Sheldon Grubb, will be in charge of the project.

The youthful volunteers get recognition in their organizations for their participation in this public humanitarian service.

Also on Saturday evening, members of the Beta Iota chapter of Epsilon Sigma Alpha sorority are to make a collection of contributions in the Fayette Theater following the showing of short film on cancer entitled "Will Research Find Out?" This project was arranged by Patty Boso.

Here are the girls, and their organizations, who will take part in the Saturday tag day from 9:30 A. M. until 5:30 P. M.:

GIRL SCOUT TROOP 1 — Mrs Betty Rhoads, leader, Mary Kay Shipley, Carol Row, Joy Jerral, Sally Hamilton, Jean Hamilton, Buelah Hooks, Erma Hooks, Karen Hyer, Mary Seymour and Shelby Tubbs.

Carolyn Haggard, Evelyn Haggard, Nola Addy, Joan Killinder, Donna Mitchem, Julia Leaverton, Sherry Jo Seyfang, Barbara Shoop, Oleto Hilliard and Sherry McCune.

WADITAKA CAMP FIRE GROUP — Mrs. Wayne Boyer, leader, Pamela Edgington, Ninette Edgington, Virginia Ferguson, Patty Coulley, Bonnie Locey, Susan Hopkins, Connie Henley, and Sandy Shipley.

SEAMIN' DEMONS — Mrs. Sheldon Grubb and Mrs. Kenneth Horney, leaders, Beverly Horney, Sharon Grubb, Rebecca Graves, Ann Lentz, Carol Hyer, Karol McCune, Ann Killinder, Diannne Thompson, Donna Dale Reisinger, Shirley Walker, Carolyn Walker, Judy Southworth, Zola Hooks and Ann Waters.

MERRY STITCHERS — Mrs. Williams, leader, Carolyn Williams, Janice Chaney, Joyce Rhoads, Barbara Cutlip, Judy Cahall, Donna Mitchem, Betty Whiting and Sandy Mickle.

GRAND JURY CALLED

HILLSBORO — The Highland County Grand Jury has been summoned for May 16.

Junior Band Concert Wins Loud Applause

The concert given by the WHS Junior Band in the high school auditorium Wednesday night today had the big Varsity Band looking to its laurels; for it was that kind of a concert; the kind of a concert that brought wave after wave of applause for the sixth and seventh graders.

The Junior Band of 54 pieces is only about half as big as the Varsity Band, but what it may have lacked in numbers was made up by enthusiasm and quality.

Looking very natty in the bright blue uniforms with the white trimmings, the Junior Band made a striking appearance on the stage. Sitting rigidly at attention, with their instruments precisely held in position until, they rose as one when Bandmaster William B. Clift came in and steppd upon the podium and raised his baton for the first number, a march appropriately entitled "Here Comes the Band."

The Junior Band inherited its uniforms from the Varsity Band, when it got its new uniforms last year. Most of them had to be cut down to fit and some needed a bit of minor repair work, but the young musicians wore them with such pride that no uniforms could have looked better.

• • •

THE PROGRAM was packed with specialties and novelties. The second number was a cornet duet, "Friend," by Barbara Rose and Tommy Rodenfels.

The first of several difficult numbers followed, "Russian Choral and Overature," based on folk tunes.

In the next group of three numbers there was a trombone novelty, which featured the trombone section; a march, and "Pepperino," which featured a clarinet solo by Jowanda Wilson.

Leading up to the intermission were two number for the entire band, "Bolero Non" and "Little Rastus," which received enthusiastic response.

The second half of the program opened with another novelty, "An Old Time Political Parade" that was marked by vocal hurrays and barking of dogs by the band.

"An Earl" that feature the saxophones of Jane Davis and John Leland and "The Velvet Glove" set the mood for another novelty that brought the house down, "The Three Bears," a comedy sketch that was narrated by Pat Woodyard.

A short musical trip south of the border, with toubadores and senoritas, was taken with "Pan-American," a tune that carried the Spanish type of melody and rhythm.

A waltz, "Melody of Love" and a march "Teamwork" brought the program to a close while the audience that nearly filled the lower floor of the auditorium applauded its appreciation.

The audience refused to give up until it had called the band back for an encore.

Members of the Junior Band, about half of whom will move up to the Varsity Band next year, are:

FLUTES — Carolyn Williams and Carolyn Hillard.

CLARINETS — Jowanda Wilson, Jane Alkire, Latricia Robinson, Marilyn Miller, Ronny Coffman, Raymond Minshall, Latricia Lambert, Paulette Pennington, Dixie Coe, Marveen Smith, Sharon Pritchard, Ileen Cunningham, Patty Knedler, Carol Pitzer, Randy Mann, Ann McDonald, Edith Bach, Paula Slagle and Ann Johnson.

ALTO SAXOPHONES — John Leland, Jane Davis and Shirley Milstead.

TENOR SAXOPHONES — Rebecca Graves and Tom Baer.

TRUMPETS — Blaine Rice, Jerry Crissinger, Buddy Lynch, Jerry Wright, Duane Callender, Barbara Rose, Jack Moats, Jimmy Kirk, Max Milstead, Ronnie Johns, Tommy Rodenfels, Jane Meriweather, Malcom Potter and Jimmy Goolsby.

FRENCH HORNS — Patsy Woodyard, Nancy Grim and Helen Ducey.

BARITONES — Sheryl Elliott and Joyce Hamilton.

TROMBONES — Randy Trace, Gilbert Thomas and Dennis Orner.

SOUSAPHONES — Bill Edmonson and Joe Coulter.

DRUMS — Charles Hire, Mary K. West, Billy Crosswhite and Richard Hollar.

Ohioans OK Dam

WASHINGTON (AP)—Ohio Republican Sens. Bricker and Bender yesterday voted for a bill authorizing the Upper Colorado River dam project, passed by the Senate, 58-23, and sent to the House.

"IT'S SO EASY TO PLACE A WANT AD."

Patrol Arrests Drunk Drivers

Others Are Picked Up Here Wednesday

Two men were picked up by State Patrolman D. M. Holloway on Route 22, west, at 10 P. M. Wednesday on charges of driving while drunk. Both were brought to city jail to await appearance in municipal court.

The men were: Clarence F. Starcher of near Sabina and Virgil R. Newland, Sabina.

Three persons were taken into custody about 11:30 P. M., one for drunk and disorderly conduct, and the other two for being drunk. All were from Columbus. Listed for disorderly as well as drunk was Anne Caridias. She furnished $25 bail and the two men charged with plain drunk posted $25 bond for appearance.

Claude Spears, Charleston, W. Va., posted $20 on a reckless operation charge.

Denver Earl Harbin, Clarksburg, W. Va., was arrested for driving 44 miles on South Fayette Street and Austin E. Woodward, Chillicothe, for a similar offense.

Paul Ary was charged with passing a school bus while children were being unloaded. Deputy Sheriff Robert McCarthur filed charge, Ary is from Jamestown and the deputy sheriff reported he saw the offense committed. The bus had stopped on the Jamestown Road at a house near Washington C. H.

Richard James Penwell, city, was picked up for allowing his motor vehicle to make excessive noise.

Wanda Russell and Bessie Howe were cited on charges of disorderly conduct by using obscene and profane language, the charges having been filed by Betty Miller.

FORMOSA STRAIT TRUCE NEW U.S. PLAN

District Crown Is Won by Good Hope Drill Team

State Championship Is Now Objective of Fayette County Group

The Good Hope Grange drill team today was looking forward to May 7 with high hopes of taking the state championship in competition at West Jefferson then.

The team, now representing Fayette County Granges, won its first big victory when it emerged from the sectional competition at Olive Branch, near Springfield, about two months ago.

Then, Wednesday night, the Fayette Countians went on to win the district title in competition with the Pickaway County team in the high school gymnasium at Yellow Springs.

Next comes the state competition in which the Good Hope team will go up against probably four of the best Grange drill teams in the state at West Jefferson.

J. Herbert Perrill, the Fayette County Grange deputy, said of the performance at Yellow Springs that the Fayette County team members may be getting a little nervous and tense, but that they have confidence and determination as they look ahead to their big chance.

"They have worked hard," he

No Disloyalty Seen At Yalta

WASHINGTON (AP) — Sen. Fulbright (D-Ark) quoted Secretary of State Dulles today as having testified he has found no evidence of disloyalty by any U. S. representative at the Yalta conference.

Some Republicans have made much of Alger Hiss' presence at the World War II Roosevelt-Churchill-Stalin meeting. Hiss has served a prison term for perjury in connection with his denial that he ever passed State Department secrets to a Communist courier.

Ohio Betting Law Faces Court Test

COLUMBUS (AP) — The Ohio Supreme court today gave the state racing commission until May 21 to show why parimutuel betting should not be banned in Ohio.

The court acted on the request yesterday of Charles P. Masterson and other Clevelanders for a writ of prohibition against state sanctioned horse-race betting.

Masterson claimed the wagering violated a state constitutional ban against lotteries.

Meanderings

By Wash Fayette

The "Spotlight on Automobiles" that put the spotlight on all of those sleek and colorful new models in the parade here Saturday focused attention belatedly on one of the oldest cars in these parts still in use.

It is a 1916 Ford coupe. . .one of those old model T jobs that had three pedals instead of a gear shift lever.

It is owned by Jess Banion of South Solon and he drives it regularly into Jeffersonville where he still does a good bit of trading and visiting among his old friends. Occasionally, he drives on down to Washington C. H.

Warren Williams, headman of the Jeffersonville Auto Co. for many years, sold it to Banion when he had the agency for the Ford until 1927. Williams took on the Chrysler agency then, but gave it up in 1939 when he went to the state Legislature as the representative from Fayette County.

The venerable old Ford still runs right along and Banion's not interested in trading it for a new car because he says "I couldn't learn to drive one with all those levers and gadgets."

Incidentally, Banion considers his old model T as a good useable automobile and not as an antique museum piece without utility value.

A post script to this story has just occurr to me:

I stopped for a few minutes down in Leesburg a few weeks ago and a man drove up with a car I feel certain was older than Banion's Ford. He has some youngsters in it giving them a ride. I'm going to ask Mack Sauer, Leesburg's editor and public speaker, to try to get a picture of this one and the background story.

Asian Parley OKs 2 New Proposals

BANDUNG, Indonesia (AP) — The Asian-African conference's political committee drove to quick decisions on the Palestine and Dutch New Guinea questions today. But storms loomed over proposals for peaceful coexistence between communism and other social systems.

The No. 1 conference committee made relatively smooth progress on the Arab-sponsored, Red Chinese - backed resolution supporting the Palestine Arabs. It then approved a watered-down motion asking a quick solution of Indonesia's claims to Dutch-held Western New Guinea.

The New Guinea resolution backed the Indonesia stand in the dispute and urged the Netherlands government to reopen negotiations with the Jakarta government. The committee also approved an Egyptian resolution urging France to grant independence to Tunisia, Morocco and Algeria.

The watered-down motion on West New Guinea was threshed out after some delegations balked at an original Indonesian resolution. The critics charged it constituted a condemnation of the U. N.

* * *

INDONESIA'S resolution called on the conference to express "regrets" that the last U. N. General Assembly "failed to assist the participants (Indonesia and the Netherlands) in a peaceful solution of their dispute." The Assembly refused to support Indonesia's claim for independence of West New Guinea from the Netherlands.

The Indonesian proposal finally was referred to a nine-nation subcommittee to seek an agreed resolution after Pakistan's Prime Minister Mohammed Ali asserted, "we should not condemn the U. N."

Indian Prime Minister Nehru charged that Ali was "trying to shield some big powers," but the Pakistani was supported in his defense of the U. N. by the delegates from Turkey, Lebanon, Ceylon, Jordan and Iraq.

Red China's Premier Chou En-lai launched the debate on coexistence with a statement that the "peaceful coexistence of countries with different social systems can be realized." He and Nehru both brought up the issue.

Several delegates were reported prepared to fighting against any resolution that did not contain guarantees against aggression by international communism.

Among these was Ceylon's Prime Minister Sir John Kotelawala. Conference sources said he would call on Chou to repudiate the Cominform (communism's international arm) to show "if he really believes in peaceful coexistence."

* * *

ARAB LEADERS considered the Palestine stand a victory for their cause. They charged that Israel, which was not invited to the conference, has refused to comply with resolutions which would require her to repatriate Arab refugees, provide compensation for those who lost their lands, internationalize Jerusalem and cede some territory to the Arabs under a partition plan.

Chou, who has been courting Arab friendship at the conference, aided in drafting the resolution.

Bloodmobile Coming Here Next Thursday

Thursday, April 28, will be a rewarding day in the lives of many blood donors here. That's when people here will have the opportunity to get a good deal of self-satisfaction by giving their blood to help save others.

The Lioness club, which has demonstrated by past performance that enough donors can be rounded up to meet the 150-pint quota for Fayette County, has assumed the responsibility of recruiting volunteers for this visit of the Bloodmobile.

Mrs. Charles Buxton who heads the Lioness committee announced the Bloodmobile will be at First Presbyterian Church between 10 A. M. and 4 P. M. on April 28.

She pointed out that Fayette County has not been keeping up with the rest of the state in blood donations. But yet the Memorial Hospital here last year used more blood than was given locally. Which means tht part of the blood used here must come from elsewhere.

Mrs. Buxton cited two recent cases when outside blood was needed here. One involved a farmer who was injured in a tractor accident. The hospital didn't have his correct type blood on hand, but the Red Cross, through Mrs. Fred Cahall, had four donors at the hospital in 20 minutes.

Blood was rushed from the Columbus center in one hour early one morning recently for a girl who has been in an auto accident near here. The hospital did not have her type nor was there a donor available.

Mrs. Emma Griffiths, president of the Lioness Club reminded all Lioness members to either give their donor pledge cards to Tom Mark or call Mrs. Fred Cahall no later than Saturday, April 23.

Anyone wishing to donate can have a specific appointment, which will save time, she said.

Eighteen members of the high school organization, the Future Nurses of America, plan to observe the donation procedure Thursday afternoon. Miss Suzanne Willis is sponsor of the group.

Midwest Getting More Showers

CHICAGO (AP) — Thunderstorms continued in parts of the midcontinent and rain fell in sections of the East and Far West but other parts of the country had fair weather today.

The dust storms that swept across Southwest areas appeared to have ended as winds diminished.

A narrow belt of heavy thunderstorms extended from extreme southern Indiana southwestward across western Tennessee and to eastern Oklahoma. More than two inches of rain fell in Memphis and more than one inch in parts of Arkansas and Kentucky.

Postmaster OKd

WASHINGTON (AP)—The nomination of Adolph F. Raab as Lancaster, Ohio, postmaster was confirmed yesterday by the President.

Contract Is Let For New Bridge

Improvement Set For Leesburg Road

Contract for the new bridge over Sugar Creek, and the approaches, on the Leesburg Road three miles southwest of Washington C. H. has been let by the State Highway Department. The bridge is to be completed by Nov. 30 of this year.

Nelson Bahan of Urbana was the successful bidder. He said he plans to start work on the structure within a short time.

The estimated cost of the bridge and approaches, 2-3 of a mile overall, was $138,900. Bahan's bid was $119,477.14.

Traffic will be maintained during most of the time the work is under way, it was indicated, as the new bridge will cross Sugar Creek at a pronounced angle in order to eliminate the two bad curves which exist on the approaches at the present time.

The bridge proper will be of steel and concrete, 40 feet wide. The approaches will be 20 feet wide for the traveled surface.

Th structure will consist of two spans each 48 feet in length and a center span 60 feet long or a total length of 156 feet.

At the present time pronounced curves exist both north and south of the bridge, but when the new strucutre is erected, both curves will be reduced until the present dangerous condition is eliminated.

The project in one of the major state highway jobs in the county this year.

At the present time work on a new bridge over Paint Creek, on Route 753, two miles south of Greenfield, is under way, and the structure will be ready for use within the next two or three months.

Rocket Kills 5

PUSAN, Korea (AP)—A rocket exploded accidentally at a U. S. Army depot 40 miles northeast of Pusan yesterday, swooshed 700 yards into a group of Korean villagers, killed five.

Senate Panel OKs Turnpike Change Bill

Surprise Move Comes As House Kills Quail Shooting Measure

COLUMBUS (AP)—The Ohio Senate had before it today a bill to recapture legislative control over future turnpikes.

The Senate Highways Committee, in a 12-minute meeting which was not announced in advance, recommended passage of the bill, 4-2.

Opponents have expressed belief the turnpike bill, sponsored by Senate Highways Chairman David McK. Ferguson (R - Guernsey), would spike attempts to build more Ohio turnpikes.

The action came only minutes after the House had killed 46-77 a proposal to permit a quail-shooting season in Ohio for the first time in 40 years and the Senate had passed and sent to the House a bill to outlaw the "gypsy" truck unloading racket.

Another controversial measure cleared the House yesterday, a bill to permit fire insurance companies to write casualty insurance, and vice versa. The bill now goes to the Senate where its fate is uncertain.

The Legislature ends its 16th work week today with a Senate vote on a House-approved bill to set $25 to $200 fines for persons who abandon refrigerators of more than 1½ cubic feet capacity where children might have access to them, become trapped and suffocate.

The turnpike bill action was taken on a 4-2 vote with Sens. William Tyrrell (R-Preble) and Stephen Olenick (D-Mahoning) dissenting. Voting with Ferguson were Sens. Fred Danner (R-Summit), Lowell Fess (R-Greene) and Arthur Bakke (D-Belmont).

The bill turns over the decision of future turnpike routes, now resting with the governor, to a turnpike committee made up of three senators, three members of the House and one member appointed by the governor.

The bill further provides that after the project is approved by the legislative committee, responsibility for issuing turnpike bonds shall rest with the commission.

Olenick protested the hasty call of the meeting to report the bill out to the Senate floor. Said he: "I believe it is unethical to vote the bill out in this manner."

Fess earlier had said he would vote against recommending the bill for passage. He explained yesterday his favorable vote was "in the spirit of cooperation."

Tyrrell, who had said earlier he would vote to recommend the bill out of committee, said he didn't want his "no" vote interpreted as an endorsement of the turnpike commission's operations.

GIs In Germany Given Warning

MUNICH, Germany (AP) — Gen. Anthony C. McAuliffe has warned American servicemen in Germany that their living conditions would become "more austere" after West German sovereignty.

The U.S. Army's European commander said that there would be many cuts in services for Army families when Allied forces switch from occupation status to being "guests of the German federal republic."

Ohio Senate OKs Land Annex Bill

COLUMBUS (AP)—The Ohio Senate yesterday approved, 28-0, and sent to the House a bill which would leave the transfer of school district territory in connection with a municipal annexation of land in the hands of the new state board of education.

The board's decision whether to leave an old school district intact or to transfer part of it to the municipality would be final.

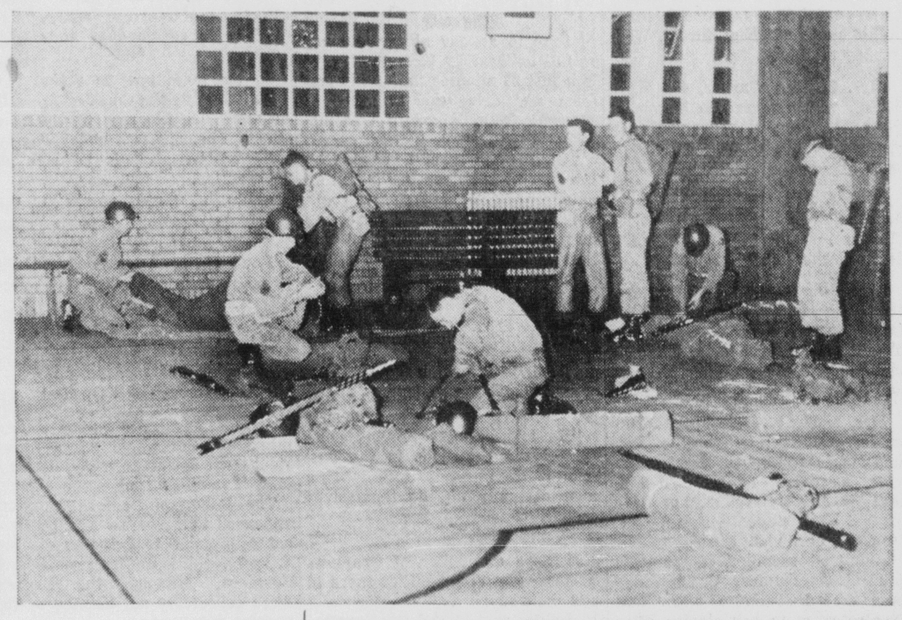
Girl Pencils Suicide Message In Sand

RIPLEY (AP)—A 14-year-old girl pencilled her message of love in the sand and then shot herself to death yesterday along the banks of the Ohio River.

Authorities said Carolyn Riddle, an eighth grade pupil, wrote:

"Can't live without you, Jerry, I love you so, I can't live."

Company M Is Given Praise For Mobilization at 'Alert' Here



Nine Out of 10 Men Respond To Emergency Call

Thursday evening was "it" for the men of Company M, along with members of other National Guard units from coast to coast.

The national alert was announced early this month, but the date and time were kept secret until the last moment. The alert was finally flashed through police and sheriffs' radios and over commercial networks at 6:30 P. M. Thursday.

Termed a "big success" by Capt. Homer Davis, commander of Company M, the surprise call brought out nearly nine men out of every ten signed up with the unit.

First man to reach the Armory here was Capt. Davis. He was in his car near here when the alert was flashed and was flagged down by Cpl. Bruce Fry of the Wilmington Highway Patrol barracks.

Next to reach the Armory was Lt. Charles Wimer, who was bound for a training school in carburetor repair. He had just left home when he heard the alarm on his car radio.

By 6:36, Sheriff Orland Hays had arranged to have the "riot call" sounded on the Court House bell. From then on, men poured into the Armory.

The final count, revealed an 87 percent turnout, as compared with a nationwide average of about 80 percent.

* * *

SPECIFIC ASSIGNMENTS for each unit was left to company commanders. Capt. Davis assigned men to prepare their combat packs and bedrolls, so they would be prepared to move wherever the imaginary "enemy" might threaten water supplies, power distributing lines and the like.

The unit stood by awaiting any emergency call until 11:15 P. M. The packs and bedrolls were left set up, since the guardsmen will need them in three forthcoming maneuvers.

The first of the three will be a field training problem to be carried out in the county on the weekend of June 18 to 19. On July 9 and 10, the men will take part in a range firing program at Camp Sherman in Chillicothe, and from August 15-30, they will attend the summer field trip at Camp Breckenridge, Ky. They'll need their packs and rolls for all three operations.

* * *

AMONG THE men who rushed to the Armory when they heard the call were some who had to drive from points as far as Dayton and Springfield, Capt. Davis said. Others came from South Charleston,

(Please Turn to Page Two)

Death Ends Belated College Entrance

DELAWARE (AP)—A woman who waited 15 years before she could go to college has died here of cancer, ending her academic life in the freshman year.

Funeral services are planned today for Miss Kyio Ito, 33-year-old New Yorker who started last fall as a freshman at Ohio Wesleyan University.

Financial problems and her ailing father prevented her going to college after graduation in 1939 from high school in New York City.

WHIPPING THEIR COMBAT PACKS TOGETHER are eight of the men of Company M called out by Wednesday night's practice alert (top photo.) Drivers of the company's jeeps and trucks fill out trip tickets (bottom photo) so they will be able to carry out their assignments at a moments notice. Their jobs are to carry the units troops to any point that might be threatened by the imaginary "enemy". Like the troops, the vehicles stood ready to go from the time the alert was first sounded at 6:30 P. M. until the "all-clear" at 11:15. (Record-Herald photos)

Nationwide Guard Alert Given 'Excellent' Label

By The Associated Press

Ohio National Guardsmen took their posts in a hurry last night in a practice mobilization, part of the first nationwide Guard alert in history.

More than 10,000 of the state's homes, jobs and recreation to join the ranks in armories and airfields. The turnout was termed "excellent" by state officials.

First call in the surprise alert went out at 6:30 p.m. via the state highway patrol communications network and radio and television stations.

Unit commanders in turn started pre - arranged operation plans, gathering their units' strength and launching scheduled exercises.

Maj. Gen. Leo M. Kreber, state adjutant general, said there were "a few minor hitches, as was to be expected the first time an alert of this nature is attempted."

A headquarters spokesman said these difficulties were mainly inability at first to reach a few unit commanders. Date and time for the alert had been kept secret.

Alert exercises were left to the discretion of unit commanders, who in some cities sent their men out to guard newspapers, broadcasting stations, power plants, water supply units and other strategic areas.

The Pentagon announced early this month there would be an alert, but details of day and time were kept secret until yesterday morning when adjutants general of states and territories were notified.

Gen. Kreber said Ohio's mobilization was carried out with mal activities in the state. The alert was ended after three hours.

Gov. Frank J. Lausche visited Fort Hayes in Columbus during the alert and inspected units there.

Guard headquarters reported 34 jets with crews aboard ready to go aloft within an hour after the alert.

Today, the Guard's new role in this era of possible atomic war, a minute-man's defense of the homeland, drew praise from defense planners.

Guardsmen in more than 2,000 communities from Florida to Alaska sprang to arms or took to the air in response to the surprise alert flashed from the Pentagon.

Maj. Gen. Edgar C. Erickson, chief of the National Guard Bureau, said preliminary reports gave "conclusive proof" that the Army and Air Guard can be assembled by the state governors in a "rapid and efficient manner for service in any state or national emergency."

It may be days before reports are in from the 5,600 guard units listed to take part in the big test. But the National Guard Bureau estimated early this morning that 280,000 men were at their battle stations or assembly points within two hours of the zero hour which was known in advance to only a few officers.

This turnout represented 8 out of every 10 citizen soldiers who were on the "alarm" lists prepared by the state guard organizations for this first continent-wide mobilization test in peacetime history. Officials stressed that it was a test only, with no cause for alarm.

Some 50,000 of the Guard's current total strength of about 400,000 men were excluded from the alert because their units are undergoing reorganization.

There were some interesting sidelights to the surprise alert.

In Salt Lake City, Roland R. Wright knew he had to hurry to the air field when the alert sounded.

He's a lieutenant colonel in the Air National Guard and Commanding officer of the 191st Fighter-bomber squadron.

But when the practice alarm

Abandonment Of Off-Shore Isles Hinted

Special Mission Sent To Talk With Chiang; British Influence Seen

WASHINGTON (AP) — The United States was reported today to have sent a hurry-up mission to Formosa to test Nationalist sentiment for drawing a cease-fire line down the middle of the embattled Formosa Strait.

The cease-fire line brought speculation that this would mean abandonment by the U. S. of intentions to defend the off-mainland islands of Quemoy and Matsu. The Eisenhower administration never has specifically stated what it plans to do in regard to these two tiny islands in case the Chinese Reds start invasions there.

A major factor credited in top congressional circles with influencing the mission was a reported stepup in Russia's deliveries of late type jet planes to Red China.

Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, and Asst. Secretary of State Walter S. Robertson left yesterday on a 10-day trip to the Nationalist Chinese capital of Taipei. Their plane took off within two hours of the announcement they would go. A scheduled Radford visit to Europe was called off.

* *

IT WAS UNDERSTOOD intelligence reports indicate the Soviets recently have increased shipments of jets to the Chinese Reds. Some of these were said to be of the latest types comparable to the best U. S. planes.

It is the understanding in Congress that none of these planes yet has shown up at a series of air bases being rushed to completion by the Communist along the coast opposite Formosa and near Quemoy and Matsu.

"No crisis is involved," Secretary of State Dulles said as he left for a weekend vacation.

He said the Radford-Robertson trip to see Nationalist leader Chiang Kai-shek involved "normal maintenance of contact in a situation that is admittedly serious."

Assignment of Robertson and Radford to the Formosa mission was considered to be significant. It gave rise immediately to speculation that the United States had a bitter pill it wanted Chiang to swallow.

Both Robertson and Radford are tough-minded anti-Communist bat-

(Please turn to page two)

Pair Nabbed In Lima For Bank Holdup

LIMA (AP)—The Federal Bureau of Investigation today announced the arrest here of a man and woman in connection with the $2,100 robbery of the Bendena, Kan., State Bank yesterday.

W. G. Simon, special agent, identified the couple as Herbert C. Griffith, 25, who was discharged from the Air Force at Lincoln, Neb., Monday, and Mrs. Alice Evelyn Green, 23, of Lincoln.

The FBI said an undetermined amount of money was found in Mrs. Green's possession when the couple was picked up today.

Simon said Mrs. Green formerly was employed by a finance company in Lincoln. Griffith was identified as a native of Vaughnsville, Ohio, who claims residence at Fredericktown, Ohio.

Simon said complaints charging Griffith and Mrs. Green with the robbery were filed late yesterday before the U. S. commissioner in Kansas City, Kas.

Bond of $10,000 each has been recommended by the U. S. attorney in Topeka, he added.

The Bendena bank was robbed by an unmasked man who carried a sawed-off shotgun. The bandit escaped in a motorcar.

Nelsonville TB Hospital Gets OK

COLUMBUS (AP)—The House, by a vote of 109-2, today passed and sent to the Senate a bill providing for operation of a new tuberculosis hospital near Nelsonville.

The action followed defeat of a proposal to limit use of the hospital to treatment of recalcitrant patients.

PTAs Boost Little League

Fund-Raising Effort Joined By Council

Members of the city PTA Council offered a boost to the Little League here when they voted at a special meeting Wednesday evening to take over the sale of 500 sustaining memberships.

Present at the meeting were the heads of the Parent-Teacher Associations at four of the city schools: Rose Avenue, Eastside, Sunnyside and Central.

Mrs. Warner Penrod, Council president, called the meeting to allow Walter Patton to explain the financing plans for the new League. Patton is chairman of the League finance committee.

Patton explained that the cost of uniforms and equipment for each team will be borne by the sponsors, the Sunshine Laundry, the Coca-Cola Bottling Co., Med-O-Pure Dairy and the Record-Herald. But there are a number of other expenses, including preparing the field and erecting a fence and backstop, which sponsors are not asked to meet.

To pay for these other necessities, the League commissioners are going to sell sustaining memberships at $1 each. For this dollar, Patton said, the purchaser of the membership ticket can feel that he has made a personal contribution to the kids of the community.

* * *

"THE COUNCIL was very enthusiastic," Mrs. Penrod said later. "We voted to take responsibility for 500 tickets."

The PTA of each school will be asked to sell 100 of the tickets. The children in grades three through six will be given soliciting letters to take home to their parents.

The mothers and fathers of children in those age groups should be most willing to support the Little League program, Mrs. Penrod explained, since the League is open to boys between eight and 12 years old.

Other sustaining memberships are to be sold by members of the Rotary Club, which is acting as a sort of overseer and sponsor of the whole Little League program until it has weathered the initial storms.

Adventist Church Plans For Big Day

April 23 will be "One Hundred Million Dollar Day" at the Broadway Seventh Day Adventist Church, Mrs. Delle C. Ford, the Sabbath school superintendent, announced.

On that day offerings from Sunday School members throughout the world will probably total $100,000,000 since children and adults began giving in this division of the Adventist Church in 1886.

She said that all of this sum has been used through the years for foreign missions. Last year the members of 19,262 Sabbath Schools gave nearly $6,000,000. The $98,000,000 mark was reached Dec. 17, 1954.

"This offering," said Mrs. Ford, "will help meet the needs of the 24,374 foreign missionaries and workers who minister to the needs in countries outside North America."

RAINFALL HEAVY

GREENFIELD—Tuesday's rainfall here was nearly one inch.

Mainly About People

Mrs. Daisy Jones was taken from the home of Mr. and Mrs. William Malone, 910 Lakeview Avenue, to Memorial Hospital, Wednesday evening in the Kirkpatrick ambulance. She is a patient for observation and treatment.

After undergoing surgery in Memorial Hospital, Harlen Gordon, was returned to his home, Route 1, Jeffersonville, Wednesday afternoon.

Toni Lynn Ward, daughter of Mr. and Mrs. Dale Ward, 436 Broadway, was admitted to Memorial Hospital, Wednesday evening. She is being treated for a brain concussion suffered in a fall from her bicycle.

Gerald Paul, a medical patient in Memorial Hospital, was released to his home, 754 High Street, Wednesday afternoon.

Mrs. Clifford Warner, 402 Mace Street, was admitted to Memorial Hospital, Wednesday evening as a patient for observation and treatment.

Mrs. Theodore Wilson, 531 Third Street, was released from Memorial Hospital, Wednesday afternoon. She is recovering following surgery.

Mrs. Gilbert Hooks was returned from Memorial Hospital to her home, 746 Washington Avenue, Thursday afternoon in the Kirkpatrick ambulance. She had been a surgical patient.

Mrs. Arthur W. Haines, the former Beverly Coil, daughter of Mr and Mrs. Darrell Coil of Jeffersonville, a student at Guilford College, in North Carolina, has been elected day student president, treasurer of Student Christian Association and member of Women's Student Government Council. She is a second semester junior and just returned to her classes after a nine day concert tour with the Guilford College, a cappella Choir, through North and South Carolina, Georgia, Florida and Alabama.

Blessed Events

Mr. and Mrs. William Graham, 736 East Temple Street, are the parents of an eight pound, ten and three fourths ounce son, born Wednesday at 11:21 P. M., in Memorial Hospital.

Grange Drill Team

(Continued from Page One)

said of the Good Hope team, and he expressed confidence that it would give a good account of itself in the state contest even if it should lose out.

* * *

HE ESTIMATED that more than 50 Grangers from Fayette County were at Yellow Springs Wednesday night to cheer on their representative in the drill competition. There also were a number of Grangers from nearby communities there to add their support.

Judges who placed the Fayette County team first in the district were Deputy and Mrs. Howard Wilson of Greene County and Deputy and Mrs. W. F. Archer of Mercer County.

Illustrating the thoroughness of the preparation and training of the Good Hope team, Perrill pointed out that Loren C. Johnson, the master, substituted on short notice for Mrs. John W. Burr, who had undergone an operation, and that Mrs. Perrill had taken over as the pianist after the regular accompanist, Mrs. Loren C. Johnson, underwent surgery.

Other members of the Good Hope team were John W. Burr, Mr. and Mrs. Neil Rowland, Mr. and Mrs. Glen Whittington, Ronald Johnson, Eddie Braden, Tommy Souther, Harlan Baird, David Overly, Laura Lou Hoppes, Mr. and Mrs. Charles Cox and Mr. and Mrs. Dale Eakins.

The coaches, to whom much of the credit for the team's successes is given, are Mr. and Mrs. Jack Hoppes.

The men of the team wore white shirts and dark blue trousers and the women white blouses and dark blue skirts. All wear the gold sash of the Grange colors.

Experts who once believed that heredity was important in the development of excess weight in human beings have, in many cases, now concluded that heredity is not an important factor.

Final Tribute Paid William Robison

Final services were held for William Robison Wednesday afternoon at the First Christian Church.

Rev. Don McMillin offered prayer, delivered a sermon, paid personal tribute to Mr. Robison, read his obituary and closed with a prayer. Mrs. Marjorie Belles sang "The Old Rugged Cross," and "Brighten The Corner Where You Are." Mrs. Calvin Johnson was at the organ.

The many beautiful flowers were handled by the four flower girls and the pallbearers, Lawrence Belles, D. F. Strong, Ursa Thornhill, Edward J. Johnson, Calvin Johnson and Leo Cox. Burial was in the family lot in Washington C. H. Cemetery.

Company M Alert

(Continued from Page One)

Sabina, Greenfield, Mt. Sterling, Bloomingburg and Jeffersonville.

Probably the best speed record was set by Lt. Louis Poole, who roared into the city from Sabina in time to appear at the Armory in full uniform by 6:55. That gave him just 25 minutes to don his uniform and drive the 11 miles of highway from Sabina to Washington C. H.

"Guardsmen aren't bound by the speed laws when they're on an emergency call," commented Capt Davis. "And if a state patrolman had stopped Lt. Poole on the way here, he'd have offered to escort him into town. That's the kind of co-operation we got from everybody—highway patrol, sheriff, police and all" he added.

Commendation for the speed and size of Company M's turnout came from the unit's battalion commander, Col. F. B. Folk of Columbus.

"He told us that we had done one of the best jobs in the battalion," Capt Davis said. "The men certainly did do themselves proud."

Case Continued Until Later Date

Disbarment Hearing Resumes May 9

After hearing the testimony of one witness for the prosecution, the three-judge court hearing disbarment charges against Harvey Crow adjourned until May 9.

The hearing, in the Champaign County common pleas court, had been under way since Monday.

Reason for continuing the case was due to the fact that the judges had received assignment which it was expected would be completed in two days, and all have cases assigned which require their attention in their home courts.

In the meantime, the judges are clearing their dockets for the entire week beginning May 9. Judge John P. Case of Fayette County, Judge Charles R. Kirk of Clinton County, and Judge Paul P. Dulls of Mercer County, are the three assigned to hear the case.

In the meantime no action has been taken by the Court of Appeals on a petition filed by Crow asking that the hearing now under way be enjoined on grounds of lack of jurisdiction.

The three judges authorized the complaints committee to represent them in the court of appeals.

Four of the original 11 specifications against Crow were dismissed upon application of Crow.

Formosa Strait

(Continued from Page One)

tlers. They also are friendly with Chiang. Any proposition they might present would get a more significant hearing from Chiang than if it came from some others.

The Robertson-Radford mission appeared to diplomats as an inherent concession to British calls for a less rigid U. S. policy toward Formosa, although the British were reportedly not notified of its precise purposes.

* * *

THE BRITISH are understood to be reluctantly ready to join with the United States in a guarantee that Formosa will be protected against any Communist attempt to take it by force. However, the British are said to want in return evacuation of the coastal islands of Quemoy and Matsu by Chiang's forces and an agreement to let the U. N. decide the future of Formosa.

With tension over the coastal islands thus eased and the U. N. studying Formosa's fate, the Chinese Reds would thus be faced with a cease-fire line between Formosa and the mainland.

The British obviously will move slowly in any proposed joint action until after May 26. That is the date of the British election.

April A Month of Exhilarating Promise

Most of us enjoy the month of April. Of course, it has its ups and downs but the promise of this month is alluring to most people.

Any one in this community who travels about this city or along country roads right now cannot help some feeling of exhil ration as the evidence is seen that the plant world is showing us an accurate index of the advance of spring.

Have you noticed the hyacinths blooming on window sills; there are the pussy-willows brought in from creek banks to give us a floral shot in the arm as winter backs off

Outdoors, in tempestuous early weeks of the new season it was not at all unusual to see jonquils and daffodils leaning against a quickie storm, or early tulips thrusting upward. These are the indestructibles.

As the sun gets a more head-on shot at the yards and gardens, the blooms and greenery react like robots to seasonal stimuli. The grass takes on color and the willows send out pale vegetation.

Although they are probably behaving according to the book, the fruit trees seem sometimes after an unusual warm spell to get their signals mixed and break out in a rash of blossoms just in time to meet a killing freeze head-on. The deep south has good reason to realize it this spring. Our trees up here have so far managed to clear this hurdle.

Warmer rains are bringing along the wild flowers — the violets, sheep's-noses, bleedng-hearts and such—and the lilies-of-the-valleys. Mushroom hunters are starting out to scour the back acres.

Along the residential streets here the maples and elms, the oaks and ash, the poplars and tulip trees are beginning to show some green stuff.

Who could want any more of a satisfactory place to live than in Fayette County right now?

Roller Coaster Still Popular

By Hal Boyle

NEW YORK (AP)—So far the Russians haven't claimed they invented the roller coaster.

If they ever do, they're going to have to fight Joe McKee, who at 67 is the acknowledged dean of the roller coaster industry.

"The first roller coaster in history was built in Pittsburgh in 1904," Joe recalled. "And I got started in the business as a carpenter the following year."

In 51 years some 600 roller coasters have been built throughout the world. Joe figures he has had a hand in designing or building about 300 himself—more than any other man.

"Only 18 men, all carpenters, have ever had anything to do with designing roller coasters," Joe said, "and there are only four now left alive. I'm the oldest.

"The roller coaster grew out of the old scenic railway. We had nothing to go by, so we operated by rule of thumb.

"The four of us have kept a few things about the business to ourselves. The Lord knows we struggled hard enough learning them. There never has been a graduate engineer connected with the roller coaster field."

McKee, now general superintendent of the Palisades N. J. amusement park, estimates he has ridden some 5,000 miles on roller coasters.

"The roller coaster has been my whole life," said Joe, who has shrewd twinklin g eyes beneath a thatch of thick white hair. "I even met my wife Maggie on a roller coaster. That was back in 1909, in Cincinnati."

The older roller coasters were built on a simple figure eight pattern and cost only about $30,000. Because of the rising value of land the newer coasters now loop about like a pretzel. They average about a half mile in length and cost from $100,000 up. The cars on some coasters reach a peak speed of 56 miles an hour.

McKee, who often acts as a consultant on thrill rides, gets a bit steamed up whenever the safety of roller coasters is questioned.

"If you just sit down in the seat and stay there," he said, "you're far safer than if you were in an automobile. You can't get off the track, and you can't get hit from behind by another driver."

There are two roller coasters at the park McKee supervises—one regular size, the other a smaller one for kiddies. To Joes great sorrow more and more teen-age boys and their girl friends are showing a preference for riding on the kiddie coaster.

"I can't understand why this younger generation growing up now," sighed Joe. "Why in my day no young fellow would think of taking his best girl on a kiddie ride. He'd be looking for more thrills. I guess after 50 years in this business I still haven't learned what people want."

The old tunnel of love boat trips have died out in most amusement parks and been replaced by faster rides geared to the tempo of an age that dreams of rocket and space travel.

But McKee sees no immediate demise for the roller coaster, although fewer are now being built each decade.

"As long as there are amusement parks," he said stoutly "the roller coaster will last. You can't have a park without a merry-go-round and a roller coaster."

Spring Fever Hits Democrats

By George Sokolsky

Republicans believe that President Eisenhower's popularity is greater than ever. They have various polls to establish their claim. The group immediately about the President holds that no other Republican can be elected in 1956—an untenable propaganda because it is unprovable at this point. However, it is accepted that if the President wants the Republican nomination, he will receive if by acclamation.

Now it is different. The Demothe Eisenhower administration, the Democrats acted like a defeated party, which they were not quite in Congress. It was during that period that a Republican wag said: "I have a bi-partisan President, a bi-partisan Secretary of State, a bi-partisan foreign policy — I think I'll go be bi-partisan and make the most of it."

Now it is different. The Democrats are developing into an opposition party. It must be said that there are important Democrats who prefer Eisenhower's brand of bi-partisanship to Wayne Morse's brand of Democracy. Nevertheless, the Democratic party is making ready for the 1956 campaign.

This has its peculiarities on the Republican side, too. For instance, Senator William Langer of North Dakota is a nominal Republican. Possibly he is actually a man without a party. Senator Robert A. Taft used, somehow, to get along with Langer, although the Eisenhower general staff has managed to alienate him.

Langer is using the Corsi affair to embarrass the Republican party, as well he might do and has done before. This comes at a time when the Democrats are planning to run the ghost of Franklin D Roosevelt for Presidnet as the Republicans ran the ghost of Abraham Lincoln until Mark Hanna projected William McKinley and the gold standard, the full dinner pail and similar accessories

Whether another election can be won by the name, Roosevelt, is to be seen in 1956. But what this Democratic revival of the ancient maestro means is that the Republicans will be forced to publish all the documents they can find in the files to prove that Roosevelt was not what his adulators believe him to be. One difficulty the Republicans face is that some of them hopped on the Roosevelt bandwagon or were there by accident of occupation and they would not like, politically, to hide behind the Fifth Amendment. It is a very awkward situation.

Here in New York, Governor Averell Harriman is running for President. He is not running against Adlai Stevenson which would, at this stage, be very bad manners. He is running for the Democratic nomination as, if, and when Stevenson decides that running against Eisenhower is a dangerous risk, not too readily to be taken by one who had already suffered the darts and shafts of an ungrateful country. Stevenson won the intellectuals and lost the Presidency. If he decides the effort is not worth while, Harriman will surely make the try, as Carmine Desapio will control the New York delegation and could give that huge number to Harriman as to anyone else.

Harriman is a New Dealer, an adherent to the memory and habits of Franklin D. Roosevelt. As such, he stands wholly unabashed. Desapio has no Roosevelt ties. Both are anti-A. D. A., a fact which gained considerable unexpected respect for Harriman. Desapio grows in strength and power daily because he is a curiosity among tammany leaders in that he avoids becoming involved in cash-box operations. Also he is public spirited. A curious combination of practical politician and second-generation idealist, he has taken over the Democratic party of New York State without a flutter. Desapio will support Harriman for the Presidency, whereas, by his nature, such a man as Governor Frank J. Lausche of Ohio might be preferable to him.

Harriman has taken a strictly partisan stand. He is a Democrat in opposition, and from the platform of the Governorship of New York, he can do much to embarrass Eisenhower, which he will do with the gentility of the carefully reared, but without much mercy. He will aid and abet Adlai Stevenson and, for that matter, Harry Truman, in their fight on by-partisancy.

There is this further to say concerning bi-partisan politics: Those stag dinners of Eisenhower's highlighted the fact that he never asked Harry Truman to break bread with him in the White House. Harry Truman comes from the state that produced Jesse James — if you know what I mean.

Diet and Health

Sore Throat, Cough Bronchitis Symptoms

By HERMAN N. BUNDESEN

Few of us go through the year without a case of bronchitis. In fact, this is one to the most common diseases of the respiratoy tract.

Usually, acute bronchitis follows a cold. Your windpipe and the large and medium-sized bronchi become inflamed. The bronchi are branches which spread from the windpipe like the branches of a tree and distribute air to your lungs.

Various Irritants

While various irritants, such as sand or household dust, may cause this inflammation, infection is usually to blame. A sore throat and a barking cough generally are the first symptoms. At the beginning, your cough will be painful because there is little expectoration at this stage.

After a day or two, your sputum will become more plentiful and your cough will become much easier. Acute bronchitis is seldom a serious disease, except for the very young or the very old when there is more chance of the smaller tubes becoming blocked with secretions. This could result in bronchopneumonia.

Take to Hour Bed

The best thing to do is to go to bed and keep warm. Keep all the windows in the room closed. Remain in bed at least until two days after your temperature has returned to normal. A steam vaporizer will relieve the feeling of rawness in your chest. Hot saline gargles will help your throat.

Drink plenty of hot fruit drinks, as much as five pints a day. Your doctor probably will advise a cough mixture to relieve your cough. An alkaline expectorant may help you cough up more sputum.

Penicillin Prescription

If your case is severe, your doctor might prescribe penicillin which may be sprayed from an atomizer. Injections of penicillin also might help.

If your child is stricken with bronchitis, keep him isolated from from rest of the family. And wash your hands and face every time you leave the patient. Symptoms usually subside after a week and he'll probably be fully recovered within two weeks.

Chronic bronchitis is something else again, and I may have more to say about that later.

QUESTION AND ANSWER

What can I do for pinworms, and are they dangerous?

Answer: Pinworms are brought into the body probably by water or food. Treatment consists in the use of such drugs as methylene blue or similar substances given by mouth under the direction of a physician.

The fingernails should be cut short, underpants worn at night if there is itching about the opening of the rectum, and the hands washed before eating and after going to the toilet.

Grab Bag

The Answer, Quick

1. To whom is the authorship of the Odyssey generally attributed?
2. Who said, "Rich gifts wax poor when givers prove unkind?"
3. What was the name of the love-sick swain in one of Dickens' novels who used the expression, "sink into the silent tomb"?
4. Who was the author of The Emperor Jones, The Hairy Ape, All God's Children Got Wings?
5. Who, in the Bible, was Rehoboam?

* * *

Your Future

A busy and successful year is likely to lie ahead of your, with profit coming to you from various sources. Today's child may be impetuous and somewhat impatient of restraint. Early discipline will be helpful.

* * *

Watch Your Language

FILLIAL — (FIL-i-al or yal)—adjective; of or relating to a son or daughter; as, filial obedience. Origin: Late Latin—Filialis from Filius, son, Filia, daughter.

* * *

How'd You Make Out

1. Homer.
2. Ophelia in Shakespeare's Hamlet.
3. Mr. Toots, in Dombey and Son.
4. The late Eugene Gladstone O'Neill.
5. The son of Solomon and king of Judah.

Municipal Judge Chides Policemen

CINCINNATI (AP)— Municipal Judge John W. Keefe advises police not to "stick your heads in the sand" over the possible development of organized youth gangs.

His remarks came yesterday after a mother told of being threatened with switch-blade knives by teenage hoodlums. "I note that a police official took issue with me in a recent headline in which it was asserted that there are no organized teenage gangs here," Keefe said. "But I have seen evidence of it here this month."

Dallas Battles Salt In Water

DALLAS, Tex. (AP)—City officials and Army engineers have worked out a plan, they said today, to keep as low as possible the salt content in Dallas' water supply.

The salt reached undesirable proportions this week when the city turned Red River water into its supply after agreeing to supply nearby Garland, Tex., with a half million gallons daily.

City Manager Elgin Crull said Army engineers had agreed to release water from two reservoirs into Lake Dallas to dilute the salty water coming from the river.

Business Now Very Optimistic

Ray Tucker

WASHINGTON — The Pollyanna spirit and atmosphere generated by the Eisenhower Administration's friendly attitude toward private business and industry was highlighted dramatically here a few days ago. F.D.R.'s "economic royalists" have become Ike's "economic captives," and they revel in their changed status.

Dr. Emerson P. Schmidt, veteran director of economic research for the Chamber of Commerce of the United States, predicted a period of enduring and unparalleled prosperity. More significantly, his audience of 250 conservative bankers agreed with him. And so do the economic soothsayers at Treasury, the Federal Reserve Board and Department of Commerce.

"The recession is dead," they said, in effect. "Hail the new prosperity."

* * *

STATISTICS — These experts supply factual statistics to support their prophesies. But Dr. Schmidt's attitude emphasizes that Eisenhower psychology shares an equal role with fundamental economic evidence as a factor in underlying business confidence. Here is why:

The Chamber of Commerce, which occupies a palatial structure across Lafayette Park from the White House, was a hated "citadel of capitalism" to F.D.R., along with the National Association of Manufacturers. The two organizations could see nothing good in Roosevelt or Harry S. Truman.

They condemned New Deal economic and social reforms, sometimes extravagantly, indiscreetly, unthinkably. They denounced especially those features which fell heaviest on business—heavy spending, high taxes, a swollen public debt, an unbalanced budget, excessive foreign aid and the New Dealer's general indifference to prudent housekeeping!

Roosevelt used to say that they yearned for a return to "Mark Hanna-William McKinley days." Truman called them "greedy capitalists" and 'wolves of Wall Street.' Both maintained a magnificent doghouse and long leashes for businessmen and industrialists and bankers.

* * *

IKE'S ATTITUDE—The ironic aspect of Dr. Schmidt's present-day praise is that virtually these same conditions prevail under Eisenhower, with the exception of his more understanding attitude toward and encouragement of private enterprise.

As conservative Republicans growl, Eisenhower has not scrapped a single major New Deal reform — Social Security, the National Labor Relations Board, benefit payments to farmers, expenditures for conservation, foreign aid, federal financing of health, educatiion, highways, etc. In certain respects he has expanded them.

Nor has he improved the national finances to any great extent. Allowing for increased income, people are paying as heavy taxes now as they did before Eisenhower, despite a $7 billion reduction. The public debt has gone up, not down. The budget is far from balanced, and even the need for equalizing income and outgo has been questioned in high places.

* * *

HIGH HOPES —And yet, Dr. Schmidt anticipates that 1955 will turn out to be "the best year in our history." He cites such basic barometers as record highs in automobile production and sales, construction, steel and electric power output, strong consumer demand, purchasing power and savings. He notes that billions will be spent for constructive purposes by the government (federal, state and local) and by private industry.

His long-range outlook is even rosier. He believes that stock market prices in five years will be 100 points higher than they are now. Based on earnings, the market is not too high, in his opinion. He anticipates a work-week of only four days, due to productive efficiency of "automation." He argues that "semi-human" machines will create more jobs than they displace.

* * *

CONFIDENCE — Eisenhower alone, of course, is not responsible for Dr. Schmidt's current opinion or for the new role of F. D. R.'s "economic royalists" and Truman's "greedy capitalists." But the President is given credit by these erstwhile Cassandras for breathing new confidence and hope in the creative forces and figures of American finance, business and industry.

Inventor, 76, Dies

DETROIT (AP)—Cameron Beach Waterman, 76, who claimed he invented the outboard motor and founder of the Waterman Marine Motor Co. in Detroit in 1906, died yesterday.

Senate OKs Plan For Use In Emergency

WASHINGTON (AP)—A Senate Judiciary subcommittee has approved a constitutional amendment to permit the House of Representatives to resume functioning quickly in case a sudden attack or disaster wiped out one half or more of its members.

The amendment, inspired by the atomic age, would empower governors to appoint new members if an emergency arose in which one-half or more of the 435 seats were vacant. The appointees would serve until special elections.

At present governors can name senators to fill vacancies, but there is no provision in the constitution for appointment of House members in cases of death, retirement or resignation.

The amendment, sponsored by Sen. Kefauver (D-Tenn), the subcommittee chairman, now goes to the full judiciary committee.

A similar proposal, sponsored by Sen. Knowland (R - Calif), was passed by the Senate overwhelmingly last year, but the House did not act. Knowland's amendment would have given the appointive power to governors in the event one-third of the House seats, 145, or more, suddenly became vacant.

VFW Auxiliary Elects Officers At Meeting

Election of officers highlighted the regular meeting of the VFW Auxiliary held Wednesday evening in Memorial Hall.

The president, Mrs. Ed Hidy, presided over a short business session, which was opened with prayer by Mrs. Leo Cox.

Officers chosen were Mrs. Ed Hidy, president; Mrs. Charles Osborne, senior vice president; Mrs. Walter Wilson, junior vice president; Mrs. Allen Sells, treasurer; chaplain, Mrs. Leo Cox; Miss Barbara Sells, conductress; Mrs. Jack Orr, guard; Mrs. Jess Whitmer, Mrs. Raymond Bishop, trustees, and Mrs. Richard Steen, historian.

The meeting was closed according to the ritual.

* * *

Mrs. Spengler Is Hostess To Garden Club

Members of the Posy Garden Club assembled at the home of Mrs. O. E. Spengler, Wednesday afternoon for the April meeting.

Mrs. Bess Seaman, president, presided over the business meeting and opened with a poem entitled "Violets."

A report of the Buckeye Garden Club open meeting was given by members who attended and final plans to meet Thursday evening at the home of Mrs. Seaman to complete entries for the Spring Flower Show on Friday.

A contribution on the subject "Annuals" was in charge of Mrs. Walter Butcher.

Mrs. Butcher explained what she liked most about annuals, was the economical standpoint and named sweet peas, gillardi, among others.

Mrs. Ralph Hays read an article "Discovery In A Seed Store," and roll call was responded to by sixteen members who named a favorite spring bulb.

The next meeting was planned and will be held at the home of Mrs. Arthur Schlichter.

During the social hour, Mrs. Spengler served a tempting dessert course.

Mrs. Harvey Andrews was included as a guest.

* * *

Church Society Meets With Mrs. Fichthorn

The April meeting of the Missionary Society of McNair Memorial Presbyterian Church was held at the home of Mrs. Harry Fichthorn, Wednesday evening.

Mrs. Clifford Foster, president, opened the meeting with devotions reading the 91st Psalm, a meditation period and closed with prayer.

The usual reports were followed with roll call which was responded to by ten members and reports from the Spring Presbyterial were given by Mrs. Foster and Mrs. Todd Ward, which were most interesting.

Final plans were also made for May 18 meeting at the church, which will be an open meeting with Mrs. Ormond Dewey, president of the Columbus Presbyterial, as a special guest, and committees were appointed to be in charge of this meeting.

The program consisted of the final study in the four chapters of Hebrews, which was in charge of Mrs. Hazel Hidy and Mrs. Florence Peters, which was followed with a lengthy discussion.

During the social hour, Mrs. Fichthorn was assisted by her mother, Mrs. E. O. Ferneau, in the serving of a salad and sandwich course.

* * *

Kensington Club Meets With Mrs. E. C. Kelly

Mrs. Emmett Kelly entertained members of the Bloomingburg Kensington Club, Wednesday afternoon at her home in Bloomingburg, and her assisting hostess was Mrs. John T. Dick of New Holland.

The home was beautifully decorated throughout with potted plants and flowers from the gardens of the hostesses.

In the absence of the president, Mrs. W. P. Noble, Mrs. Don Thornton conducted the brief business session, which included the regular reports and discussions on coming events.

The remainder of the afternoon was spent in congenial visiting over needlework and later the hostesses served delicious seasonal refreshments.

Members present were Mrs. Clarence D. Creath, Mrs. Raymond Scott, Miss Catherine Gossard, Mrs. John Groff, Mrs. Zoe Garringer, Mrs. Frank Andrews, Mrs. Ogan Riley, Miss Olive Swope, Mrs. Vere C. Foster, Mrs. Thane McCoy, Mrs. Dale Wilson, Mrs. Homer Mrs. Fred Oswald and Mrs. Don Thornton.

Out-of-town guests were Mrs. Harvey Morrison and Mrs. Wendell Morrison of Clarksburg.

Sprinkle sliced fresh pears with lemon juice and arrange them with alternate layers of sliced oranges in a pretty glass bowl. Sprinkle each layer lightly with sugar. Top with moist shredded coconut. It's a delicious dessert patterned after the famous Southern concoction called Ambrosia.

Truman Enjoys Trip To Capital

INDEPENDENCE, Mo. (AP)—Former President Truman was back at home today after appearing before a Senate Foreign Relations subcommittee considering possible revisions in the U. N. charter.

Truman said he enjoyed the trip to Washington because "it gave me a chance to do a little exploding."

He said he thought he made history "in being the first president to allow himself to be questioned by a legislative committee."

Little Girl Is Six Months Old

Melanie Anne Smith

This adorable little girl is Melanie Anne Smith, daughter of Mr. and Mrs. Marion W. Smith, (nee Martha Straley) of Tempe, Arizona.

She was six months old March 6, and she is the only grandchild of Mr. and Mrs. Warner M. Straley of near Jeffersonville and Mr. and Mrs. Carl Smith of Spring Valley.

Personals

Mrs. John F. Otis and daughter Victoria, of Evanston, Illinois, are guests for a few days visit of Mrs. Otis' father, Mr. William M. Campbell. They will return home Sunday.

Associates of Craig Brothers Are Entertained

Forty associates of Craig Brothers Store were indebted to the store management for the annual spring dinner party, entertained at the Washington Country Club, Wednesday evening.

Potted plants were used at intervals to decorate the tables for the serving of a delicious fried chicken dinner and following a delightful dinner hour, new associates were initiated which provided a period of amusement galore.

Colored pictures of previous store parties were shown by Mrs. Howard Graham.

Mr. Robert Craig acted as toastmaster and other members of the "Store Family," assisted in the various arrangements.

This party is a prelude to the 81st anniversary of the store and is a happy annual event, which is sponsored by the store management.

Fill individual sponge-cake shells from the bakery with drained canned apricots; top with a fluff of whipped cream and garnish each dessert with a whole sweet strawberry. Nice for company, and quick, too.

Sorority Holds Social Meeting Honoring Pledge

A social meeting of Alpha Theta Chapter of Epsilon, Sigma Alpha Sorority honored a pledge, Mrs. John Craig, at the home of Mrs. Howard Burnett, Jr.

A "Mad Hatters" theme was carried out during the evening following a brief business session conducted by Mrs. Dwight Martin, president, during which it was decided to include the state president and corresponding secretary, at the annual Mother-Daughter banquet scheduled for May.

At the close of the meeting, members modeled original hats which were judged by Mrs. Howard Burnett, Jr., and Mrs. Dwight Martin and the awards went to Mrs. Tom Murray and Mrs. Frank Junk.

Later a round of games were enjoyed and awards in these were presented to Mrs. Tom Murray, and Mrs. Charles Gibeaut.

Light refreshments were served at the close of the games by Mrs. Burnett and her co-hostess, Mrs. Dwight Martin.

* * *

Mrs. Pieratt Is Honored At Bridge Party

Mrs. James T. Perrill entertained at a small afternoon bridge party at her home on the Devalon Road, and the occasion honored Mrs. Paul Pieratt of Winter Park, Florida.

The guests all close friends of the honor guest, enjoyed the progressive game during the afternoon and at the close of play, awards were presented to Mrs. David Ogan, who was the holder of high score and Mrs. Gene Mark, who received second.

Later arrangements of spring flowers centered the small tables for the serving of a tempting dessert course.

In addition to Mrs. Pieratt, those included were Mrs. David Ogan, Mrs. Gene Mark, Mrs. John Sagar, Mrs. Lawrence Dumford, Mrs. Gene Sagar, Mrs. Robert C. Willis, Mrs. William Campbell and Mrs. Richard Willis, Jr.

Mrs. Hankins Is Hostess To Church Society

The regular April meeting of the Woman's Auxiliary of St. Andrew's Episcopal Church, was held at the spacious home of Mrs. Harford H. Hankins, Sr., with forty members present; Wednesday evening.

Mrs. Felix Halliday, president, presided over the business session which opened with impressive devotions led by Miss Lois Robinson which included Scripture from John and led the group in the reading of a Litany of the Disciples way.

Plans were made for a coffee hour following the worship service, for the new church.

The president named as the calling committee for the month of April and May, Mrs. John P. Case, Mrs. Otis B. Core, Mrs. Mary Jane Coffman and Mrs. Robert Brubaker.

Election of officers was held and resulted in the following members being chosen to serve for the coming year, Mrs. Richard Willis Sr., president; Mrs. Frank Baker, vice president; Mrs. George Trimmer, secretary and Mrs. Winston Hill, treasurer.

It was decided that these officers are to attend the annual dioscesan meeting at St. Stephen's Episcopal Church, in Columbus, May 17 and 18.

Mrs. Halliday presented Rev. Sanford Lindsey, as the guest speaker on the subject "Discipleship of the church."

The meeting was adjourned and during the social hour Mrs. Hankins was assisted by Mrs. Weldon Kaufman, Mrs. Charles McLean, Miss Dorothy Anne Jones, and Mrs. Roger Hoffman in the serving of a tempting dessert course.

* * *

WSCS Circle Includes Guests At Meeting

Members of WSCS Circle 9 had as guests eight members of Circle 6 for a luncheon meeting on Wednesday in Fellowship Hall at Grace Methodist Church, which was combined with the final meeting of the calendar year.

Long tables, decorated with arrangements of spring flowers seated the members and guests for a most pleasant luncheon hour.

The afternoon meeting was presided over by the leader, Mrs. John F. Dial, who announced that the quota of the circle had been met.

Impressive devotions were led by Mrs. Ellis Bishop, who included Scripture reading, a poem, and closed with prayer.

The lovely musical program was in charge of Mrs. Jess Feagans, and was preceded with a religious film shown by Mrs. Ethel Caldwell, religious director of the church.

Mrs. Feagans also presented the Girls Ensemble of Washington C. H. High School who sang two numbers, "I Heard A Forest Praying," and "Silver and Gold," under the direction of Mr. James Lochary, music director of the high school, who also sang beautifully "The Holy City."

Mrs. Jerry Dray was next presented in two vocal selections, "In The Garden," and "An Easter Hymn," Miss Sally Reiff was the accompanist for each of the vocal selections.

Rev. and Mrs. Clinton W. Swengel closed the program, with the singing of a hymn with Rev. Swengel accompanying.

Hostesses for the meeting were Mrs. Earl Barnett, Mrs. Willis McCoy, Mrs. Wash Lough, Mrs. John Leland and Mrs. Mark Girton.

Guests included were Mrs. Walter McCoy, Rev. and Mrs. Clinton W. Swengel, Mrs. Ethel Caldwell and Mrs. Ray Griffith.

May Breakfast Plans Nearing Completion

Members of the Fayette County Professional Nurses Association will assemble at the home of Mrs. O. M. Montgomery, Thursday evening and they will be busily engaged in making favors for the annual May Breakfast, which is being planned for Saturday, April 30, in the American Legion Hall, with serving to begin at 6 A. M. and continue until 10 A. M.

The co-chairman, Mrs. Marvin H. Roszmann and Mrs. Donald Swaim report that splendid progress is being made in the plans, with last minute details, such as the making of the favors, and as usual contributions are coming in from business firms.

The serving of the breakfast will be prompt, as usual and patrons will be assured of a morning meal adequate for the heartiest appetites which will consist of fruit juice with ham and eggs, toast or hot rolls, wheat cakes and sausage with plenty of coffee, tea or milk.

The members of the American Legion Auxiliary will also be on hand again this year to assist in the preparing of the food.

* * *

Mrs. Woodruff Is Hostess To Club Members

Mrs. Elza Woodruff entertained seven members of the Washington Homemakers Demonstration Club at the regular monthly meeting Tuesday evening.

Mrs. T. N. Willis, newly elected president, conducted the business session during which Mrs. Woodruff read the secretary-treasurer's report in the absence of Mrs. Raymond Bishop, who holds that office.

Roll call was responded to by members naming a spring garden flower and Mrs. Carey Daugherty was welcomed as a new member.

Mrs. Howard Bryant retiring president, gave a summary of projects completed during the past year and a vote of thanks was given for the showing of pictures shown by Mrs. Elmer Reed and Mrs. Charles Griffiths on Cancer Research.

New crafts were discussed and May was named as "Idea Month" with each member bringing a completed project to this meeting, May 17.

The remainder of the evening was spent in the etching of aluminum trays and at the close of work many beautiful trays were proudly displayed.

During social hour Mrs. Woodruff served tempting refreshments.

A workshop meeting was planned in the near future when upholstering will be taken up with Mrs. Herschel Hulett as the instructor.

* * *

Mrs. Willis Announces Children's Recital

Mrs. Robert E. Willis is announcing a children's piano recital on Tuesday, April 26, at 7:45 P. M. at the First Baptist Church.

Pupils ranging in age from six to eleven years will appear on the program to which the public is cordially invited.

DOUBLE-BREASTED EFFECT gives distinction to a princesse dress of navy crepe from the collection designed by Beni Claire. Tabbed collar and cuffs are of pink and white striped Italian cotton. The dress has its own taffeta petticoat. Mr. John hat.

Church Society Meeting Preceded By Dinner

The monthly meeting of the Ladies Aid of First Christian Church was held at the church and was preceded by a covered dish dinner.

Later Mrs. Ottice Stookey, president, called the business session to order and Mrs. Roy Greer led in the devotions using scripture from Corinthians, a poem Spring and closed with prayer.

The usual reports and those from standing committees were heard and sisteen members responded to roll call. Rev. Don McMillin reported on Fellowship Day and announced the Evangelistic services which will be held from April 24 through May 8. With Mr. Porter Wynn as spng leader.

The missionary project for the month will be to purchase films titled "The Life of Christ Visitized" to be used in the church programs.

Seven new members were welcomd into the society and the meeting was adjourned.

Hostesses for the meeting were Mrs. O. L. Allen, Mrs. Maggie Masters, Mrs. Hazel Wright and daughter Georgiabel.

Doctors Urged To Donate Aid

KANSAS CITY (AP) — A family doctors' organization is urging its members to donate their services in giving the first two-shot Salk polo vaccine series.

The executive committee of the American Academy of General Practice adopted a resolution yesterday asking the academy's 20,000 members to charge only for the vaccine itself when it is requested for pre-school children and those in the third grade through eighth grades.

Children in first and second grades will be given vaccine donated by the National Foundation for Infantile Paralysis.

Girl Scouts Elect Officers At Meeting

Nineteen members of Girl Scout Troop 1, met in GAR Hall Tuesday evening with their leader, Mrs. Betty Rhoads in charge of supervision.

The meeting was called to order by the president, Shelby Tubbs, who led the girls in the repeating of the Promise and Laws.

The usual reports were given and election of officers resulted in Nola Addy being chosen as president; Mary Kay Shipley, vice president; Ann Killinder, secretary; Sally Hamilton, treasurer; Carol Row, news reporter; Jean Hamilton, song leader; Barbara Shoop and Oleta Hilliard, games and Mary Seymour, Carol Hyer, Donna Mitchem and Karen Hyer, color guards.

Plans were made to assist in the Cancer Fund Tag Day Sale on Saturday April 23.

The forming of the Friendship circle and prayer closed the meeting and refreshments were served by Barbara Shoop and Oleta Hilliard.

Guests at the meeting were Miss Wilma Lee and Miss Esther Walton who are organizing a new Girl Scout Troop.

"IT'S SO EASY TO PLACE A WANT AD."

Salk Refuses To Use Gifts For Himself

PITTSBURGH (AP)—Dr. Jonas E. Salk, developer of the anti-polio vaccine that bears his name, said today that contributions being sent him would be deposited in a trust fund and that none of the money would "be used by me personally."

The University of Pittsburgh scientist said he thought the funds probably would be used in the field of preventive medicine.

His statement came after announcement of the fund last night on the "See It Now" television program of Edward R. Murrow.

Although not revealing how much money he has received, Dr. Salk issued this statement:

"I have had numerous inquiries as to the disposition of money being sent to me spontaneously and without solicitation as an expression of the sincere feeling of many people.

"The funds received have been deposited in a trust, the disposition of which will be made when there has been time for consideration and consultation.

"We want to emphasize that we are not soliciting funds. Nor have we authorized anyone else to do so. We have no right to ask people not to express their feelings in any way they see fit. The funds received will not be used by me personally."

Since Dr. Salk's vaccine was revealed to be 80 to 90 per cent effective a week ago, an estimated 10,000 letters, telegrams and telephone calls have been sent him.

Definance Firm Sold

NEW YORK (AP) — Officials of American Brake Shoe yesterday said their firm has bought the rights to the Par Air compressors manufactured in the Defiance, Ohio, plant of the Lynch Corp.

Crow Tries To Stop Hearing

Asks Appeals Court For Injunction

J. Harvey Crow, who is facing disbarment proceedings in the Common Pleas Court of Champaign County, where Judge John P. Case is one of the three judges hearing the case, has filed his petition in the Court of Appeals of Champaign County asking for a writ of prohibition to prevent the common pleas court judges, assigned by Chief Justice Carl V. Weigandt, from hearing the case on the grounds that Crow had not been properly notified of the proceedings against him in the Champaign County Common Pleas Court.

The lengthy petition filed Tuesday by Reed M. Winegardner, member of defense counsel, denies authority of the Champaign County Common Pleas Court to hear the charges against Crow, and asks for an injunction of the court of appeals to stop the hearing.

However reports Wednesday indicated the hearing was proceeding in Champaign County as scheduled.

Crow, formerly of Urbana, wa disbarred in Stark County in 1934, and faces 11 specifications submitted by the bar association investigating group from Champaign County. Crow was reinstated to the Ohio bar in 1949.

In the current case he is charged with "misconduct in office involving moral turpitude, misrepresentation, coercion of witnesses and clients and accepting advance fees without representing his clients." The prosecuting committee is represented by D. Harlan Jackson, who told the court that Crow would become more elusive if proceedings are delayed too long."

Next Songfest On Friday, April 29

The next songfest at the home of Mr. and Mrs. Roy Wipert, of the Wilmington Road, will be held Friday, April 29, at 8 P. M. and an interesting program is being prepared that will insure everyone enjoying the events.

It is the 58th songfest of the series held at the Wipert home and a good attendance is anticipated.

Mrs. Stanley Case of Sabina, will be a 25 timer and there will be three ten-timers present—Mrs. O. E. Bonnell and Mr. and Mrs. Ralph Nisley.

As usual, finger food will be taken by all who attend as an additional enjoyable feature of the occasion.

Memory Expert Shows Weakness

PRATT, Kan. (AP)—A memory expert was introduced to 100 members of the Knife and Fork Club at a dinner recently. After the dinner he delighted the audience by recalling first and last names of all he had met.

But yesterday Herman Unruh, club secretary, received a letter from George Bailey, the expert, who had forgotten his hat.

AN ADVENTURE thriller, "The Looters", and a full length musical fantasy, "Hansel and Gretel," make up the twin bill to be shown Friday and Saturday at the Fayette Theater. "The Looters" (top picture) is the story of what takes place after a plane crashes on top of Pike's Peak. Roary Calhoun and Julia Adams take the leading roles. "Hansel and Gretel," an old Fairy tale, is done in color.

Your School Report Card

By W. A. SMITH
(City School Superintendent)

We interrupt the sequence of articles on School Board Policies to bring this report of the trip taken by the Thespians to Washington, D. C. and New York.

The trip was taken during Easter weekend and was conducted under the supervision of Thomas Mansell. His report of the trip follows:

"The stop over in Washington D. C. was of particular value in that all my students were seniors and had studied the functions of United States government in their senior American Government course. Thus, when our chartered bus took us to Embassy row, my group knew the difference between an embassy and a legation, for example. Their visit to the United States Supreme Court was more meaningful as was their hour-guided-tour through the Capitol Building itself. The students were impressed with Lincoln's memorial, the Jefferson memorial, the Pentagon, the Washington monument, the White House, the State Department, the Zoo, Smithsonian institute, plus numerous other sights in that great city. Here, in this white marble city the students saw their government, felt a part of it, and swelled with pride as they saw the center of the free world.

Incidentally, many students were having their first train ride on this trip.

New York City offered many experiences to the group. The breathtaking view of the world's largest city at night from the 70th floor of the RCA building was an outstanding thrill. A blanket of lights stretched for thirty miles in either direction as they stood high above a city with its man made splendor competing with the lights of the heavens that night.

The wonder of the electric signs on Broadway and Times Square, the crowds moving along the bright streets, all were things they had read about and were now seeing.

The sightseeing of the city was on a conducted tour in a chartered bus, and this gave the group a survey of the city. Famous Fifth Avenue, the Cathedral of St. John the Divine, Grant's Tomb, Riverside Church, Harlem, Columbia University, Greenwich Village, Chinatown, the Bowery, the Statue of Liberty, the harbor where they saw the new liner United States debarking for Europe, the top of the Empire State Building, and numerous other landmarks of interest.

The guided tour through the United Nations was made interesting by having a guide dressed in her colorful garments of India. Easter services in the great churches of the city, the Easter parade on Fifth Avenue, the Museum of Natural history, Radio City Music Hall, shopping in Macy's, and the fashionable shops of Fifth Avenue were additional points of interest.

In addition to the enjoyment of the trip, you can see that it was one of far reaching educational values.

However, I should like to stress the social values as well. These students graduate in a number of weeks. This trip gave them assurance and poise as they conducted themselves as ladies and gentlemen. In Washington D. C., my group was the most dignified and well-mannered group of young people I observed. While other groups were noisy, or ran in the halls of our public buildings, these students conducted themselves with dignity and were a credit to our high school.

Additional values that will last them all through life were learning when, how, and how much to tip bell boys, waiters, etc., how to order meals from complicated menues in swank restaurants, how to feel at home in a hotel, how to order in a dining car of a train. Many other social values will remain with these students as they go on to larger areas of life in the years to come.

"I wish to express by appreciation to Mr. Trace for help, and to Miss Isabelle Reid for assisting as the girl's chaperone. I believe that this trip, and the mock election we held early this year, were two examples of practical education that will have lasting effect upon the lives of the students involved."

WINDSHIELDS DAMAGED

GREENFIELD — Windshields of at least 24 cars in used car lots have been found damaged by pellets from air guns. Police are seeking the offenders.

"IT'S SO EASY TO PLACE A WANT AD."

Longview Annex To Be Replaced

CINCINNATI (AP)—Dr. John Porterfield, director of the state division of mental hygiene, has promised the Longview Hospital Citizens Committee that the 82-year-old annex at the Longview State Hospital would be replaced.

The annex was built in 1873 for use as a Hamilton County home. It was condemned in 1929 as "unfit for human habitation." Now 450 Longview patients occupy it.

The hospital is operating with double its capacity of 1,800 patients and is the most overcrowded in the state. It also still has 21 wards not fireproofed.

The Nation Today

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—The United States got in on an act where it wasn't supposed to be playing. It used propaganda on Red China when the Red Chinese were supposed to be making some of their best propaganda.

Secretary of State Dulles suddenly warned about a Chinese airpower buildup opposite Formosa just as the Chinese were anxious to appear as peace-lovers to the 28 other Asian - African nations meeting with them at Bandung, Indonesia.

And President Eisenhower asked Congress for $3½ billion in foreign aid, most of it for Asia, just when the Red Chinese were most eager to win over to their side the other Afro-Asians, or as many as they could influence.

The United States, the Europeans and Russia were not invited to Bandung. The great mass of people represented there are colored and impoverished. All have reason to be concerned about war over Formosa.

And, because of their poverty and their desire to get on their economic feet, the help they had received, or hoped to get, from the United States would be a factor in keeping them from too close alliance with Red China.

On Sunday, just before the Bandung meeting opened, Dulles reported the Red Chinese had greatly intensified their airpower opposite Formosa. Eisenhower followed this quickly with a statement aimed at Bandung.

He said "peace was in grave jeopardy" and that the leaders at Bandung had an "opportunity, at a critical hour, to voice the peaceful aspirations of the peoples of the world and exert a practical influence for peace."

Later in the week Dulles minimized a bit the danger of war over Formosa now. But the statements by him and Eisenhower didn't make it easier for the Chinese at Bandung to look too persuasively peaceful.

And at Bandung two American friends, Iraq and the Philippines, hit Red China with a one-two punch. It seems reasonable to think they discussed with the United States, before they went to Bandung, the role they would play there.

Iraq called communism a new kind of colonialism. The Philippines warned the other Afro-Asians, without mentioning communism, about a new "super-barbarism." The week's events must have had an effect on Chou En-lai, China's foreign minister.

He tore up the speech he had planned to make and delivered another. He took swipes at the United States as a warmonger but protested China's peaceful intentions and said he didn't want to talk about the sore subject of Formosa.

Bay Village Loses City Solicitor

CLEVELAND (AP)—Bay Village's solicitor, Richard S. Weygandt, who advised that a murder charge be filed against Dr. Samuel H. Sheppard last summer, will quit his municipal job April 30.

Weygandt, 37, said the solicitor post he has held for three years had taken so much time he was unable to fulfill his increasing duties as an attorney for the New York Central Railroad.

Mayor J. Spencer Houk and the council accepted Weygandt's resignation last night with regret. The mayor described Weygandt, son of Ohio Chief Justice Carl V. Weygandt, as "a remarkable talented man who has given us everything he has."

Millionth Car Due

COLUMBUS (AP)—The Ohio Turnpike Commission expects the millionth vehicle to pass over the 22-mile Eastgate Section of the turnpike sometime tomorrow.

Meat Specials Are Numerous

Many Good Buys Among Vegetables

By The Associated Press

Housewives will find plenty of variety in the specials being offered in the meat departments of food stores this weekend.

Prime ribs of beef will be a feature in many markets. Another favorite will be pot roast. Round steak or roast also will be on sale in some areas.

Pork loins and pork chops will be the advertised specials of a good number of stores. Here and there, lower prices will be available on pork butts and smoked picnics. A few markets plan price cuts on legs of lamb and lamb shoulder roasts.

Frying chickens generally will be cheaper than a week ago. One chain is dropping prices two cents a pound in New York, Chicago and Philadelphia, four cents in Los Angeles, six cents in Boston and Pittsburgh and 10 cents in Detroit. In some cases, roasting chickens will be lower, too.

Veal chops will show little price change from last weekend. A few markets will have veal shoulder on their list of specials.

The U. S. Department of Agriculture notes that onions are a good buy. It offers this advice:

"Flavor and quality of onions are not affected by size and color. Avoid onions with wet necks. The Bermuda and Spanish types are milder than the very hard, long-keeping onions."

Onions are only one of many vegetables on the good buy list this weekend, and you can thank warmer weather in growing areas for that. Produce specialists describe escarole, endive, new crop cabbage, spinach and summer squash as particularly good buys. They also recommend beets, pascal and golden heart celery, potatoes, medium and small peppers, iceberg, romaine and big Boston lettuce, cucumbers, carrots, asparagus and broccoli. Cucumbers have come down sharply in price recently.

Corn supplies are rather light and it's hard to find good beans.

Strawberries are higher in eastern markets, but California is beginning to ship them and produce buyers expect a considerable decline in price. Better buys in fruit continue to be oranges, grapefruit and apples.

Portrait of A Wizard

Einstein Conscience Forced Expression Of His Opinion

Editor's Note: Following is the second in a series of three articles on the late Dr. Albert Einstein, world-honored scientist.

By FRANCES LEWINE

PRINCETON, N. J. (AP)—Albert Einstein said he was compelled by "a passionate sense of social justice and social responsibility" to take stands on issues far removed from the problem of theoretical physics and mathematics.

Einstein, who died Monday, made political statements that were widely disputed, many were misunderstood. But they all provided further clues to the human side of this great man.

It took courage at times for Einstein to continue his comments in the face of personal attacks by those who opposed him.

He spoke out against Nazis and Fascists, espoused the cause of Zionism and world government, rebelled against attacks on civil liberties and urged commutation of the death sentence for atomic spies Ethel and Julius Rosenberg.

Einstein, born in Germany, had been a citizen of three countries. In his youth, he let his German citizenship lapse while he lived in Italy with his family. As a university student, he acqured Swiss citizenship and later, he became a naturalized citizen of the U. S.

Germany conferred honorary citizenship on its famous son when Einstein was appointed a professor at the Prussian Academy of Science in Berlin in 1914. But, with his usual concern over politics, Einstein waited until Germany became a republic in 1919 before he accepted this honor.

When the Nazis came to power, Einstein stood up against the persecution of his fellow Jews and later renounced his German citizenship. He said he would not set foot in Germany while Hitlerism prevailed.

For his outspoken attacks on the Nazis, Einstein was declared "an enemy of the estate." He became a voluntary exile from Germany, which only a few years earlier had declared a national holiday to celebrate his 50th birthday in 1929.

On Oct. 9, 1933, Einstein sailed in secrecy from London because of threats on his life by the Nazis.

Einstein said he found "ideal working and living conditions" in America. When he became a naturalized citizen in 1940, he said he felt in America "the most valuable thing in life is possible—the development of the individual and his creative powers."

In the United States, he added, "human dignity has been developed to such a point that it would be impossible for people to endure life under a system in which the individual is only a slave of the state."

Einstein cast his first ballot at Princeton's Borough Hall Nov. 6, 1940. He joined the New Jersey League of Independent Voters for Roosevelt in 1944 and endorsed FDR for a fourth term, saying "it would be very dangerous to change leadership now."

Until the rise of the Nazis, Einstein had been an ardent pacifist.

But in 1939, he issued a statement declaring that as an "active pacifist" he now believed war justifiable against "war - making brigands."

Einstein was wholeheartedly behind this country's war effort. In 1944 he donated the prized manuscript of his theory of relativity and an unpublished work to spur the sale of bonds for the fourth war bond drive.

Einstein was one of those instrumental in getting President Roosevelt to go ahead with the Manhattan District Project for the development of the atom bomb.

Although it was Einstein's theories that paved the way for the release of atomic energy, Einstein did not work on the actual development of the A-bomb.

Wildlife Aide Resigns Position

TOLEDO (AP) — Maurice Kocher resigned yesterday as a northwestern Ohio member of the Ohio Wildlife Council.

The Toledo sportsman and oil company executive was given a $500 fine and a suspended six-month jail sentence and was placed on probation for two years Friday by U. S. District Judge Ralph M. Freeman in Detroit. Kocher pleaded guilty to trying to hunt over a baited marsh near Erie, Mich.

Gov. Frank J. Lausche had wired the Toledoan: "Your resignation as a member of the OWC is hereby requested."

2 Cops Arrested For Burglary

MANSFIELD (AP)—Two city patrolmen are in City Jail today charged with a $9,000 burglary.

Police Chief Paul L. Martin filed charges yesterday, involving a break-in last Saturday night at a motor car agency.

Charged were Lewis Butts and Raymond Frazier, each 28.

The safe was found in a wooded area about seven miles north of here. The loot was $1,800 in cash and the rest in checks.

Butts and Frazier pleaded innocent upon arraignment and their bonds were set at $25,000 each pending a preliminary hearing in their case next Wednesday.

The first railroad locomotive to reach America came from England in 1829, but there is no record that it was ever operated in this country.

Jaywalkers Taunt Police In Utah

SALT LAKE CITY (AP)—A group of 75 West High School students deliberately jaywalked under the eyes of Salt Lake City policemen yesterday.

They crossed the street in the middle of the block after accusing one of the cops of being "curt" when he wrote out 11 tickets for jaywalking. Police took no action.

Two of the 11 who received tickets were teachers at West.

U. S. Chiefs Hint Early June As Time For Big 4 Parley

WASHINGTON (AP)—American officials looked to early June today the soonest the Western Big Three could meet with Russia at Vienna to restore Austria's independence.

The meeting of foreign ministers for that purpose seemed assured yesterday after Russia suggested it and the United States responded that the idea was under "sympathetic consideration."

In London, Prime Minister Anthony Eden told the House of Commons Russia had removed "one of the main obstacles" to an Austrian treaty, and the Western powers were ready to examine the Soviet proposals.

But a date and other details remain to be agreed on. Some predictions in Moscow spoke of a meeting in mid-May, but Western sources there said that date would be too early. Secretary of State Dulles' own well-filled schedule for May tended to confirm that impression here.

• • •

THERE WERE strong indications both the United States and Great Britain will want further information from the Russians before agreeing to the projected meeting.

Aides to the British prime minister said Eden may insist on clarification in advance on two ponts: (a) the manner in which Austria's independence and territorial integrity should be preserved; and (b) the plan for keeping Austria neutral.

American officials are determined to confine the proposed foreign ministers' meeting strictly to a state treaty for Austria.

After nine years of Soviet stalling they were chary of providing the Soviets any more excuses for delay.

After settlement of the Austrian question, perhaps another foreign ministers session could be arranged to consider knotty problems like reunifying Germany and easing East-West tension in general. Considering such issues as these at the projected Vienna meeting might set up stumbling blocks to settlements on Austria or anything else.

Youth Replaces Dad In Hospital

MOUNT VERNON (AP) — Mrs. Mary Holtz, 40, of near Newark, went to pick up her husband, a patient in a hospital here, and wound up leaving her son there in his place.

Mrs. Holtz' car crashed into the rear of a school bus. Her son, David, 17, was admitted to the hospital with injuries. His father, Lester, went home.

CLOSING OUT SALE

OF FARM EQUIPMENT AND LIVESTOCK

As I have sold my farm will hold a closing out sale at the farm 16 miles east of Chillicothe, O., 2 miles off Route 35 on the Limerick Road. Turn south 2 miles east of Richmond Dale. Farm known as the A. A. French farm.

U. S. Economy Heading For A New High

American Consumers Buying At All-Time Record Rate

By SAM DAWSON

NEW YORK (AP)—Our economy is heading for a new high today. And this time it's because Americans are buying in record volume for their own personal use and are building for civilian peacetime uses.

The record was set in the April, May and June period of 1953. But then the federal government was spending cash at around an 80 billion-dollar-a - year clip. Military spendingand industrial construction aimed at building up our defense potental accounted for much of it.

Now federal cash outlay has dropped to around 66 billion dollars a year. Much of that 14 billion dollar drop is in defense spending. Civilians have caught up now and are closing the gap.

When the government was pumping all that money into the economy in 1953, the gross national product hit its all-time peak of 371½ billion dollars a year during the second quarter. The gross national product is the dollar value of the total output of the nation's goods and services.

Now the Council of Economic Advisers has just told the President that the gross national product rose to an annual rate of 369 billion in the first three months of this year. This was a 13-billion-a-year jump over the annual rate of last year, and the best first quarter ever.

With this year's April May and June quarter giving every sign of topping the mark set in the first three months, a new record may be in the making.

Most significant is the fact that the gains are being made in consumer purchasing and in construction. Every day Americans, bettering their standards of living, have made up for the drop in defense spending which had pushed the economy to its record high during and immediately after the Korean War.

The same trend is shown also in the industrial production index of Federal Reserve Board. It reacits peak in March 1953. Then it slumped during the business slowdown which ended six months ago. Now, without much fresh stimulus from defense ordering, industrial production has climbed back almost to that peak. It could reach or top it this month.

Consumers have returned to buying durable goods — autos, appliances. They have kept up their buying of soft goods — clothing, good, gasoline. They steadily increase their buying of services—transportation, recreation, medical care. In the first three months of this year they were spending at an annual rate of 242 billion dollars a year, an all-time record.

Businessmen building new factories, new office buildings, new stores, and home owners buying new houses pushed total construction spending to an annual rate of 31 billion dollars.

The President's economic advisers note that much of this gain in consumer buying is traceable to an increase of 4¼ billion dollars a year in the amount of money consumers have left over after paying taxes.

Much of the purchasing, however, is also of the on-the-cuff variety. Consumer credit and mortage debt, too, are setting new records, as well as the gross national product.

The conservative economists ask: How long can the present record pace of auto buying, of home buying continue?

Few, however, think a turndown will come during the April, May and June quarter. The economy seems all but sure of setting a new peak of peacetime production and prosperity.

Companies, Labor Both Under Ban

COLUMBUS (AP)—The Ohio House Elections Committee last night received a subcommittee report to put corporations and labor unions in the same class groups prohibited from contributing to election campaigns.

Corporations now are banned under Ohio law from campaign contributions. A bill sponsored by Rep. Elton Kile (R-Masison) was aimed directly at labor union attempts to influence elections. His bill was sent to a subcommittee. The subcommittee decided to make the political contribution prohibition a joint one between management and labor.

It adds a ban against acceptance of political contributions by either candidates or their committees.

Bids On Building Jobs Are Detailed

COLUMBUS (AP)—Knowlton Construction Co. of Bellefontaine was apparent low bidder yesterday with $437,600 for general construction of a music building at Bowling Green State University.

The Gesling Co. of Lancaster was apparent low bidder with $25,750 to install plumbing in the building. The Lancaster firm also offered to low bid of $21,650 for work on a Division of Forestry headquarters building for District 4, to be constructed in Athens. Apparent low bidder on the general construction contract for the building was another Lancaster firm, Alley-Davis Co., which offered $115,793. Geiger Bros. of Logan was apparent low bidder for plumbing work with a $6,380 bid.

4-H Club Activities

THIMBLE SISTERS

The girls of the Thimble Sisters club discussed ways to strengthen their treasury at the last meeting. One way suggested and adopted was saving tax stamps. Each girl was instructed to hatch as many money-making plans as she could for discussion at the next meeting.

The meeting was held at the home of the advisor, Mrs. Elsie Lucas, who served refreshments at the close of the meeting.

Mary Agnes Helfrich will be the hostess at the next meeting on May 2.

* * *

MERRY STITCHERS

The Merry Stitchers met at the home of Carolyn Williams recently. President Betty Whiting conducted the meeting which was opened with the singing of "Tell Me Why."

Cara Shaw called the role and each member answered by naming his favorite month. Seven members responded. Dues were collected by Barbara Cutlip.

The cancer drive was discussed and the girls were asked to help out Saturday.

They plan to bring their patterns and material to the next meeting at Betty Whiting's home. The meeting was closed with the singing of "Do Lord." Refreshments were served by Carolyn Williams. The club advisors are Mrs. Caryl Williams and Mrs. T. D. Chaney.

Alleged 'Theft' Of Son Ignored

Man Arrested Here Not Indicted

Mellan Seck, the California aircraft worker who twice "stole" his nine-year-old son, and once was arrested in Washington C. H., and turned over to the Columbus police, was not indicted on either of the two kidnaping charges by the Franklin County grand jury.

Instead, he was indicted on a change of disturbing the peace, as result of removing his son by force from the South Franklin School in Franklin County where the boy was attending school.

The charges against Seck were filed by his estranged wife, Peachie, who claims temporary custody of the child was given to her by a California court.

The grand jury took the stand that custody of the child must be settled by the California court.

Seck claimed that the California court gave cutody of the child to Mrs. Seck within the jurisdiction of the court in California.

PUBLIC SALES

FRIDAY APRIL 22
FRED WELLER, two Greenfield properties and building lot located one square south of Jefferson St. on Mirabeau St. Greenfield Ohio. 10 A. M. Sale conducted by Bailey-Murphy-Darbyshire Co.

Red Cross Need for Money Cited As Appeal for Funds Is Repeated

Mrs. Fred Cahall, executive secretary of the Fayette County Chapter of the American Red Cross, today made another urgent appeal for funds.

The quota of $9240 for the current drive has not been reached. She said $6403 has so far been received which leaves the campaign $2837 from its goal. Donations can be made any time, she said. Just send or bring them to the Fayette County Chapter of the American Red Cross.

"She asked everyone" to think of our boys in service. Whenever an emergency arises at home, the Red Cross is committed to furnish the military with a factual report that will enable them to make a decision as the whether the serviceman should have emergency leave or discharge.

"This is the only contact the military has with a serviceman's home and family. It makes the telephone and telegraph costs quite high."

Mrs. Cahall said she wondered if the average person knows that by an act of Congress it is mandatory that the Red Cross come to the assistance — financial or otherwise— of a serviceman on emergency leave. The same applies to the dependents of a man in an emergency, she added.

* * *

HOWEVER, in this county it has been necessary to refuse financial assistance to servicemen and their dependents in an emergency because of lack of funds — because Fayette Countians haven't supported their Red Cross.

People who contribute a dollar, she went on, are important to the Red Cross because they compose most of its members. But if a family needs a serviceman at home in a hurry, could it be done for a dollar? Would anyone in Fayette County want his friend or relative refused financial assistance in an emergency because he didn't contribute this year?

Mrs. Cahall explained some Red Cross basic policy: If there is a Red Cross chapter in the county, it must be able to give service to active servicemen and their dependents whenever called upon In event of a disaster, Red Cross must give aid immediately.

If there was a disaster in this county, she said, national headquarters would have to rush both workers and funds, because there is no organized disaster program here.

The blood program in which Fayette County participates, is part of the overall Red Cross Service.

Mrs. Cahall said: "In other words, we could have Red Cross in the county and only give the first two mentioned services, but we couldn't have Red Cross in the county and participate only in the blood program because the first two services are made mandatory by Congress."

Mrs. Cahall asked those in Fayette County who feel too large a portion of the goal leaves the county, to remember that "the Red Cross is big — it is national in scope. The members of the board of directors who decide how to apportion this money are businessmen and they do it wisely and well."

"Our sons are all over the world and often need Red Cross aid and the Red Cross is always there. Disasters occur often all over the country and Americans always help people in trouble no matter where they are, she said."

4-H Club Activities

PROGRESSIVE FARMERS

Wayne Progressive Farmers met at Wayne Hall as President John McFadden presided. Secretary Barbara Kneisley gave her report and called the roll and 36 of the 38 members responded.

Plans were laid for the fish fry at Wayne Hall Friday at 6:30 P. M. Billy Herman, Barbara Kneisley, June Overly and Butch Geesling will go to the fair as health representatives The club decided to open up the membership again.

Refreshments were served by Donna and Beverly Stanforth, Loy and June Overly and Butch Geesley. Recreation was led by Billy Herman and Jerry Hoppes. Lowell Woods, Alan Wilt and Roger Bonham are advisors to the group.

* * *

EBER BUSY FINGERS

The girls of the Eber Busy Fingers heard a talk by a visitor, "Mrs. Sloppy," at their last meeting. Mrs. Sloppy appeared in ragged clothes, stockings askew and hair unkempt, to tell the members how the 4-H program could help the girls learn to dress properly.

When the thickly-caked makepup was scraped off Mrs. Sloppy's face, she turned out to be the club president, Sally Howard.

Sally had opened the meeting and then disappeared, with her duties being taken over by the vice-president, Jane Kuebler. After the regular business meeting, Sharon Cline and Joyce Warnecke served refreshments.

The next meeting is slated for May 2 at Eber School. Refreshments will be served by Beverly Grace and Jane Kuebler.

* * *

HOIN' and SEWIN'

Miss Joyce Rummans, one of the advisors of the Hoein' and Sewin' Club, was hostess to the members at their last meeting.

The main business of the meeting was planning a hayride to be held near Miss Rummans' home. The members will meet at 6:30 P. M. at Karen Sue Haines' home. The evening will begin with a wiener roast.

Associated County Agent Albert Cobb was a guest at the meeting. Cobb heard the boys and girls discuss their gardens, the 4-H Camp near Yellow Springs, and "What 4-H Work Means to Me."

The girls were told to bring their sewing and project books to their next meeting, to be held at Jackie Sanderson's home April 26. The boys will meet May 3 at the home of the president, Kent Self, Mackey McDonald is the boys' advisor.

Stock Car Races To Start April 29

The Washington C. H. Speedway will hold its first stock car race of the 1955 season April 29. Time trials are set for 7 P. M. and the first race at 8 P. M.

Since the races will be run under open competition, there is no organization to join and no entry fees to pay.

One of the regular Friday night events will be a trophy race, composed of the six fastest qualifiers. Any driver will be elegible to win this event only once during the season; therefore, should any winner qualify the second time, he will be by-passed and the next fastest driver will be entered.

It's Magnetized?

HILLSBORO (AP) — The parked automobile of Ed Harris has been hit by other vehicles 13 times, police records show.

Asian Chiefs Hold Parley In Secret

BANDUNG, Indonesia (AP) — The Asian-African conference's 29 delegations took their differences behind closed doors today as committees turned to the meeting's seven-point agenda.

Within a few hours Communist China deadlocked the No. 1 conference group, the political committee made up of the chief delegates.

Reliable sources said Chinese Premier Chou En-lai refused a suggestion from other delegates that a conference declaration on human rights be based on the U. N. charter.

"How can I discuss anything under the U N. charter when we are not members of the United Nations?" Chou asked.

Iraq, Lebanon, Pakistan, the Philippines and Thailand all were reported pushing the move to adhere to the U.N. charter, with Ceylon and Japan, nonmembers of the U.N., backing them.

The conference economic and cultural committees also met this morning. There was no immediate word of their deliberations. Items of the seven-point agenda coming within their province include cultural and economic cooperation.

Work, Sleep, Play In Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Big Changes Now in Prospect In Camp Pine by Scouts Here

"You'll never recognize this place before long," said Paul Handel Wednesday afternoon.

That was the prophesy of the scout executive of the Central Ohio Council who had come here from Columbus Wednesday as he stood on the hillside overlooking Camp Pine, the 17-acre tract five miles south of town soon to undergo some major changes.

The tract was left to the Boy Scouts here several years ago by the late Glenn Pine, Washington C. H., realtor and insurance man. The go-ahead was given by Mrs. Pine about a year ago for its development.

Handel was visualizing where the various camp fixtures would be located. The camp will be used primarily for weekend camping and camporees. Bob Terhune, public relations director of the Fayette district, pointed out that the distance of the land from town is just right for the required five-mile hikes.

The camp contains two buildings: a tumbledown house and an ancient log barn. The barn is in good condition for its age. Terhune has been trying to find someone to live in the house but without any luck. It may be torn down later.

Other scouters there making plans for the development were Bob Poppen, Fayette and Highland field executive; Paul Mohr, county scout health and safety committee chairman; and Joe Pacot of Columbus, council director of camping.

* * *

ABOUT 10 of the 17 acres are bottomland along Sugar Creek. It is here that most of the later activity will occur. Due to be put up in the bottoms are two well-separated campsites, each containing two "Adirondack" lean-tos. These are three-sided log shelters about 8 by 12 feet in area. A man six feet tall can just barely walk into one without bumping his head. The base is made of concrete.

"Plenty of trees will be planted," said Terhune. "We hope to plant thousands of red and white pines on the hillside along Flake's Ford Road. We will probably scatter a lot of Chinese elms around too. They grow fast."

Handel pointed out that multiflora rose bushes would nearly surround the camp. "Nothing larger than a rabbit can get through those bushes. It will make our camp hog-proof, dog-proof and boy-proof," he said with a wink.

Other projects will include an en- along the road, a flag pole and a well. The well wil probably be located near the creek so that it will drain in that direction. There is already a well near the house but it is not known whether the water is pure yet and besides, it is not as centrally located as it should be.

Work on the camp will begin about June 1.

Solon Demands Explanation Of 3 Slayings

WASHINGTON (AP) — Rep. Dodd (D-Conn) called yesterday for an explanation of why U.S. authorities have not prosecuted a Lima, Ohio, man accused of the ax slayings of three U.S. Army officers at Passau, Germany, on Jan. 7, 1946.

Dodd called the attention of the House to the slaying of Maj. Everett S. Cofran of Washington, D.C., Capt. Adrian L. Wessler of New Rochelle, N Y., and 1st Lt. Stanley Mac. A. Rosewater of Omaha, Neb. Dodd said James M. Leach, now of Lima, a former Army captain, was accused of the murders and a warrant for his arrest was issued, but he never was brought to trial

Dodd said his help in the case was asked by Charles D. Hanlon of Riverside, Conn., brother-in-law of one of the slain officers.

The facts in the case, Dodd said, had been given by William D. Canfield, a Springfield, Mass., lawyer, formerly a trial attorney with the U.S. High Commissioner's Office in Germany.

Dodd said each of the three officers was hacked in the head with an ax in a Bavarian villa and the slayer then set fire to the villa.

Dodd said: "Any prosecutor worth his salt in the United States would have presented this case promptly to the courts." He asked explanations from the State Department, the high commissioner to Germany and Army authorities.

Air densities at 79,000 feet are only 4 per cent of those found at sea level.

Kidnapping Pair Given Sentences

CLEVELAND (AP)—Two men who pleaded guilty to the kidnaping of a 70-year - old Harrisburg, Pa., salesman were sentenced to prison here yesterday.

Federal Judge James C. Connell sentenced Sherman Callaway, 49, of Baltimore, Md., to a 20-year term and Carlis Stenders, 40, of Newark, N. J., to 10 years.

Police said the pair abducted Jesse Bishop in Harrisburg and drove him over the Ohio state line to North Jackson, Ohio, plying him with liquor during the ride last Dec. 9. Assuming Bishop had passed out, the men left him in the car while they went to a restaurant. But Bishop fled and called police.

Ohio Cleric Honored

WASHINGTON (AP) — The Rev Harry Griffiths, pastor of the First Presbyterian Church in Van Wert, Ohio, gave the prayer at the opening of the U. S. Senate yesterday.

About 15 million people live in the West Indies.

Farm Mission Profits

ORANGEVILLE, Mich. (AP) — People in Orangeville have gone back to the land for means to support the St. Frances Episcopal Mission.

The congregation owns a 40-acre tract. Last year there was a crop of beans and corn for a net profit of about $1,000.

Times Square Is Rated Fifth Among Country's Best Pacers

Times Square, owned and trained by Eddie Kirk of Washington C. H. at the Fairground here, is rated fifth among the top flight pacers in the country.

He was given that rating by a panel of prominent owners and trainers who selected Kimberly Kid and Adios Boy as the "horses to beat" in the free-for-all trotting and pacing ranks this year, the United States Trotting Association announced.

Times Square, who last year joined that select group of harness race horses that have gone a mile in better than two minutes, has been worked in 2:23:4 this spring and is coming along in fine shape in his training.

Panel members, who also named Scott Frost and Quick Chief as the leading contenders in the 3-year-old classes, submitted their pre-season ratings for the May issue of Hoof Beats, official USTA publication, which came out today.

The owners and trainers were asked to name the "Horse To Beat" in each class, five horses comprising a first flight, ten in a second flight and, in the free for all classes only, the five "most promising newcomers."

Kimberly Kid drew the top vote with 495 out of a possible 525 points to lead the free-for-all trotting class. The Allwood Stable star from Far Hills N. J. was followed in order by Katie Key 407), Jamie (370), Scotch Victor (352), Sharp Note (294) and Lord Steward (281).

* * *

ADIOS BOY, who electrified the harness racing world by taking on and beating the free-for-allers when he was only a 3-year-old last year, polled 477 points against 416 for the veteran Philip Scott. Trailing in order were Hillsota (356), Torrid (315), Chuck Volo (312) and Times Square (276).

The 3-year-old trotting class proved a walkover for Sol Camp's Scott Frost. The winter book Hambletonian Stake choice drew 474 of a possible 500 points. His Shafter, Cal. stablemate, Butch Hanover, was next with 411. In order behind them came Galophone (377), Child's Hanover (343), Satinwood (273) and Egyptian Boy (268).

Closest contest was in the 3-year-old pacing ranks with Farmstead Acres' Quick Chief (435 points) edging Newport Stock Farm's Meadow Ace (406). They were followed by American Way (402), Captain Adios (368), Meadow Leo (368) and Libby's Boy (299). All except Libby's Boy are Little Brown Jug candidates.

Most promising newcomer among the pacers was Adios Harry, last year's Jug winner, with 153 points. Stenographer, Harness Horse of The Year in 1954, was the top trotter in that category with 111 points.

Polio Vaccine Shots Assured For Ohio Kids

AKRON (AP)—First and second graders in Ohio and throughout the country will receive two shots of Salk polio vaccine before the school summer vacation starts, Dr. Herbert T. Wagner, medical consultant with the National Polio Foundation, reports.

Dr. Wagner, here to meet with local foundation officers, declared that "enough Salk polio vaccine will be available here and throughout the country to give every first and second grader two shots before school lets out."

A booster shot would be given next fall, seven months after completion of the two-shot series, according to foundation plans.

Dr. Wagner said vaccine shipments are going out from the manufacturers as fast as each batch is tested, with most of the early shipments earmarked for the South, which has an early season. Tests on the vaccine take up to 30 days after manufacture.

The physician said there was absolutely no truth to rumors about black and grey markets for the vaccine cropping up around the country. He said:

"I am sure no doctor would think of profiteering or showing favoritism in the administration of the vaccine."

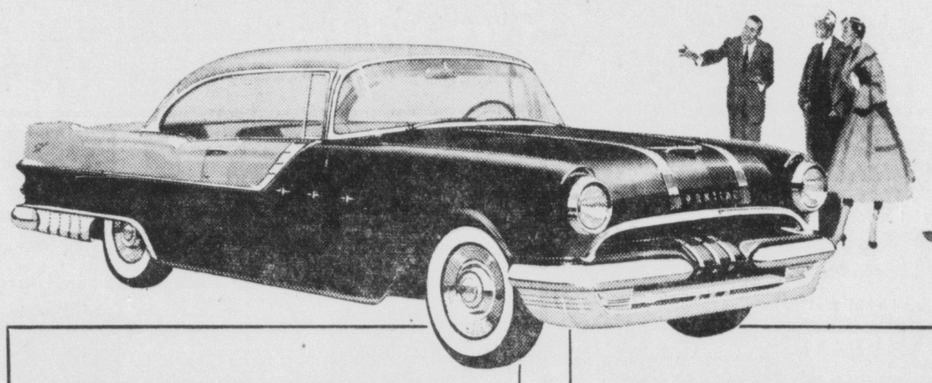
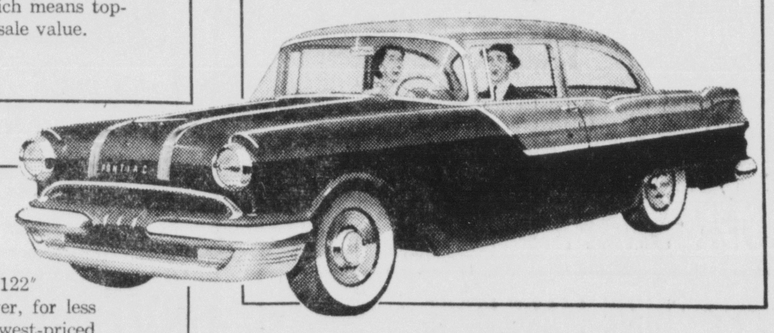
Here are the Three Greatest New-Car Values in America!

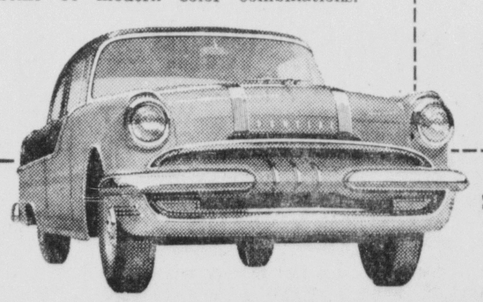


THE FABULOUS STAR CHIEF—*It's luxury-sized.* The roomy body is mounted on a 124" wheelbase. *It's luxury-powered.* The Strato-Streak V-8 with optional 4-barrel carburetor puts 200 horsepower up front. *It's luxury-styled.* Fabrics and appointments match the highest-priced cars. *It's beautifully distinctive*—way out front for future-fashioned smartness. *And it's a Pontiac*—which means topmost reliability, thrift and resale value.

THE FUTURE-FASHIONED 870—Here's a car outstanding in every way. Outstanding in performance with exclusive Strato-Streak power. Outstanding riding ease with a long wheelbase unmatched at the price. Especially outstanding in the wonderful way it handles and responds with passing power. For luxurious driving at modest cost you simply can't do better.



THE SPECTACULAR 860
Here's a king-sized car with a 122" wheelbase, and 200 horsepower, for less than many models of the lowest-priced lines and much less than stripped economy models of higher-priced makes. Beauty? Just look! And remember—you can choose from 4 luxurious interiors and some 36 modern color combinations.



YOU CAN BUY THIS BIG, POWERFUL PONTIAC FOR
$2155.45
860 2-door 6-passenger Sedan illustrated. State and local taxes, if any, extra, as is Vogue Two-Tone color. Price may vary in surrounding communities due to freight differential.

Robinett Hurls 1-Hitter

Lions Nose Out Tigers For Baseball Victory

The WHS Lions won their second game of the season Wednesday afternoon at the park here when they edged Circleville's Tigers, 3 to 2, behind the spectacular 1-hitpitching of Robinett.

It was the second outstanding pitching performance for Robinett. Only a week ago, he turned in a no-hitter against Hillsboro's Indians which the Lions won 4 to 0.

They lost the second half of that doubleheader to the Indians; their other defeat was at the hands of Wilmington's Hurricane.

The Lions scored first in their game with Circleville when, in the second inning, Mickle got the first of three singles, stole second, and came home on the first of Grooms two hits.

The Tigers moved ahead in the next inning when they tallied twice on a base on balls, a stolen base, a hit batter and a couple of errors.

* * *

BUT THE LIONS recaptured the lead in the fourth frame when they scored two runs. Mickle got his second single off the leg of the Tiger hurler and went to third on two overthrows and scored again on Grooms' single. Grooms came home with the winning run on an infield out.

Robinett was in difficulty a couple of times, but not through any great fault of his own. He fanned 12 Tigers and gave only two bases on balls.

McConnell, pitching for Circleville, set down seven Lions on strikes and gave five of them free tickets to first.

Some fancy fielding snubbed a couple of Lions scoring opportunities. The Tigers crushed a WHS threat in the second when, with the bases full and none out, the Tigers pulled the first of two double plays. The other twin killing came in the sixth when the Lions appeared to be opening up again.

Mickle, with three for three, paced the Lions attack and Grooms got two of the other three WHS hits. Horney's double was the only base hit in the game.

The Lions were booked for a game agaist the Tigers at Greenfield Thursday after school.

Dodgers Near Major Loop Win Record

Only Robin Roberts In Way Of 10th Win For Brooklyn Crew

By The Associated Press

So now the Brooklyns have won themselves nine straight games.

And all they have to do to take No. 10 (the one that would set a modern major league record for consecutive victories at season's start) is beat a gent named Robin Roberts today.

The streak has been getting tougher and tougher for the Dodgers and this afternoon's game at Ebbets Field may be the toughest yet. Roberts, the best righthander in baseball, hasn't had too much success against the Brooks in the past, but this time the Philadelphia ace is off to his best start in four years.

Robin is 2-0 thus far, beating the world champion New York Giants twice. Both decisions were by 4-2 counts, and only two of the Giants' runs were earned.

That sort of a push off in his bid for a sixth straight season of 20 or more victories may turn the tide for Roberts against the Brooks. Robin is only 17-21 lifetime vs the Dodgers.

For a time last night, it looked like the Brooks wouldn't have any streak for Roberts to challenge. They were shut out on one hit by Steve Ridzik for 7 2-3 innings. But then he tired and walked in a run that sent the Dodgers off on a three-run inning and a 3-2 victory over the Phillies.

It was pitching weakness by the opposition, too, that snapped a string yesterday. The Baltimore Orioles made the best of Bob Grim's wildness and a two-run homer by Hal Smith to beat the New York Yankees 6-3 and win their first decision of the American League season. They had lost six.

In the only other AL game, league-leading Boston beat Washington 1-0 on Willard Nixon's five-hitter. The Chicago at Detroit game was rained out.

In the National, St. Louis defeated Cincinnati 3-0 and Milwaukee clipped Chicago 9-5. Winless Pittsburgh was leading the Giants 3-0 when rain halted play after three innings.

"IT'S SO EASY TO PLACE A WANT AD."

SPORTS

Tribe Braced For 16-Game Home Stand

CLEVELAND (AP)—The Cleveland Indians are resting before starting a 16-game home stand against Detroit tomorrow night. They finished their first road trip a game-and-a-half out of first place.

Cleveland's pitching, supposed to be the best in the league, hasn't hit its stride yet. On the road, the Indians won four and lost three league games, then dropped an exhibition against their Indianapolis farm club last night, 12-10.

Early Wynn and Hal Newhouser made their first appearances on the mound for Cleveland since the season started. Wynn, sidelined for two weeks by the flu, gave up 10 runs in five innings.

Indianapolis, defending champions of the American Association, scored six runs against the big righthander in the second inning, all unearned because of an error by Sam Dente. The rally included a three-run homer by Rocky Colavito, rookie outfielder the Indians had optioned to Indianapolis.

In the fourth, the farmhands scored four more runs against Wynn, three of them on a homer over the scoreboard by rookie catcher Earl Averill.

Newhouser, who had been having trouble getting his arm in shape, gave up only three hits in three innings. But Indianapolis got two unearned runs against him, the margin of victory, in the eight.

Trotters Release 'Goose' Tatum

CHICAGO (AP) — Abe Saperstein, owner-coach of the Harlem Globetrotters basketball team, has given Reece (Goose) Tatum, the team's veteran clowning center, his unconditional release.

"Tatum was suspended last month because of repeated violations of team rules and regulations," Saperstein said.

Saperstein's decision ends 14 years of association between him and the loose, long-armed Tatum, who reportedly, was being paid $53,000 annually for his services.

Bobby Thomson Romps For Braves

MILWAUKEE (AP)—Bobby Thomson, off to the fastest start of his career, is hammering out the "other" side of the argument in the 1954 trade that brought him to the Milwaukee Braves.

He belted a bases loaded home run in Chicago yesterday to write the biggest rebuttal chapter, as the Braves took their third straight from the Cubs, 9-5.

The prize homer, in the second inning, came off Cub starter Sam Jones and sailed high over the center field wall. It was his second grand slam of his career.

Otterbein Signs New Grid Coach

COLUMBUS (AP)—Otterbein College yesterday named as new head football coach yesterday Robert (Moe) Agler of Mifflin, assistant football coach since 1953.

Agler replaces Harry Ewing, head coach since 1934, who will remain at the school as athletic director and track coach.

Keep it a secret... Mrs. Filbert did!

Mrs. M. V. Filbert

Her Secret...flavor you can't tell from the most expensive spread

Your Secret...margarine on your dinner table (and he loves it!)

This is Mrs. Filbert's own recipe—and a woman always puts *flavor first*. So *delicious* it's fun to fool your husband with it! Just watch him go for that sweeter, fresher flavor. See if he doesn't think he's eating the *most* expensive spread! Mrs. Filbert's Margarine spreads smooth as silk, too—even cold as ice. Start putting Mrs. Filbert's on your table today!

Only a woman could make it taste so good

Mrs. Filbert's Margarine

Discus—Clapham (Del) 117 feet, Ross (UA), Setterlin (UA).

High Jump—Lee (WHS) 5 feet, 7 inches, Robinson (Del), Burke (WHS) 5 feet, 2 inches.

Broad Jump—Markwood (UA) 20 feet, 3 inches, Dulin (UA), Griffith (WHS) 18 feet, 11 inchees, Self (WHS) 18 feet, 6 inches.

Big 10 Baseball Title Race Near

CHICAGO (AP)—The Big Ten baseball pennant chase will get a fast start tomorrow with a key game involving two prime title contenders, Wisconsin and Michigan State.

Michigan State won the championship last year, taking a doubleheader from Ohio State on the final day to edge out Wisconsin.

Northwestern, another likely first division club, opens at Michigan, Purdue at Iowa, Ohio State at Indiana and Illinois at Minnesota.

Michigan and Ohio State are expected to press the favorites for the pennant. They shared third place last year.

Ohioan Is Fifth In ABC Singles

FORT WAYNE, Ind. (AP) — Joe Voros of Canton, Ohio, today holds fifth place in singles competition and seventh in all-events at the American Bowling Congress.

His 701 singles total is 37 pins behind leader Eddie Gerzine of Milwaukee. All - events leader Frank Bujack of Detroit with 1,993 points is 72 pins ahead of Voros. Ed Markulis of Cuyahoga Falls, Ohio, is second in all-event competition with 1,960.

Japanese Prince Now A Lecturer

TOKYO (AP) — Prince Mikasa, younger brother of Emperor Hirohito, today began a parttime lecturer in ancient Oriental history at Tokyo Women's University.

University officials said his salary would be $6.40 a month.

Wood Memorial Due Saturday

NEW YORK (AP) — Battle lines were drawn and arguments between supporters of Summer Tan and Nashua waxed hotter today as the time approached for their momentous duel in the $100,000 added Wood Memorial Saturday.

Almost forgotten is the fact that only three other 3-year-olds are expected to start in the mile and one eighth event that has sent blood pressures scurrying especially with the Kentucky Derby only two weeks off.

Some oddsmakers are making Summer Tan the 7-10 choice with Nashua second choice at 4-5.

Bloomingburg Boys Win from New Holland

Bloomingburg's Bulldogs, sharpened up for their championship duel with Jeffersonville's Tigers Friday by pasting New Holland High School's baseball squad, 13-2, Wednesday after school.

Catcher Lee was the batting star. He hit four for four, including a home run and a double. McPherson poked the loser's longest hit, a sharp triple.

Pitcher J. Welsh of Bloomingburg pitched five innings and struck out nine while walking only one. Kimball came on in the sixth and finished the game. He walked one and struck out three.

For New Holland, Montieth started and finished the game. He struck out three, walked seven and hit one batter. He gave up 11 hits. New Holland committed six errors to the winner's three.

Friday is the day of decision for Jeff and Bloomingburg. That's when they square off for the county title at the 'Burg. The Tigers are undefeated in county tournament play while the Bulldogs have lost only one. Therefore, if Bloomingburg wins Friday, another game will have to be played to decide things.

Columbus Among Winners In IL

COLUMBUS (AP)—The Columbus Jets, Toronto Maple Leafs, Montreal Royals and Havana Sugar Kings are off to flying starts in the infant 1955 International League season.

Toronto turned in a heavy-hitting performance in defeating the Syracuse Chiefs, 7-5.

Columbus, which made its debut in the league after 52 years in the American Association by replacing the Ottawa Athletics, nipped the Rochester Red Wings, 6-5.

The Royals and Sugar Kings made it two straight over the Richmond Virginians and Buffalo Bisons, respectively. Montreal had to go 12 innings to edge Richmond, 3-2, and Havana tallied two runs in the ninth inning to win 4-3.

The 53rd annual Intercollegiate Rowing Regatta will be held on Onodaga Lake, near Syracuse, N. Y. on June 18.

WHS Baseball Team Has .295 Hit Average

John Grooms, who is hitting at a .500 clip with 6 safeties in 12 times at bat, today is the leading batter of the Washington C. H. High School Lion Baseball squad.

The team, with an average of .295, has outhit its opponents in all of its four games this season, although it has won only two of them. A no-hitter and a 1-hitter by Robinett, the No. 1 WHS hurler, has been big help in giving the Lions the batting edge over their opponents.

Two other Lions are hitting at a better than .300 clip—Molloy with 3 hits in 9 trips, and Mickle, with 4 safeties in 12 times at bat.

Here is the way they stand after four games—times at bat, number of hits and percentage:

Horney 13 — 5 — .385; Kingery 9 — 1— .111; Dunton 11 — 1 — .099; Robinett 11 — 3 — .273; Mickle 12 — 4 — .333; Grooms 12 — 6 — .500; Anders 8 — 2 — .250; Molloy 9 — 3 — .333; Graves 2 — 0 — .000; Campbell 1 — 0 — .000; and Martin 7 — 2 — .286.

As a team the Lions have collected 27 hits in 95 times at bat in four games.

Coach Jim Lipinski had some very complimentary things to say about the squad's two managers, Dick Butcher, a sophomore, and Ray Loudner, a seventh grader. He said they not only take good care of the equipment and keep it in order in the field house, but also spend many hours working on the playing field on Circle Avenue.

Chilly Beauty Due In Contest

ATLANTIC CITY, N. J. (AP)—There's sure to be a cold beauty in this year's Miss America contest.

Girls from Alaska will be admitted for the first time, the pageant committee has announced.

Santee Primed For Miracle Mile

LAWRENCE, Kan. (AP) — Wes Santee, America's greatest distance star, says he feels the 4-minute mile will be within his grasp Saturday if weather conditions are good.

The long-legged lad from the plains of western Kansas hopes to beat the world record of 3:58, set by Australia's John Landy last year, in the 30th Kansas Relays.

The only other man to run the mile in less than 4 minutes is Dr. Roger Bannister of London who had a 3:59.4.

"I think I'm ready to unwrap a good one if the weather is right," Santee said today.

Card Rookies Find Redlegs Soft Touch

CINCINNATI (AP) — Two rookie pitchers from St. Louis had no trouble last night solving the riddle of Cincinnati hitting. The Cardinals blanked the Redlegs, 3-0.

Luis Arroyo, a 27-year-old lefthander from Penuelas, Puerto Rico, was making his first start as a major league pitcher. But he hurled fast balls and curves like a veteran. Arroyo permitted only five hits, all in the first four innings.

He was a bit wobbly in the first frame when he gave up a single to Johnny Temple, a wild pitch, and a walk to Wally Post. But the lefty settled down and from the fourth to the seventh he retired 11 Redlegs in a row. Then his pitches started to miss the corner of the plate. With two out in the seventh, he walked two straight pinchhitters before getting Temple out.

In the eighth, Arroyo walked two more men and Manager Eddie Stanky brought in Herb Moford, Brooksville, Ky., righthander. Moford had no trouble in making Ray Jablonski fly out to finish the eighth. In the ninth, the Reds went down one-two-three.

Art Fowler, charged with his third loss, allowed seven hits, including a homer by Joe Frazier in the fourth inning with Rip Repulski aboard.

Percy Beard, track coach at the University of Florida competed for the New York Athletic Club in indoor meets for five years and lost only one race.

W. C. Rylander of Lubbock, Tex., took up bowling at the age of 68. Now at 83 he has a 150 average in league play.

Zulueta Elated, Defeats Carter

WASHINGTON (AP) — "For the championship, I take him easy," Cuba's Orlando Zulueta says after winning a 10-round split decision from lightweight champ Jim Carter.

Carter, whose title wasn't at stake in last night's bout over a national television hookup, didn't have a word to say. But his manager, Willie Ketchum, made up for it: "What a lousy decision."

Here's how the first was scored: Referee Harry Volkman, 96-93 for Zulueta; Judge Joe Bunsa, 97-94 for Zulueta; Judge Benny Alperstein, 97-93 for Carter.

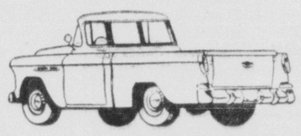
NEW CHEVROLET Task-Force TRUCKS

with a whole truckload of new advantages for you!

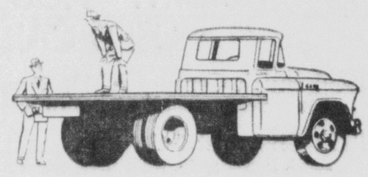
Here's what happens when America's No. 1 truck builder pulls out all the stops! Here are some of the new advances ready to work for you right now.

New Chevrolet Task-Force Trucks do *more* jobs faster, better and with new economy. If you've got a job for a truck, we've got the *modern* truck for your job! Look over the new features and advances highlighted here—no other line of trucks offers so much that's new. Then come in and look over these Task-Force Trucks in person.

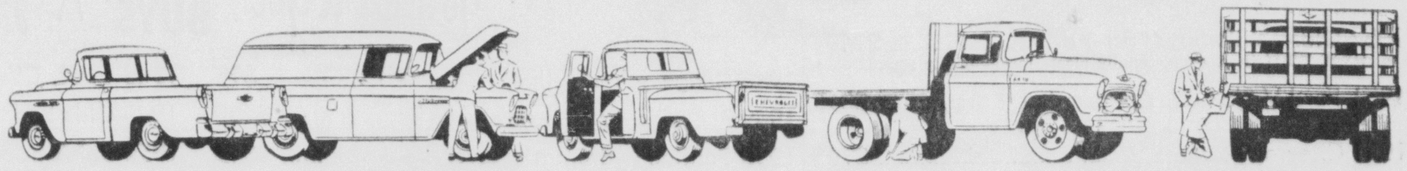
CHEVROLET



1 *New styling in trucks* It's Work-Styling—an exclusive development in truck design with two distinctively different styling treatments to match the job.



2 *New 18,000 lb. G.V.W. capacity* New Task-Force Trucks are built to handle loads of all sizes. Capacities now go all the way up to 18,000 pounds G.V.W.

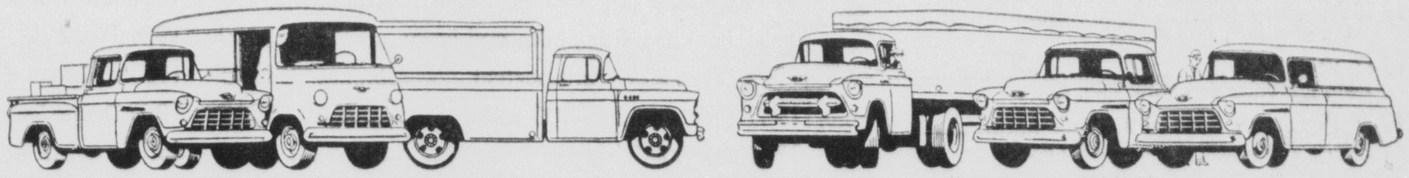


3 *Six new "high-voltage" engines* All new engines feature a 12-volt electrical system for faster, surer starts; increased generator capacity—plus many exclusive advances.

4 *The cab is as new as the view* New Sweep-Sight windshield—plus more glass all around. New High-Level ventilation. New softer seats—new cab construction.

5 *A smoother, load-steady ride* New suspensions front and rear provide a smoother ride. New concealed Safety Steps guard against mud, snow, or ice.

6 *New standard-width frames* All models now have new standard-width frames, with larger full-length parallel side members. They're more rigid and durable.



7 *New Overdrive or Hydra-Matic* New Overdrive is now available as an extra-cost option on ½-ton models and truck Hydra-Matic on ½-, ¾-, and 1-ton jobs.

8 *New Power Brakes and Tubeless Tires* Power Brakes are standard on 2-ton models, optional at extra cost on all others. Tubeless tires standard on ½-ton models!

9 *New handling ease with Power Steering* Chevrolet Power Steering now available on all Chevrolet Task-Force Trucks, optional at extra cost.

10 *New colors! New two-tone combinations* Take your choice of a longer-than-ever list of attractive new colors and handsome two-tone combinations.

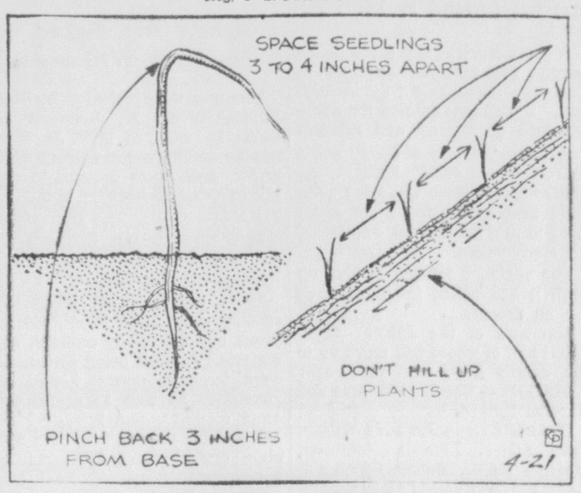
TODAY'S GARDEN-GRAPH

Reg. U. S. Patent Office



Know Your Onions

By DEAN HALLIDAY

Distributed by Central Press Association

THERE are white, red and yellow varieties of onions, and there are early, medium and late crops, so it pays to "know your onions" before planting them.

Onions are grown from seeds, sets and transplants, also called seedlings. Unless onion seeds are planted early in northern zones it is best to set out "sets" or transplants.

Seeds should be planted as early as the soil can be worked. For best results with onions the soil should be fine, fertile and well drained. The young plants must be kept free from weeds by frequent and shallow cultivation. Weeds between the plants must be pulled by hand, so don't make your onion planting too large.

The onion seedlings which are pulled out at thinning time should be saved. The sturdiest of them can be replanted three to four inches apart in rows, as shown in the accompanying Garden-Graph.

Such onions as are transplanted should have the tops pinched back to within three inches of the base of the plant, as illustrated. Don't hill up the soil around the young plants.

It is only a waste of time and labor to grow onions from seed planted in poor soil, or in sod-soil, which has just been turned.

Man Is Pinned Under Tractor

Robert Williams Has Close Call

Robert Williams, 47, employed on the Robert Armstrong farm near Parrott's Station, had a narrow escape from serious injury and death early Thursday, when a farm tractor he was operating struck a stump and overturned, pinning him beneath it.

For sometime Williams, who was drenched with fuel oil from the tractor, called for help but no one heard him.

However, Jack Armstrong, not hearing the noise of the tractor looked across the field, and seeing the tractor with wheels in the air, hurried to the scene and found Williams pinned beneath the tractor.

Robert Armstrong, father of Jack was called and the two men used a jack to raise the tractor sufficiently to permit Williams to be dragged from beneath it.

He was placed in the Armstrong car and brought to the office of Drs. A. D. and Robert Woodmansee, where X-ray pictures were taken and the injuries were found to consist of bruises and a badly sprained knee and ankle.

He was taken back to his home and is expected to recover rapidly from his injuries and shock.

Mrs. A. L. Osborn Dies Near Sabina

Mrs. A. L. Osborn, 81, died at 5:15 A. M. Friday at the home of her daughter, Mrs. Leonard Yockum of near Sabina. Mrs. Osborn had been in failing health for a year, and her illness had been serious for the past five months.

A native of Mowreystown, she had moved to her daughter's home a year and a half ago. She was a member of the EUB Church in Mowreystown.

In addition to Mrs. Yockum, she leaves another daughter, Miss Beulah Osborn of Hamilton and a brother, William Lauth, and a sister, Mrs. J. A. Freeh, both of Sardinia.

Funeral services will be held at 2:30 P. M. Sunday at the EUB Church in Mowreystown, with Rev. L. W. Tuttle of Chillicothe in charge. Burial will be in the Mowreystown Cemetery, under the direction of the Littleton Funeral Home in Sabina.

Friends may call at Mrs. Leonard Yockum's residence near Sabina between 4 P. M. Saturday and noon Sunday.

Tuition Going Up

YELLOW SPRINGS (AP)—Antioch College announced today it will increase its tuition from $730 to $800 yearly next fall.

Courts

An affidavit filed in lieu of a schedule of claims in the Claude Allen Stark estate, has been approved by the probate court.

NO TAX LEVIED

The Josephine Davis estate has been found to be exempt from inheritance taxes.

ASKS GUARDIANSHIP

Allan E. White has made application to the probate court to be appointed guardian of Jane Ann McCoy Campbell, a minor. Hearing on the application was set for April 22.

APPROVAL GIVEN

An inventory and appraisement filed in the Chester L. Cook estate has been approved.

HEARING DATE SET

Judge R. L. Brubaker has fixed May 23 for hearing claims filed against the Will DeLaRue estate by Hazel DeLaRue, administratrix of the estate.

SALE CONFIRMED

Sale of personal property in the Charles Lininger estate, at private sale, has been approved by the probate court.

NAMED ADMINISTRATOR

Colin C. Campbell has been named administrator of the Kate C. Campbell estate, and furnished $6,000 bond.

Nationwide Alert

(Continues from Page One)

went off, he was pouring concrete in the driveway that leads to his garage. And in the garage was his car.

After some fast shoveling, he scooped away enough of the wet concrete so he could get out his car and drive to the air field.

Anthony J. Saponaro, a Massachusetts National Guard staff sergeant, didn't let a baby-sitting problem interfere with "Operation Minuteman."

His wife was out and he was baby-sitting with his year-old son Jan when the alert was sounded. So he took the baby with him.

Maj. A. Kenneth Palmer found himself in the role of a Revolutionary War minuteman.

When the test alert came, Palmer was behind a plow on his farm near Boston.

His wife shouted across the field and, like a minuteman of the Revolution, Palmer left his plow and hurried off to join his unit.

Motorist Honored

YOUNGSTOWN (AP) — The one-millionth vehicle passed through the Eastgate section of the Northern Ohio Turnpike at 8:15 a. m. today. William W. Brueckman, 31, of Pittsburgh, Pa., a sales engineer, gained the distinction.

Cancer Crusade Tag Day All Set

Four Groups of Girls To Carry Out Project

The Cancer Crusade, which started in Fayette County last Sunday, will come to a close Saturday with a tag day conducted by four groups of girls—two 4-clubs, a Camp Fire Group and a Girl Scout troop.

Taking turns for short periods of time, the girls will give the little red plastic "Sword of Hope," the symbol of the American Cancer Society, to those who drop a contribution in the coin cans each girl will carry.

Each of the girls will wear an arm band designating her as a Cancer Crusader.

Adult leaders, Mrs. Kenneth Horney, chairman, Mrs. Betty Rhoads, Mrs. Wayne Boyer and Mrs. Sheldon Grubb, will be in charge of the project.

The youthful volunteers get recognition in their organizations for their participation in this public humanitarian service.

Also on Saturday evening, members of the Beta Iota chapter of Epsilon Sigma Alpha sorority are to make a collection of contributions in the Fayette Theater following the showing of short film on cancer entitled "Will Research Find Out?" This project was arranged by Patty Boso.

Here are the girls, and their organizations, who will take part in the Saturday tag day from 9:30 A. M. until 5:30 P. M.:

GIRL SCOUT TROOP 1 — Mrs Betty Rhoads, leader, Mary Kay Shipley, Carol Row, Joy Jerral, Sally Hamilton, Jean Hamilton, Buelah Hooks, Erma Hooks, Karen Hyer, Mary Seymour and Shelby Tubbs.

Carolyn Haggard, Evelyn Haggard, Nola Addy, Joan Killinder, Donna Mitchem, Julia Leaverton, Sherry Jo Seyfang, Barbara Shoop, Oleto Hilliard and Sherry McCune.

WADITAKA CAMP FIRE GROUP — Mrs. Wayne Boyer, leader, Pamela Edgington, Ninette Edgington, Virginia Ferguson, Patty Coulley, Bonnie Locey, Susan Hopkins, Connie Henley, and Sandy Shipley.

SEAMIN' DEMONS — Mrs. Sheldon Grubb and Mrs. Kenneth Horney, leaders, Beverly Horney, Sharon Grubb, Rebecca Graves, Ann Lentz, Carol Hyer, Karol McCune, Ann Killinder, Diannne Thompson, Donna Dale Reisinger, Shirley Walker, Carolyn Walker, Judy Southworth, Zola Hooks and Ann Waters.

MERRY STITCHERS — Mrs. Williams, leader, Carolyn Williams, Janice Chaney, Joyce Rhoads, Barbara Cutlip, Judy Cahall, Donna Mitchem, Betty Whiting and Sandy Mickle.

GRAND JURY CALLED

HILLSBORO — The Highland County Grand Jury has been summoned for May 16.

Junior Band Concert Wins Loud Applause

The concert given by the WHS Junior Band in the high school auditorium Wednesday night today had the big Varsity Band looking to its laurels; for it was that kind of a concert; the kind of a concert that brought wave after wave of applause for the sixth and seventh graders.

The Junior Band of 54 pieces is only about half as big as the Varsity Band, but what it may have lacked in numbers was made up by enthusiasm and quality.

Looking very natty in the bright blue uniforms with the white trimmings, the Junior Band made a striking appearance on the stage. Sitting rigidly at attention, with their instruments precisely held in position until, they rose as one when Bandmaster William B. Clift came in and steppd upon the podium and raised his baton for the first number, a march appropriately entitled "Here Comes the Band."

The Junior Band inherited its uniforms from the Varsity Band, when it got its new uniforms last year. Most of them had to be cut down to fit and some needed a bit of minor repair work, but the young musicians wore them with such pride that no uniforms could have looked better.

* * *

THE PROGRAM was packed with specialties and novelties. The second number was a cornet duet, "Friend," by Barbara Rose and Tommy Rodenfels.

The first of several difficult numbers followed, "Russian Choral and Overature," based on folk tunes.

In the next group of three numbers there was a trombone novelty, which featured the trombone section; a march, and "Pepperino," which featured a clarinet solo by Jowanda Wilson.

Leading up to the intermission were two number for the entire band, "Bolero Non" and "Little Rastus," which received enthusiastic response.

The second half of the program opened with another novelty, "An Old Time Political Parade" that was marked by vocal hurrays and barking of dogs by the band.

"An Earl" that feature the saxophones of Jane Davis and John Leland and "The Velvet Glove" set the mood for another novelty that brought the house down, "The Three Bears," a comedy sketch that was narrated by Pat Woodyard.

A short musical trip south of the border, with toubadores and senoritas, was taken with "Pan-American," a tune that carried the Spanish type of melody and rhythm.

A waltz, "Melody of Love" and a march "Teamwork" brought the program to a close while the audience that nearly filled the lower floor of the auditorium applauded its appreciation.

The audience refused to give up until it had called the band back for an encore.

Members of the Junior Band, about half of whom will move up to the Varsity Band next year, are:

FLUTES — Carolyn Williams and Carolyn Hillard.

CLARINETS — Jowanda Wilson, Jane Alkire, Latricia Robinson, Marilyn Miller, Ronny Coffman, Raymond Minshall, Latricia Lambert, Paulette Pennington, Dixie Coe, Marveen Smith, Sharon Pritchard, Ileen Cunningham, Patty Knedler, Carol Pitzer, Randy Mann, Ann McDonald, Edith Bach, Paula Slagle and Ann Johnson.

ALTO SAXOPHONES — John Leland, Jane Davis and Shirley Milstead.

TENOR SAXOPHONES — Rebecca Graves and Tom Baer.

TRUMPETS — Blaine Rice, Jerry Crissinger, Buddy Lynch, Jerry Wright, Duane Callender, Barbara Rose, Jack Moats, Jimmy Kirk, Max Milstead, Ronnie Johns, Tommy Rodenfels, Jane Meriweather, Malcom Potter and Jimmy Goolsby.

FRENCH HORNS — Patsy Woodyard, Nancy Grim and Helen Ducey.

BARITONES — Sheryl Elliott and Joyce Hamilton.

TROMBONES — Randy Trace, Gilbert Thomas and Dennis Orner.

SOUSAPHONES — Bill Edmonson and Joe Coulter.

DRUMS — Charles Hire, Mary K. West, Billy Crosswhite and Richard Hollar.

Ohioans OK Dam

WASHINGTON (AP)—Ohio Republican Sens. Bricker and Bender yesterday voted for a bill authorizing the Upper Colorado River dam project, passed by the Senate, 58-23, and sent to the House.

Patrol Arrests Drunk Drivers

Others Are Picked Up Here Wednesday

Two men were picked up by State Patrolman D. M. Holloway on Route 22, west, at 10 P. M. Wednesday on charges of driving while drunk. Both were brought to city jail to await appearance in municipal court.

The men were: Clarence F. Starcher of near Sabina and Virgil R. Newland, Sabina.

Three persons were taken into custody about 11:30 P. M., one for drunk and disorderly conduct, and the other two for being drunk. All were from Columbus. Listed for disorderly as well as drunk was Anne Caridias. She furnished $25 bail and the two men charged with plain drunk posted $25 bond for appearance.

Claude Spears, Charleston, W. Va., posted $20 on a reckless operation charge.

Denver Earl Harbin, Clarksburg, W. Va., was arrested for driving 44 miles on South Fayette Street and Austin E. Woodward, Chillicothe, for a similar offense.

Paul Ary was charged with passing a school bus while children were being unloaded. Deputy Sheriff Robert McCarthur filed charge, Ary is from Jamestown and the deputy sheriff reported he saw the offense committed. The bus had stopped on the Jamestown Road at a house near Washington C. H.

Richard James Penwell, city, was picked up for allowing his motor vehicle to make excessive noise.

Wanda Russell and Bessie Howe were cited on charges of disorderly conduct by using obscene and profane language, the charges having been filed by Betty Miller.
